Someone No One:

Someone, No One Kenelm Burridge, 2015-03-08 Examining the concept of individuality and the ideology of individualism in terms of a dialectic between the self and the social order the author draws a distinction between the person as an identity a someone who conforms to social roles and norms and the individual as a nonidentity a no one who holds particular nonconformist perceptions of truth that result in conscious and independent moral discrimination and innovation Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Someone's Story, No One's Tale Prashant Singh Thakur, 2021-07-19 What is that you can refer to as the greatest achievement in life when achieving something ushers the end Love is a strong and strange expression but is it enough when no togetherness is longed for A generational legend and his unheard story of overcoming a phase shrouded with a cloak of despair and self doubt Two destinies two dreams two heartbreaks two lives fighting to move forward two strangers Sometimes it is OK to break the rules and be selfish because people would know only what they are told Ever wondered why did the mightiest and knowledgeable of them surrendered it all to invite his own peril Six intriguing tales of passion sacrifice ambition and the unspoken perseverance needed to become a protagonist in one's own story

Integrity... When No One's Looking Marvin Soskil, 2022-05-04 We all have freedom of choice Nobody is telling you what you must do It is your conscience that you have to live with As we look around us these days do you notice how the world has changed We went from better to worse worse to horrific and we're heading from horrific to dread We can have the power to control situations only if we raise the levels of our own consciousness and get back to basics Remember when we wore white shirts and black ties for assembly When your parents told you to do something you didn't ask why you just did it When No One is Looking is about bringing Integrity back into our lives and being more conscious of decisions we make and actions we take which can make this a better world The most influential tool we have in your entire arsenal is your integrity Zig Zigler Only a person with integrity has the ability to command a long time respect and admiration young or old rich or poor It doesn't matter what you have now you can live with integrity and elegance and you can take utmost pride in that That is because integrity is something you decide to have It is a principle you chose to live by Each of us will someday be judged by our standard of life not by the standard of living by our measure of giving not by our measure of wealth by our simple goodness not by seeming
