

Society And Economy In The Eastern Mediterranean

Mikha'el Heltser

Society And Economy In The Eastern Mediterranean:

Society and Economy in the Eastern Mediterranean, C. 1500-1000 B.C. Michael Heltzer, Edward Lipiński, 1988 The actual progress in the study of social and economic structures of Late Bronze Age societies requires a general overview of the historical process in the area of the Eastern Mediterranean as a whole This was the purpose of the symposium the proceedings of which are collected in the form of articles in the present volume They are studies dealing with the Mycenaean world with the Hittite Empire Nuzi Emar Alalakh Ugarit the Pharaonic lands in the Izreel Valley Particular attention is paid to the trade between the Aegean and the Levant as well as to the Sea Peoples The proceedings give a comprehensive view of the social and economic historical process in the Eastern Mediterranean between 1500 and 1000 B C and constitute an important contribution to the study of this crucial period in the history of the Ancient Middle East in Egypt and the Eastern Mediterranean, 1600-1900 Nelly Hanna, Ra'ūf 'Abbās Hāmid, 2005 A collection of studies by leading scholars in Egypt the United States and Europe this book offers a selection of research in Ottoman era Egypt and the Middle East and serves as a tribute to author s own work It includes an investigation of Europeanattitudes toward the Orient through the travel accounts of Russian pilgrims to the Levant Society and economy in the Eastern Mediterranean (c. **1500 - 100 B.C.)** Mikha'el Heltser,1988 Gender, Society and Economic Life in Byzantium Angeliki E. Laiou, 2024-12-11 The studies in this volume reflect the author's interest in history as it was lived not only the social and economic structures but the men and women collectively and individually who made them function The role of women in Byzantine economy and society is found to be much more important than had been believed their participation in trade and manufacturing is established as is the role of aristocratic women in the economic affairs of the household the question of female literacy is also discussed Two studies on the Byzantine family based in large part on the legal sources examine the formation of matrimonial ties as well as the practice of divorce and concubinage in the 13th century. The second part of the volume is focused on the economy of exchange in Byzantium between 1204 and the fall of the Empire Byzantine trade and manufacturing are placed in the context of the economic developments of the eastern Mediterranean with the conclusion that whereas the activities of Byzantine and Greek merchants were much more considerable than scholars had thought they were subordinated to the needs of the Italian dominated trade system while Byzantine manufacturing declined Les etudes assembl es dans ce volume refl tent l'int r t de leur auteur pour l'histoire telle qu'elle tait v cue non seulement en ce qui concerne les structures sociales et conomiques mais aussi les hommes et les femmes collectivement et individuellement qui permettaient celles ci de fonctionner Le r le des femmes dans la soci t et l conomie byzantine se r v le comme ayant beaucoup plus d importance qu on ne le pensait auparavant leur participation au commerce et l'industrie est un fait tabli tout comme l'est le r le des femmes aristocrates dans les affaires conomiques du foyer Le th me de l alphab tisation des femmes est aussi souev Deux tudes sur la famille byzantine se basant en grande partie sur des sources l gales exa The Maritime Economy of

Individuals and Society in Mycenaean Pylos Dimitri Nakassis,2013-05-02 This book revises our understanding of Mycenaean society through a detailed analysis of individuals attested in the administrative texts from the Palace of Nestor at Pylos in southwestern Greece ca 1200 BC It argues that conventional models of Mycenaean society which focus on administrative titles and terms can be improved through the study of named individuals A new methodologically innovative prosopography demonstrates that many named individuals were not only important managers of palatial affairs but also high ranking members of the community This work significantly broadens the elite class and suggests that the palace was less of an agent in its own right than an institutional framework for interactions amongst individuals and social groups

Environment and Society in Byzantium, 650-1150 Alexander Olson,2020-11-16 This book illuminates Byzantines relationship with woodland between the seventh and twelfth centuries Using the oak and the olive as objects of study this work explores shifting economic strategies environmental change and the transformation of material culture throughout the middle Byzantine period Drawing from texts environmental data and archaeological surveys this book demonstrates that woodland s makeup was altered after Byzantium s seventh century metamorphosis and that people interacted in new ways with this re worked ecology Oak obtained prominence after late antiquity illustrating the shift from that earlier era s intensive agriculture to a more sylvan middle Byzantine economy Meanwhile the olive faded into the background re emerging in the eleventh and twelfth centuries thanks to the initiative of people adapting yet again to newly changed political and economic circumstances This book therefore shows that Byzantines relationship with their ecology was far from static and that Byzantines decisions had environmental impacts Household and Family Religion in Antiquity John Bodel, Saul M. Olyan, 2012-02-15 The first book to explore the religious dimensions of the family and the household in ancient

Mediterranean and West Asian antiquity Advances our understanding of household and familial religion as opposed to state sponsored or civic temple cults Reconstructs domestic and family religious practices in Egypt Greece Rome Israel Mesopotamia Ugarit Emar and Philistia Explores many household rituals such as providing for ancestral spirits and petitioning of a household's patron deities or of spirits associated with the house itself Examines lifecycle rituals from pregnancy and birth to maturity old age death and beyond Looks at religious practices relating to the household both within the home itself and other spaces such as at extramural tombs and local sanctuaries **Economy, Family, and Society** from Rome to Islam Simon Swain, 2013-04-25 A full edition and study of Bryson's Management of the Estate edited by a Athenian Economy and Society Edward Cohen, 1997-01-26 First leading expert in both Classics and Arabic literature paperback printing Includes bibliographical references p 223 253 and indexes **Economy and Society in Prehistoric Europe** A. Sherratt, 2019-08-07 This book brings together a classic collection of Andrew Sherratt's work on the economic foundations of prehistoric Europe which have put forward important new ideas about the development of farming pastoralism early technology and trade In a series of contributions that have included wide ranging syntheses and detailed local studies he discusses their implications for the understanding of settlement patterns social structures material culture and less tangible aspects of prehistoric life such as the spread of languages and the use of narcotics **Environment and Society** in the Long Late Antiquity, 2019-01-04 Environment and Society in the Long Late Antiquity brings together scientific archaeological and historical evidence on the interplay of social change and environmental phenomena at the end of Antiquity and the dawn of the Middle Ages covering the period ca 300 800 AD It gives a new impetus to the study of the environmental history of this crucial period of transition between two major epochs in premodern history The volume contains both systematic overviews of the previous scholarship and available data as well as a number of interdisciplinary case studies It covers a wide range of topics including the histories of landscape climate disease and earthquakes all intertwined with social cultural economic and political developments Contributors are Daniel Abel Schaad Francesca Alba S nchez Flavio Anselmetti Jos Antonio L pez S ez Daniel Ariztegui Brunhilda Brushulli Yolanda Carri n Marco Alexandra Chavarr a Petra Dark Carmen Fern ndez Ochoa Martin Finn Asuunta Florenzano Ralph Fyfe Didier Galop Benjamin Graham John Haldon Kyle Harper Richard Hodges Adam Izdebski Katarina Kouli Inga Labuhn Tamara Lewit Anna Maria Mercuri Alessia Masi Lucas McMahon Lee Mordechai Mario Morell n Timothy Newfield Almudena Orejas Saco del Valle Leonor Pe a Chocarro Sebasti n P rez D az Eleonora Regattieri Stephen Rippon Neil Roberts Laura Sadori Abigail Sargent Gaia Sinopoli Paolo Squatriti Giovanni Stranieri Raymond van Dam Bernd Wagner Mark Whittow Penelope Wilson Jessie Woodbridge See inside the book Our Cups Are Full: Pottery and Society in the Aegean Bronze Age. Papers Presented to Jeremy B. Rutter on the Occasion of his 65th Birthday Walter Gauß, Michael Lindblom, R. Angus K. chronology to analysis of the social and religious functions of particular vessel types and studies of trade and cultural Transactions of the Royal Historical Society: Volume 21 Ian W. Archer, 2012-01-05 A collection of major articles contacts representing some of the best historical research by some of the world's most distinguished historians Islamic Law Rachel M. Scott, 2021-03-15 By examining the intersection of Islamic law state law religion and culture in the Egyptian nation building process Recasting Islamic Law highlights how the sharia when attached to constitutional commitments is reshaped into modern Islamic state law Rachel M Scott analyzes the complex effects of constitutional commitments to the sharia in the wake of the Egyptian Revolution of 2011 She argues that the sharia is not dismantled by the modern state when it is applied as modern Islamic state law but rather recast in its service In showing the particular forms that the sharia takes when it is applied as modern Islamic state law Scott pushes back against assumptions that introductions of the sharia into modern state law result in either the revival of medieval Islam or in its complete transformation Scott engages with premodern law and with the Ottoman legal legacy on topics concerning Egypt s Coptic community women's rights personal status law and the relationship between religious scholars and the Supreme Constitutional Court Recasting Islamic Law considers modern Islamic state law s discontinuities and its continuities with premodern sharia Thanks to generous funding from Virginia Tech and its participation in TOME Toward an Open Monograph Ecosystem the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress cornell edu cornell open and other repositories The SAGE Encyclopedia of Economics and Society Frederick F. Wherry, Juliet B. Schor, Consulting Editor, 2015-09-01 Economics is the nexus and engine that runs society affecting societal well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader's Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader's Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand

Dynamics of Production in the Ancient Near East Juan Carlos Moreno economics through a contemporary lens Garcia, 2016-10-11 The transition between the 2nd and the 1st millennium BC was an era of deep economic changes in the ancient Near East An increasing monetization of transactions a broader use of silver the management of the resources of temples through entrepreneurs the development of new trade circuits and an expanding private small scale economy transformed the role previously played by institutions such as temples and royal palaces. The 17 essays collected here analyze the economic transformations which affected the old dominant powers of the Late Bronze Age their adaptation to a new economic environment the emergence of new economic actors and the impact of these changes on very different social sectors and geographic areas from small communities in the oases of the Egyptian Western Desert to densely populated urban areas in Mesopotamia Egypt was not an exception Traditionally considered as a conservative and highly hierarchical and bureaucratic society Egypt shared nevertheless many of these characteristics and tried to adapt its economic organization to the challenges of a new era In the end the emergence of imperial super powers Assyria Babylonia Persia and to a lesser extent Kushite and Saite Egypt can be interpreted as the answer of former palatial organizations to the economic and geopolitical conditions of the early Iron Age A new order where competition for the control of flows of wealth and of strategic trading areas appears crucial Living the End of Antiquity Sabine R. Huebner, Eugenio Garosi, Isabelle Marthot-Santaniello, Matthias Müller, Stefanie Schmidt, Matthias Stern, 2020-05-05 Millennium transcends boundaries between epochs and regions and between disciplines Like the Millennium Jahrbuch the journal Millennium Studien pursues an international interdisciplinary approach that cuts across historical eras Composed of scholars from various disciplines the editorial and advisory boards welcome submissions from a range of fields including history literary studies art history theology and philosophy Millennium Studien also accepts manuscripts on Latin Greek and Oriental cultures In addition to offering a forum for monographs and edited collections on diverse topics Millennium Studien publishes commentaries and editions The journal primary accepts publications in German and English but also considers submissions in French Italian and Spanish If you want to submit a manuscript please send it to the editor from the most relevant discipline Wolfram Brandes Frankfurt Byzantine Studies and Early Middle Ages brandes rg mpg de Peter von M llendorff Gie en Greek language and literature peter v moellendorff klassphil uni giessen de Dennis Pausch Dresden Latin language and literature dennis pausch tu dresden de Rene Pfeilschifter W rzburg Ancient History Rene Pfeilschifter uni wuerzburg de Karla Pollmann Bristol Early Christianity and Patristics K F L Pollmann bristol ac uk All manuscript submissions will be reviewed by the editor and one outside specialist single blind peer review A History of the Byzantine State and Society Warren Treadgold, 1997-11-01 A vivid story of Byzantium's existence over the span of 1 100 years this work may well become the standard English language history of Byzantium Library Journal This is the first comprehensive and up to date history of Byzantium to appear in almost sixty years and the first ever to cover both the Byzantine state and Byzantine society It begins

in A D 285 when the emperor Diocletian separated what became Byzantium from the western Roman Empire and ends in 1461 when the last Byzantine outposts fell to the Ottoman Turks Spanning twelve centuries and three continents the Byzantine Empire linked the ancient and modern worlds shaping and transmitting Greek Roman and Christian traditions including the Greek classics Roman law and Christian theology that remain vigorous today not only in Eastern Europe and the Middle East but throughout Western civilization Though in its politics Byzantium often resembled a third world dictatorship it has never yet been matched in maintaining a single state for so long over a wide area inhabited by heterogeneous peoples Drawing on a wealth of original sources and modern works the author treats political and social developments as a single vivid story told partly in detailed narrative and partly in essays that clarify long term changes He avoids stereotypes and rejects such old and new historical orthodoxies as the persistent weakness of the Byzantine economy and the pervasive importance of holy men in Late Antiquity Without neglecting underlying social cultural and economic trends the author shows the often crucial impact of nearly a hundred Byzantine emperors and empresses What the emperor or empress did or did not do could rapidly confront ordinary Byzantines with economic ruin new religious doctrines or conquest by a foreign power Much attention is also paid to the complex life of the court and bureaucracy that has given us the adjective byzantine The major personalities include such famous names as Constantine Justinian Theodora and Heraclius along with lesser known figures like Constans II Irene Basil II the Bulgar Slayer and Michael VIII Palaeologus Byzantine civilization emerges as durable creative and realistic overcoming repeated setbacks to remain prosperous almost to the end With 221 illustrations and 18 maps A History of the Byzantine State and Society should long remain the standard history of Byzantium not just for students and scholars but for all readers Fluently written for the general reader Los Angeles Times Book Review Though several others have recently assayed to cover the complex history of the Eastern Roman Empire none has done so as completely and satisfactorily as Treadgold Libraries Culture

Getting the books **Society And Economy In The Eastern Mediterranean** now is not type of inspiring means. You could not only going considering ebook gathering or library or borrowing from your contacts to door them. This is an unconditionally easy means to specifically acquire guide by on-line. This online notice Society And Economy In The Eastern Mediterranean can be one of the options to accompany you considering having further time.

It will not waste your time. assume me, the e-book will unconditionally spread you additional business to read. Just invest little mature to way in this on-line declaration **Society And Economy In The Eastern Mediterranean** as capably as evaluation them wherever you are now.
