## **Sociocultural And Political Aspects Of Abortion Global Perspectives:**

The Sociocultural and Political Aspects of Abortion Alaka Basu, 2003-01-30 Seeking to define the ways various cultures view pregnancy miscarriage and abortion this multidisciplinary collection of essays seeks to illustrate how these views influence policy decisions and practices regarding abortion around the world Putting questions of pro life and pro choice aside the contributors provide demographic coverage of the issues involved and contextualize some of the personal realities that underlie the approximately 50 million abortions that are believed to take place yearly worldwide While the political and social climates in which women seek abortions vary from place to place many of the chapters try to understand the moral implications that guide the decision to end a pregnancy from the perspective of the those who seek to do so Focusing primarily on developing nations this important contribution to the literature on abortion provides readers with a careful overview of the different meanings attached to abortion depending on the cultural social and political climate Areas covered include Tanzania Bangladesh West Africa Ghana Romania Russia Mexico and Nigeria General chapters on induced abortion demographic research and abortion policy and social pressures to abort are also included This unique approach to the study of abortion will contribute to a greater understanding of a prominent social issue

**Historical Dictionary of Women in Sub-Saharan Africa** Kathleen Sheldon, 2016-03-04 African women s history is a vast topic that embraces a wide variety of societies in over 50 countries with different geographies social customs religions and historical situations Africa is a predominantly agricultural continent and a major factor in African agriculture is the central role of women as farmers It is estimated that between 65 and 80 percent of African women are engaged in cultivating food for their families and in the past that percentage was likely even higher Thus one common thread across much of the continent is women s daily work in their family plot This second edition of Historical Dictionary of Women in Sub Saharan Africa contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on individual African women in history politics religion and the arts on important events organizations and publications and on topics important to women in general marriage fertility employment and to African women in particular market women child marriage queen mothers This book is an excellent access point for students researchers and anyone wanting to know more about the Women in Africa

*Critical Issues in Reproductive Health* Andrzej Kulczycki, 2013-08-23 In this book leading academics and practitioners in the field of reproductive health address topics such as contraception abortion sexually transmitted infections maternal and prenatal health sexuality and reproductive rights by examining a number of critical issues in these areas The authors describe new research identify gaps and priorities in policy and practice and illustrate innovative solutions The book further addresses such current imperatives as understanding the social meanings of emergency contraception measuring gender based violence improving reproductive health governance strengthening health systems and services and redressing institutional barriers The book also assesses how reproductive health programs can be

reconfigured to new challenges such as those posed by climate change vulnerable youth in fragile states and risks from new infertility treatments Using a rich and varied set of cases a broad public health and social science perspective and novel methodological approaches this book questions common assumptions illustrates effective solutions and sets out research policy and programmatic agendas for the present and future This is a comprehensive volume which provides a valuable resource to researchers educators practitioners policymakers and students as well as anyone studying or advocating for reproductive health

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Growing Up Global Institute of Medicine, National Research Council, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Population, Panel on Transitions to Adulthood in Developing Countries, 2005-06-25 The challenges for young people making the transition to adulthood are greater today than ever before Globalization with its power to reach across national boundaries and into the smallest communities carries with it the transformative power of new markets and new technology At the same time globalization brings with it new ideas and lifestyles that can conflict with traditional norms and values And while the economic benefits are potentially enormous the actual course of globalization has not been without its critics who charge that to date the gains have been very unevenly distributed generating a new set of problems associated with rising inequality and social polarization Regardless of how the globalization debate is resolved it is clear that as broad global forces transform the world in which the next generation will live and work the choices that today s young people make or others make on their behalf will facilitate or constrain their success as adults Traditional expectations

regarding future employment prospects and life experiences are no longer valid Growing Up Global examines how the transition to adulthood is changing in developing countries and what the implications of these changes might be for those responsible for designing youth policies and programs in particular those affecting adolescent reproductive health The report sets forth a framework that identifies criteria for successful transitions in the context of contemporary global changes for five key adult roles adult worker citizen and community participant spouse parent and household manager *Young People's Lives and Sexual Relationships in Rural Africa* Mary Louisa Plummer, Daniel Wight, 2011-08-16 New infections with HIV remain an urgent problem among young people in Africa but many young Africans pursue sexual relationships with little thought about the epidemic This book examines young people's sexual relationships in a region typical of rural sub Saharan Africa and investigates why the risk of HIV infection generally was not a salient concern for them It is based on an extraordinarily large and representative qualitative study that was affiliated with an adolescent sexual health intervention trial and included three person years of participant observation conducted by young East Africans in nine Tanzanian villages The book describes typical patterns of sexual relationship formation in adolescence and early adult life the variety of young people's relationships and practices and the contradictory social ideals and expectations that led premarital and extramarital relationships to be concealed Young men's main motivations for sex were pleasure and masculine identity while young women's was to receive money or materials to meet their basic needs such as soap or a daytime meal By their late teens most young people had experienced one time sexual encounters open ended opportunistic relationships and main sometimes semi public partnerships Relationships could involve desire possessiveness and affection but romantic idealization of a partner was rare Many young people expected their partners to be monogamous but themselves had had concurrent relationships by age 20 The practice of hiding premarital sexual relationships from adults often also concealed them from other sexual partners which helped maintain concurrency and inhibited realistic risk perception Understanding of the biology of HIV AIDS was very limited Condoms were rarely used because they were associated with reduced pleasure infection and promiscuity Sexually transmitted infections were common but several factors hindered young people from seeking biomedical treatment for them Many instead relied on tradition *The Social Science Encyclopedia* Adam Kuper, Jessica Kuper, 2004-10-14 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes

of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

Demographic Transition Theory John C. Caldwell,2007-09-21 This book has a strong theoretical focus and is unique in addressing both mortality and fertility over the full span of human history It examines the demographic transition in the change in the human condition from high mortality and high fertility to low mortality and low fertility It asks if fluctuating populations is a new phenomenon or if there has long been an inherent tendency in Man to maximize survival and to control family size *Demography: Analysis and Synthesis, Four Volume Set* Graziella Caselli,Jacques Vallin,Guillaume Wunsch,2006-01-03 This four volume collection of over 140 original chapters covers virtually everything of interest to demographers sociologists and others Over 100 authors present population subjects in ways that provoke thinking and lead to the creation of new perspectives not just facts and equations to be memorized The articles follow a theory methods applications approach and so offer a kind of one stop shop that is well suited for students and professors who need non technical summaries such as political scientists public affairs specialists and others Unlike shorter handbooks *Demography Analysis and Synthesis* offers a long overdue thorough treatment of the field Choosing the analytical method that fits the data and the situation requires insights that the authors and editors of *Demography Analysis and Synthesis* have explored and developed This extended examination of demographic tools not only seeks to explain the analytical tools themselves but also the relationships between general population dynamics and their natural economic social political and cultural environments Limiting themselves to human populations only the authors and editors cover subjects that range from the core building blocks of population change fertility mortality and migration to the consequences of demographic changes in the biological and health fields population theories and doctrines observation systems and the teaching of demography The international perspectives brought to these subjects is vital for those who want an unbiased rounded overview of these complex multifaceted subjects Topics to be covered Population Dynamics and the Relationship Between Population Growth and Structure The Determinants of Fertility The Determinants of Mortality The Determinants of Migration Historical and Geographical Determinants of Population The Effects of Population on Health Economics Culture and the Environment Population Policies Data Collection Methods and Teaching about Population Studies All chapters share a common format Each chapter features several cross references to other chapters Tables charts and other non text features are widespread Each chapter contains at least 30 bibliographic citations Beyond Choice Alexander Sanger,2005-07-06 Thirty years after Roe v Wade the argument between pro choicers and pro lifers has reached stalemate Pro choice arguments haven't persuaded a comfortable majority that legal abortion is vital to our society nor addressed our moral qualms Younger people are less and less supportive of reproductive rights Since 1996 state legislatures have enacted nearly 300 pieces of anti choice legislation With Roe in jeopardy International Planned Parenthood Council Chair Alexander Sanger asks a simple but

heretical question How many more pieces of anti choice legislation will it take to get the pro choice movement to rethink its approach to the issue In *Beyond Choice* Sanger explores the history of the reproductive rights movement to discover how it got stuck in its thinking and then provides a convincing new argument for the moral rightness of its cause He shows why it is vital to the health and survival of the human race that couples be able to have children or not when they choose why reproductive rights are just as important to men as to women and why in an era of new reproductive technologies completely unfettered choice is not morally defensible *Beyond Choice* is inspiring and important reading for women s rights advocates opinion leaders medical ethicists and anyone concerned to preserve our freedom to reproduce or not without government intervention

*Global Perspectives on Women's Sexual and Reproductive Health Across the Lifecourse* Shonali Choudhury, Jennifer Toller Erausquin, Mellissa Withers, 2017-09-19 This expansive survey spotlights pervasive issues affecting girls and women s sexual and reproductive health across the lifecourse Research from diverse countries around the world analyzes the complex relationships among biological psychological sociocultural and economic issues particularly in terms of inequities as they shape women s lives Major challenges and possibilities for intervention are examined in their national context and with their global implications including child marriage motherhood reproductive care and access fertility childbearing contraception abortion HIV STIs gender based violence sexual pleasure and menopause In these forceful dispatches a consistent human rights perspective emphasizes women s control autonomy and agency in all stages of their lives A sampling of topics covered Girl child marriage a persistent global women s health and human rights violation Investigating challenges and resilience among women living with obstetric fistula in Kenya A qualitative exploration of mainstream and social media reflections on abortion A continuum of severity of sexual intimate partner violence among black women in the United States Economic empowerment to improve sexual and reproductive health among women and girls Summarizing an interdisciplinary field on research and practical levels *Global Perspectives on Women s Sexual and Reproductive Health Across the Lifecourse* will be an invaluable text for undergraduate and graduate courses in a wide range of fields including public health global health women s studies sociology anthropology gender studies and human rights **A**

**Bibliography of Islamic Criminal Law, Supplement** Olaf Köndgen, 2024-07-15 The present work supplements the original volume of *A Bibliography of Islamic Criminal Law* the most extensive bibliography on Islamic criminal law ever compiled Drawing on a multitude of sources online and offline this bibliography covers in its thematic section not only the classical crime categories of *ud d qi* and *ta z r* but also a large number of newly emerging and related fields In a second section dedicated to countries eras and institutions Olaf Köndgen comprehensively covers the historical and modern application of Islamic criminal law in all its forms Unlocking the richness of this sub field of Islamic law also with the help of two detailed indices this innovative reference work is highly relevant for all those researching Islamic law in general and the application of Islamic criminal law over time in particular *Advances in Sociology Research* Jared A. Jaworski, 2006 *Advances in*

Sociology Research presents original research results on the leading edge of sociology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum This volume focuses on ageing abortion and leadership

*Regulating Women* Sarah Cooper, 2016-02-17 A number of women's issues serve to create novel policy problems that require creative and sometimes unique regulatory and legal responses This book embarks upon a comparative case study approach to explore UK policymaking in the areas of abortion rape prostitution and pornography in turn Each chapter engages a different institutional perspective to explore the influence of a range of bodies such as the legal system medical profession civil society police force and mass media The analysis reveals a common thread that runs throughout decision making in these areas a constant balancing act between regulation that purports to protect women and regulation that supposedly reflects female liberation with a continual dance between the labels of criminal and victim being performed by policy actors Largely reflective of a dogmatic approach to the status of women it is argued that different institutions retain strongholds over policymaking in these domains prohibiting a joined up approach This has served to perpetuate harmful and negative stereotyping of women's issues and create countless conundrums when the activities of women fall into more than one policy category

Innovative Applications of Educational Technology Tools in Teaching and Learning Blessing Foluso Adeoye Ph.D., 2015-10-07 In this digital age technology has become a very vital factor of development in all disciplines Every day new software devices and other technologies are being developed to improve lives in one way or another Technology in its broadest terms could include the collection of tools machinery devices modifications arrangements and procedures used by humans However in the context of Educational Technology as presented in this book it is understood as technologies that have arrived with the Information Revolution i.e. those associated with computers and Information Communication Technology Examples of such technologies are electronics devices computer video collaborative writing tools social networking and the Internet Innovative applications of technology in the classroom mean more than teaching basic computer skills and software programs in the class It must happen across the disciplines and curriculum in ways that teaching and learning processes can be enhanced It must also support active engagement group participation local and global collaboration and interaction This book presents innovative applications of educational technology tools in teaching and learning across various disciplines

Wasted Wombs Erica van der Sijpt, 2018-03-27 Central to this book are Gbibil women's experiences with different reproductive interruptions miscarriages stillbirths child deaths induced abortions and infertility Rather than consider these events as inherently dissimilar as women do in Western countries the Gbibil women of eastern Cameroon see them all as instances of wasted wombs that leave their reproductive trajectories hanging in the balance The women must navigate this uncertainty while negotiating their social positions aspirations for the future and the current workings of their bodies Providing an intimate look into these processes *Wasted Wombs* shows how Gbibil women constantly shift their interpretations of when a pregnancy starts what it contains and what is lost in case of a reproductive

interruption in contrast to Western conceptions of fertility and loss Depending on the context and on their life aspirations be it marriage and motherhood or an educational trajectory and employment or profitable sexual affairs with so called big fish women negotiate and manipulate the meanings and effects of reproductive interruptions Paradoxically they often do so while portraying themselves as powerless Wasted Wombs carefully analyzes such tactics in relation to the various social predicaments that emerge around reproductive interruptions as well as the capricious workings of women s physical bodies

Sisters in Spirit Andreana C. Prichard,2017-05-01 In this pioneering study historian Andreana Prichard presents an intimate history of a single mission organization the Universities Mission to Central Africa UMCA told through the rich personal stories of a group of female African lay evangelists Founded by British Anglican missionaries in the 1860s the UMCA worked among refugees from the Indian Ocean slave trade on Zanzibar and among disparate communities on the adjacent Tanzanian mainland Prichard illustrates how the mission s unique theology and the demographics of its adherents produced cohorts of African Christian women who in the face of linguistic and cultural dissimilarity used the daily performance of a certain set of civilized Christian values and affective relationships to evangelize to new inquirers The UMCA s sisters in spirit ultimately forged a united spiritual community that spanned discontinuous mission stations across Tanzania and Zanzibar incorporated diverse ethnolinguistic communities and transcended generations Focusing on the emotional and personal dimensions of their lives and on the relationships of affective spirituality that grew up among them Prichard tells stories that are vital to our understanding of Tanzanian history the history of religion and Christian missions in Africa the development of cultural nationalisms and the intellectual histories of African women Global Perspectives on Social Issues

Rita James Simon,Howard Altstein,2003-01-01 Global Perspectives on Social Issues Marriage and Divorce examines the history of marriage and divorce and the role played by both institutions in the lives of citizens around the world using a broad range of detailed information and statistics from twenty five countries Topics such as social restrictions on marriage marriage and sexual identity property transference and child custody are discussed drawing on examples from a wide range of cultures **Contemporary Challenges to Human Rights Law** Richard Lang,Jack Clayton Thompson,Claire-Michelle Smyth,2020-04-30 This collection of essays highlights the many problems and challenges facing human rights law today Bringing together academics practitioners and NGOs it examines some of the contemporary challenges facing human rights law and practice in England Northern Ireland the Republic of Ireland France and America It is clear that we live in a time where human rights are in crisis A decade of austerity measures at the domestic regional and international levels evidently has had a detrimental effect on the protection of human rights Cuts to social spending have resulted a failing social welfare system a health service buckling under pressure unprecedented rises in homelessness and child poverty and the emergence of the working poor and zero hours contracts Austerity famine civil war oppressive governmental regimes and climate change have seen vast migrations resulting in a resurrection of far right wing ideology In the UK this is seen in what can only

be described as propaganda and scaremongering during the campaign for Brexit and in subsequent political elections evidenced by the increase in racially motivated hate crime within the UK The landscape of human rights is such that it has resulted in some beginning to question are human rights rights at all      **Social Problems in Global Perspective** Ronald M. Glassman, William H. Swatos, Jr., Barbara J. Denison, 2004-11 The global high tech economy has generated a technological and scientific productive miracle But along with the miracle has come problems This important book provides a detailed account of some of these problems

Eventually, you will enormously discover a additional experience and execution by spending more cash. still when? attain you take that you require to acquire those all needs in the same way as having significantly cash? Why dont you try to get something basic in the beginning? ## **Sociocultural And Political Aspects Of Abortion Global Perspectives Introduction**

In today's digital age, the availability of Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sociocultural And Political Aspects Of Abortion Global Perspectives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sociocultural And Political Aspects Of Abortion Global Perspectives books and manuals for download and embark on your journey of knowledge?

### **FAQs About Sociocultural And Political Aspects Of Abortion Global Perspectives Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociocultural And Political Aspects Of Abortion Global Perspectives is one of the best book in our library for free trial. We provide copy of Sociocultural And Political Aspects Of Abortion Global Perspectives in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sociocultural And Political Aspects Of Abortion Global Perspectives. Where to download Sociocultural And Political Aspects Of Abortion Global Perspectives online for free? Are you looking for Sociocultural And

Political Aspects Of Abortion Global Perspectives PDF? This is definitely going to save you time and cash in something you should think about.
