formed on the basis of the caricature we have come to associate with Poe the gloomy eyed grandfather of Goth hunched over a writing desk with a raven perched on one shoulder drunkenly scribbling his chilling masterpieces By debunking the myths of how he lived we come closer to understanding the real Poe and uncovering the truth behind his mysterious death as a new theory emerges that could prove the cause of Poe s death was haunting him all his life In a compelling dual timeline narrative alternating between Poe s increasingly desperate last months and his brief but impactful life Mark Dawidziak sheds new light on the enigmatic master of macabre *Solve the Mystery* A.
