Sociological Snapshots Seeing Social Structure And Change In Everyday Life:

Sociological Snapshots Jack Levin, 1998-07-16 The Third Edition of the bestselling textbook *Sociological Snapshots* helps introductory sociology students see abstract but nonetheless basic sociological concepts Everyday experience is linked to sociological concepts and concerns thereby developing students ability to see and articulate abstractions and to analyze data about social reality *Sociological Snapshots 5* Jack Levin, 2008 A collection of short informal and contemporary essays that start students on the road to thinking sociologically *Sociological Snapshots 2* Jack Levin, 1996 Develop sociological imaginations *Sociological Snapshots 5* Jack Levin, 2008-06-11 A collection of short informal and contemporary essays that start students on the road to thinking sociologically *Sociology in Action* David S. Hachen, 2001 The book s objective is to help students develop a skill their ability to interpret and analyze situations sociologically Development of student skills and their sociological eyesight is facilitated through practice using decision cases relatively short problem centered narratives that promote critical thinking The book s structure promotes the progressive and incremental development of skills Each chapter in Part I begins with a case The body of each chapter introduces sociological ideas and concepts by using them to analyze the beginning case Each chapter concludes with another case so that students can practice the specific skills they have acquired in the chapter using the chapter s Sociological Eyesight Analysis Guide Part II contains additional cases providing more opportunities for students to practice their skills at interpreting situations sociologically and solving problems An instructor s manual is available to qualified adopters of *Sociology in Action* To read the Introduction to the instructor s manual or to view a Sample Course Outline click on Additional Materials in the left column under About This Book *The Riddles of Human Society* Conrad L. Kanagy, Donald B. Kraybill, 1999-01-27 Why are all U S Presidents white men Why does technology enchant us Why do some people commit suicide Why are sports so important to Americans How will the Internet change society Why do people do good This very teachable and short new introductory text explores these and other riddles to stir students sociological curiosity and promote active learning as the sure path toward mastering the fundamentals of the discipline Once again Pine Forge Press has done us Intro teachers a great service with *The Riddles of Human Society* The authors have produced a remarkable text designing it from the point of view of how students actually acquire sociological tools and imagination when reflecting on their social world It is written as a conversation with readers yet is organized with learning tools like chapter summaries discussion questions and an in text glossary It considers a broad range of topics from micro to macro levels thus uniquely blending the best of a shorter textbook and a monograph It will serve very well as a main text for introductory sociology courses I recommend it highly Stephen Sharkey Department of Social Science Alverno College ***Worlds of Difference*** Eleanor Palo Stoller, Rose Campbell Gibson, 2000 This collection of readings presents a variety of perspectives on ageing from different communities across the United States Native American Puerto Rican African American the elderly homeless white working class gay and Mexican amongst many others The

readings cover topics such as life course social and psychological contexts of ageing paid and unpaid activity the American family and health Expressing America George Ritzer,1995-02-09 The explosive growth of consumer credit as well as the shift from cash to plastic in societies throughout the world signals a transformation in social relations which is the focus of this book For student readers who know the world of credit cards all too well this is a great way to interest and educate them on the power of thinking sociologically *What is Society?* Earl R. Babbie,1994 The most difficult issue for teachers of introductory sociology is how to communicate to students the power of social structure and its relationship to individual human behaviour and experience In this provocative new work Babbie addresses the task helping to teach and to provoke the sociological imagination whilst also exploring what is produced and institutionalized through social interaction and organization **Criminal Justice** George S. Bridges,Joseph G. Weis,Robert D. Crutchfield,1996-02-22 This is a solid representation of criminological articles that are important to the discipline The important material from each article has been retained yet an undergraduate won't be overwhelmed The articles are germane and flow together a certain consistency in thought is presented to the student as opposed to interesting but often semi related articles This book is accessible and in several areas very enjoyable reading A L Marsteller Drury College Also by the Editors Crime Vol 1 and Juvenile Delinquency Vol 2 Why are these edited collections THE anthologies to use for teaching Criminal Justice Criminology or Juvenile Delinquency All volumes present the field accurately and completely to students and in a way that is understandable to undergraduates and therefore teachable All include rich collections of classic and contemporary articles all of which have been carefully edited so that students can master the material All volumes contain essays written by the Editors which provide the coherence and structure to the collections that undergraduate students need Questions for Discussion and Writing and well prepared indexes help to make these anthologies even more teachable All are edited by scholars who have the credentials and the undergraduate teaching experience to make this three volume set a particularly rich resource

Deciphering Violence Karen A. Cerulo,2023-04-28 In the current information age Americans are bombarded daily with stories and images portraying a rising tide of violence Drawing on media that includes television newspaper fiction film painting and photography as well as interviews and focus groups Karen Cerulo explores the ways in which individuals think about depict and evaluate violence Moving beyond typical studies that focus on violent story content *Deciphering Violence* decodes the role of story structure itself and how the sequencing of facts can systematically influence our moral judgements of violent acts The book identifies institutionalized forms of violent storytelling and raises new possibilities both for decreasing public tolerance of violence and increasing social control of the phenomenon **Sociological Snapshots 4** Jack Levin,2004-01-29 When it comes to Sociology seeing is indeed believing In *Sociological Snapshots 4 Seeing Social Structure and Change in Everyday Life* Jack Levin bridges the gap between sociological theorizing and everyday experiences by developing students ability to see sociology via snapshots of culture and social structure Unlike other basic readers this book contains a set of informal essays with topics ranging from elevator culture to domestic terrorism from fads to the Washington D C snipers In a simple and entertaining style this book continues to link everyday experiences to foundational concepts and concerns and analyze data about social reality **Disability Studies** Colin Cameron,2013-11-12 This textbook brings together a wide range of expert voices from the field of disability studies and the disabled people s movement to tackle the essential topics relevant to this area of study From the outset disability is discussed from a social model perspective demonstrating how future practice and discourse could break down barriers and lead to more equal relationships for disabled people in everyday life An interdisciplinary and broad ranging text the book includes 50 chapters on topics relevant across health and social care Reflective questions and suggestions for further reading throughout will help readers gain a critical appreciation of the subject and expand their knowledge This will be valuable reading for students and professionals across disability studies health nursing social work social care social policy and sociology Understanding Human Resource Development Jim Stewart,Jim McGoldrick,Sandra Watson,2002 This text critically examines contemporary issues in the management of people The book reviews some of the significant themes that have shaped HRM as it has emerged during the course of the last century *Statistics and Data Analysis for Social Science* Eric J. Krieg,2019-07-11 Apply statistics to your everyday life *Statistics and Data Analysis for Social Science* helps students to build a strong foundational understanding of statistics by providing clarity around when and why statistics useful Rather than focusing on the how to of statistics author Eric J Krieg simplifies the complexity of statistical calculations by introducing only what is necessary to understanding each concept Every chapter is written around and applied to a different social problem or issues enabling students to broaden

their imagination about the statistical tools that can be used to make sense of our world and maybe to make the world a better place In addition to updating all the tables and examples with new data the Second Edition has replaced the section on SPSS with three new sets of exercises at the end of each chapter Chapter Exercises for students complete during their reading and bring questions to class In Class Exercises that focus on the areas that students struggled with during their reading and Homework Exercises that can be assigned if students need extra practice with the concepts *Contributions to Indian Sociology* ,1997 International Journal of Contemporary Sociology ,2004
