**War, Government, and Society in the Medieval Crown of Aragon** Donald J. Kagay, 2024-10-28 The focus of this collection of articles by Donald J Kagay is the effect of the expansion of royal government on the societies of the medieval Crown of Aragon He shows how the extensive episodes of warfare during the 13th and 14th centuries served as a catalyst for the extension of the king s law and government across the varied topography and political landscape of eastern Spain In the long conflicts against Spanish Islam and neighbouring Christian states the relationships of royal to customary law of monarchical to aristocratic power and of Christian to Jewish and Muslim populations all became issues that marked the transition of the medieval Crown of Aragon to the early modern states of Catalonia Aragon and Valencia and finally to the modern Spanish nation

**Making Agreements in Medieval Catalonia** Adam J. Kosto, 2001-05-03 This study examines the role of written agreements in eleventh and twelfth century Catalonia and how they determined the social and political order By tracing the fate of these agreements or *convenientiae* from their first appearance to the late twelfth century it is possible to demonstrate the remarkable stability of the fluid structures which they engendered in what is generally thought of as feudal society The process of documentary change reveals the true nature and pace of the transformation of the year 1000 Analysis of the *convenientia* as an instrument of power and its interaction with oral practices contributes to a deeper understanding of the role of the written word in medieval societies Finally a broad historiographical context establishes the significance of this study of Catalonia for a more general appreciation of the medieval Mediterranean world
