Some Days Its A Slow Walk To Evening:

A Beat Beyond Major Jackson, 2022-08-02 In this collection of essays interviews and notes Major Jackson reveals and revels in the work of poetry to not only limn and give access to the intellectual width and spiritual depth of poets but also to amplify the controversies and inner conflicts that define our age political unrest climate crises the fallout from bewildering traumas and the social function of the art itself Accessible and critically minded Jackson avoids pedantry and provisional judgments by returning to the poem as an unparalleled source of linguistic pleasure that structures a multilayered lyric self In his interviews Jackson illustrates poetry s distinct ability through metaphor and expressive language to mediate the inexplicable while foregrounding the possibilities of human song Collected over several decades these essays find Jackson praising mythmaking in Frank Bidart and Ai s poetry expressing bafflement at the silence of white identified poets in the cause of social and racial justice unearthing the politics behind Gwendolyn Brooks s Pulitzer Prize and marveling at the hallucinatory speed of thought in the poetry of a diverse range of poets including Mei Mei Berssenbrugge Brenda Hillman Afaa Weaver Forrest Gander and Terrance Hayes This collection passionately surveys the radical shifts of the art and notes poetry s ardor and cultural value as a necessity for a modern sensibility **Marvels of the New West** William M.

concepts conflicting in perspective These theological differences confirm that Islam and Christianity do not worship the same God For example the Quran teaches that Allah commanded angels to bow down to Adam at creation Satan refused and Allah banished him to the earth Qu 7 11 13 According to the Bible Yhwh would never command angels to bow down to man for only Yhwh is worthy of worship For an angel to bow down to man is idolatry I have observed many debates between Muslims and Christians Muslim debaters seldom stay on the agreed topic Instead they divert from the subject to ridicule and debase Christianity as foolishness I have found that while Muslims ask difficult questions of Christianity they never ask the same questions of Islam Islam and Christianity Contrasted will seek answers to those questions from the early Islamic sources and compare them with the teachings of the Bible The Quran early hadiths Islamic history and four established translations of the Bible will be consulted I hope that through Islam and Christianity Contrasted both Muslims and Christians will have a deeper understanding of one another s faith
