David Copperfield Charles Dickens,2015-05-19T04:55:01Z Like many of Dickens works *David Copperfield* was published serially then as a complete novel for the first time in 1850 Dickens himself thought of it as his favorite novel writing in the preface that of all his works *Copperfield* was his favorite child This isn't surprising considering that many of the events in the novel are semi autobiographical accounts from Dickens own life In *David Copperfield* we follow the life of the titular character as he makes a life for himself in England He finds himself in the care of a cold stepfather who sends him to boarding school and from there embarks on a journey filled with characters and events that can only be called Dickensian in their colorful and just barely probable portrayals This book is part of the
