House. Committee on Ways and Means,2001 **Social Security Administration disclosure policy for law enforcement allows information sharing, but SSA needs to ensure consistent application.** ,2003 Taxing Wars Sarah Kreps,2018-05-01 Why have the wars in Afghanistan and Iraq lasted longer than any others in American history The conventional wisdom suggests that the move to an all volunteer force and unmanned technologies such as drones have reduced the apparent burden of war so much that they have allowed these conflicts to continue almost unnoticed for years Taxing Wars suggests that the burden in blood is just one side of the coin The way Americans bear the burden in treasure has also changed and these changes have both eroded accountability and contributed to the phenomenon of perpetual war Sarah Kreps chronicles the entire history of how America has paid for its

wars and how its methods have changed Early on the United States imposed war taxes that both demanded sacrifices from all Americans and served as reminders of their participation Indeed thinkers from Immanuel Kant to Adam Smith argued that these reminders were exactly the reason why democracies tended to fight shorter and less costly wars Bearing these burdens caused the populace to sue for peace when the costs mounted Leaders in a democracy responsive to their citizens would have incentives to heed that opposition and bring wars to as expeditious an end as possible Since the Korean War the United States has increasingly moved away from war taxes Instead borrowing and its comparatively less visible connection with the war has become a permanent feature of contemporary wars The move serves leaders well because reducing the apparent burden of war has helped mute public opposition and any decision making constraints But by masking accountability however the move away from war taxes undermines the basis for democratic restraint in wartime Contemporary wars have become correspondingly longer and costlier as the public has become disconnected from those burdens Given the trends identified in *Taxing Wars* the recent past epitomized by our lengthy wars in Afghanistan and Iraq is likely to be prologue

The Battle for Social Security Nancy J. Altman, 2012-06-29 This book illuminates the politics and policy of the current struggle over Social Security in light of the program's compelling history and ingenious structure After a brief introduction describing the dramatic response of the Social Security Administration to the 9/11 terrorist attack the book recounts Social Security's lively history Although President Bush has tried to convince Americans that Social Security is designed for the last century and unworkable for an aging population readers will see that the President's assault is just another battle in a longstanding ideological war Prescott Bush the current President's grandfather remarked of FDR The only man I truly hated lies buried in Hyde Park The book traces the continuous thread leading from Prescott Bush and his contemporaries to George W. Bush and others who want to undo Social Security The book concludes with policy recommendations which eliminate Social Security's deficit in a manner consistent with the program's philosophy and structure
