anthropologists as well as an excellent textbook for courses in medical anthropology ethnomedicine global health care and The Character of Human Institutions Michael Egan, 2017-07-28 This volume celebrates the life and medical policy work of Robin Fox and the idea of a biosocial science From his early studies of kinship primates the brain evolution the incest taboo and aggression to his later work on literature politics civilization law the Bible Shakespeare and the history of ideas Robin Fox inspired many with an evolutionary vision of humanity that goes beyond narrow disciplinary boundaries and embraces the universal history of mankind Fox s work represents an independent biosocial science stream of thinking that accepts the Darwinian mandate while avoiding reductionism by recognizing culture as a natural phenomenon The essays cover Fox s life and his contributions and address topics as diverse as the meaning and function of laughter the unforgiving discipline of writing popular anthropology extreme drinking rituals among young men training for the British army Darwin and close cousin marriage the universal essence of the epic form as a super attractor anthropologists autobiographies the conflict between science and anti science and the decline of British imperial education This engaging collection on a mainstream maverick has been edited by Michael Egan It includes essays by Sir Antony Jay Lionel Tiger Howard Bloom Michael McGuire Kate Fox Melvin Konner Alan Macfarlane Adam Kuper Dieter Steklis Alexandra Maryanski Bernard Chapais Jonathan Turner Linda Stone Charles Macdonald Anne Fox David Jenkins Frederick Turner Robert Trivers and an essay by Robin Fox himself The Alcoholic Society Reece McGee, 2017-07-12 Offering a unique theoretical foundation to understanding the lived experience of the active alcoholic Denzin asserts that alcoholism is a disease in which negative emotions divide the self into warring inner factions fueled and distorted by alcoholic intoxication. The work is solidly anchored in a long term study of the socialization experiences that began in alcoholism treatment centers and continue in Alcoholics Anonymous recovery programs It covers the treatment process the restructuring of self the alcoholic s interaction with his recovery treatment program and the modalities of self transcendence that result from treatment Clinical **Addiction Psychiatry** David Brizer, Ricardo Castaneda, 2010-09-16 Clinical Addiction Psychiatry is an anthology of essays that represent the most current and authoritative information now available on addiction theory practice and research covering dozens of provocative fascinating and essential subdomains of the field Each chapter is authored by a recognized authority in the field and detailed attention is paid to environment genetics culture and spirituality as well as treatment and pharmacology History street culture and medical science are brought together in masterful discussions that encompass the full spectrum of addictive disorders emphasizing assessment and clinical management This unique resource gathers complex medical and scientific data in a way which is accessible to both health care professionals and readers without medical or psychology backgrounds Essential reading for addiction counselors and other mental health professionals this book will also be of interest to patients and their families and residents and physicians in all fields of medicine **Preventing Alcohol Abuse** David J. Hanson, 1995-02-28 The prevailing neo prohibitionist approach to reducing alcohol problems is generally

ineffective often counter productive and is doomed to failure This work is to promote an effective alternative strategy to reducing the incidence of alcohol problems The thesis is that a socio cultural approach would be effective and therefore that public policy should promote this approach This work is expected to be controversial and is hoped to form a pattern for reorientation of the current approach to alcohol abuse Professionals in drug abuse education and treatment along with public policy makers and students in appropriate courses should be interested in the work Comprehensive Handbook of Personality and Psychopathology, Adult Psychopathology Frank Andrasik, 2006-01-03 Adult Psychopathology presents an overview of the classification and diagnosis epidemiology genetic sociocultural and biological influences and research and behavioral considerations of psychopathology in adults This state of the art volume also includes the latest research on the major disorders and discusses the three most popular treatment approaches *Alcohol and Interpersonal Violence* Susan Ehrlich Martin, 1993 **Alcohol and Drugs in North America** David M. Fahey, Jon S. Miller, 2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class This encyclopedia looks at the history of all drugs in North America including alcohol tobacco prescription drugs cannabis cocaine heroin methamphetamine and even chocolate and caffeinated drinks This two volume encyclopedia provides accessibly written coverage on a wide range of topics covering substances ranging from whiskey to peyote as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs The entries also supply an excellent overview of the history of temperance movements in Canada and the United States trends in alcohol consumption its production and its role in the economy as well as alcohol s and drugs roles in shaping national discourse the creation of organizations for treatment and study and legal responses This resource includes primary documents and a bibliography offering important books articles and Internet sources related to the topic
