**Social Change and Social Work** Timo Harrikari, Pirkko-Liisa Rauhala, 2016-04-01 Social Change and Social Work discusses and examines how social work is challenged by social, political, and economic tendencies going on in current societies. The authors ask how social work as a discipline and practice is encountering global and local transformations. Divided into three parts, topics covered include the changing social work mandate throughout history, social work paradigms and theoretical considerations, phenomenological social work practice research, and gender and generational research. Taken together, the chapters in this anthology provide an authoritative and up-to-date overview of current discussions within the European social work research community.

**Handbook of Applied Teaching and Learning in Social Work Management Education** Maik Arnold, 2023-01-01 This up-to-date reference work explores theories, methods, and practices of social work management education in higher education. It includes contributions from more than 30 scholars and researchers in the field of social work management education from more than 10 countries and 4 continents. The work is unique as it overcomes current barriers between the different sub-disciplines of social work didactics and management education and takes into consideration the development of a discipline-specific Scholarship of Teaching and Learning (SoTL). The integrated and transdisciplinary approach to social work management education presented in this edited volume is of paramount importance to international scholars, teachers, practitioners, students, and all other audiences interested in the field of education. The work provides an overview of the theoretical principles on how social work management can be taught and learned and analyzes curricula, pedagogical approaches, actors, and socio-economic and institutional contexts of social work management at higher education institutions.
