Children, Childhoods and Global Politics J. Marshall Beier, Helen Berents, 2023-11-09 Though children have never been absent from international studies discourse they are too often reduced to a few simplistic and unidimensional framings This book seeks to recover children's agency and to recognize the complex variety of childhoods and the global issues that affect them Written by an international list of contributors from

Europe Africa North America and Australasia chapters present highly nuanced accounts of children and childhoods across global political time and space split into three broad sections imagined childhoods governed childhoods and lived childhoods Through its analysis the book demonstrates how international relations is somewhat paradoxically quite deeply invested in a particular rendering of childhood as primarily a time of innocence vulnerability and incapacity **Educational Psychology**

Virtual Reality Rene Novak,2025-06-12 In this book Dr Rene Novak reveals new ways of understanding children's play by liberating it from the constraints of standardised educational agendas Drawing on Heidegger's concepts of Enframing and poiesis and phenomenological inquiry this innovative study explores how immersive virtual reality VR videos can serve as metaphysical laboratories Through vivid embodied experiences early childhood educators cross the cybernetic looking glass to become one with play and discover transformative insights for holistic child development Dr Rene Novak investigates the potential of immersive pedagogy by merging visual pedagogy with embodiment theory to highlight the critical role of teacher presence in educational phenomena Educators become invisible observers stepping inside the flow of play while relinquishing preconceived enframed discourses and misconceptions The result is a reshaping of pedagogy and policy steering away from prescriptive goals toward play as a self-actualising educational experience By reconceptualising how free play unfolds this book challenges educators policymakers and parents to embrace the true essence of play in early learning This book is an essential resource for anyone seeking to understand how to foster creativity social emotional growth and deeper engagement in a play-based curriculum *Domesticating Geopolitics* Sean Carter,Tara Woodyer,2023-09-26 This

book explores the ways in which the study of the domestic and the international far from being separate spheres are in fact woven together in multiple ways The chapters in this volume seek to question this traditional domestic international binary and approach their entanglement through a range of different empirical settings and methodological approaches Inspired by a recent turn towards recognising the importance of the home the intimate and the everyday in the construction of

geopolitical worlds this book captures a broad range of agents practices objects performativities and discourses that contribute to how geopolitics is rendered familiar sanitised embodied and enacted and the ways in which the home and the traditional terrain of the geopolitical the international sphere are in fact folded into each other in multiple ways Domesticating Geopolitics will be of great use to students and researchers interested in geography and politics including popular geopolitics and human geography This book was originally published as a special issue of Geopolitics

Children's Play in Literature Joyce E. Kelley, 2018-07-04 While we owe much to twentieth and twenty first century researchers careful studies of children s linguistic and dramatic play authors of literature especially children s literature have matched and even anticipated these researchers in revealing play s power authors well aware of the way children use play to experiment with their position in the world This volume explores the work of authors of literature as well as film both those who write for children and those who use children as their central characters who explore the empowering and subversive potentials of children at play Play gives children imaginative agency over limited lives and allows for experimentation with established social roles play s disruptive potential also may prove dangerous not only for children but for the society that restricts them

Discussions on Sensitive Issues John Sutterby, 2015-10-07 This volume contains chapters that invite conversations about sensitive issues to help educators children and families use real life experiences to construct knowledge about their world and other people
