worse than having no family at all is having a family that is out to hurt you That would all be bad enough for a normal 17 year old but it s even worse for Alec Graves A shape shifter s pack his family is the only thing stopping the other preternatural creatures out there from killing them Alec s pack isn t just neglectful he s pretty sure that his father wants him dead Alec is about to be sent to the front lines of a war between his people and everything else that goes bump in the night His only chance of survival is to convince everyone around him that he s the perfect soldier but there are lines that Alec won t cross not for any price Hunted The Perfect Weapon Adri Paige can visit people inside of their dreams where they are defenseless The Ultimate Spy Adri s power lets her ferret out anyone s secrets and even influence their waking actions The World s Biggest Prize Adri s power comes with a price Dark forces hunt her hoping to bend her gifts to their purposes The Real Problem Adri needs to make it through high school without letting anyone around her figure out her true capabilities all while crushing on a guy she knows is probably trouble Ambushed Adriana Paige has survived not one but two vampire attacks in less than twenty four hours and unless she s able to master her ability to share other people s dreams the attacks are only going to get worse Taggart has promised to train Adri but he s got even more enemies than she does and there s no guarantee that he ll be able to keep her from being caught in the crossfire More than anything else Adri wants to talk to shape shifter Alec Graves but he s gone strangely silent There s no way for Adri to know if that s because he s no longer interested in her or if it s simply because he s still on the run from his ruthless father Kaleb As enemies both new and old start closing in on Adri she s starting to worry that she might be forced into choosing between Taggart the man who saved her life and Alec the guy to whom she feels inexplicably connected

Publisher s Note Dean Murray s ongoing Reflection Series has been a stunning success with more than half a million copies in circulation and a rich complex world where choices right or wrong have real profound consequences Unsatisfied with the restrictions imposed on him by writing inside of the conventional series structure Dean has returned to Sanctuary and the characters so many fans have fallen in love with The Dark Reflections Series is an alternate timeline set in the same world and featuring many of the same characters as the Reflections Series but with a profoundly different backstory
