## **Socializing The Young:**

Socializing the Young Dennis R. Bryson, 2002-04-30 The Rockefeller philanthropies and the Macy Foundation launched a series of programs during the 1920s and 1930s aimed at the production and dissemination of knowledge on the rearing and education of the young Thus millions of dollars in foundation funds were put into projects in child study and parent education the reorganization of secondary education child growth and development culture and personality studies and the personality development of young children by the Laura Spelman Rockefeller Memorial the General Education Board the Macy Foundation during the period 1923 to 1941 Informing these projects was a coherent sociopolitical agenda in order to promote a stable pacified social order the foundation projects attempted to foster the formation of friendly sane and sociable personalities who would avoid conflict and other kinds of anti social behavior Thus the micropractices of private life especially child rearing and familial and marital practices were targeted by a sociopolitical scheme oriented toward the reconstruction and pacification of social life The book examines in depth the foundation programs and the deliberations of officers and trustees as they designed and implemented these programs Special attention is paid to the role of Lawrence K Frank in the creation and direction of the foundation programs

**Federal Programs for Young Children: Review and Recommendations** Sheldon Harold White, 1973 *Russia's Youth and its Culture* Hilary Pilkington, 2013-01-11 Since the political whirlwinds of the mid 1980s and the fall of communism in 1991 Russia has undergone dramatic social change much of which has escaped the attention of Western media In her new book Hilary Pilkington applies the methods of cultural studies research to the study of Russian youth She does this by deconstructing the social discourses within which Russian youth has been constructed and by providing an alternative reading of youth cultural activity based on an ethnographic study of Moscow youth culture at the end of the 1980s The book also charts the passage of western youth cultural studies in the twentieth century and suggests some new ways forward in the light of the Russian experience Hilary Pilkington traces the cultural themes of youth culture in the Anglo American tradition and within the Soviet Union before examining the impact of perestroika on the media and its ramifications for the discussion of youth The book ends with a study of young people in Moscow and youth cultural groups the product of field work and interviews in the city

*Men Educators of Color in U.S. Public Schools and Abroad* Ashley N. Woodson, Travis J. Bristol, 2023-12-11 This book reflects the diversity and possibility of critical research in education with an emphasis on the examination of the intersections of social identities for men teachers of color and the relationship between social identity and struggles for political and professional agency The authors address race and race inequality in education and provide a strong theoretical foundation for filling the empirical gap on men teachers of color by engaging in questions such as How do critical considerations of the intersection of race gender and profession inform the future of teacher education What does it mean to be men or of color in the context of the teaching profession in the U S and abroad What are the aims of ethnoracial diversity in the field of education The research included in
