*A Historical Survey of
Military Incompetence*

Geoffrey Regan

Someone Had Blundered a Historical Survey Of Military Incompetence

Joseph Roisman

Someone Had Blundered a Historical Survey Of Military Incompetence:

Someone Had Blundered- Geoffrey Regan, 1987 Krimkrigen Spansk Amerikanske krig 2 Verdenskrig Eden Anthony Nasser gypten 1956 1 Verdenskrig Atlanterhavskonvojerne Store Hærfærelse Store Slag og Kampe Balaclava Amerikanske Borgerkrig Fredericksburg Goose Green Jutland Narvik Pearl Harbor Somme Verdun Admiral Beatty Buckingham George Villiers General Burnside General Buller Chamberlain Neville Churchill Napoleon Percival A.E. General Lee Kitchener Admiral Jellicoe Hitler Earl of Essex General Grant Haig D. Earl of Leven Rommel Stopford H. Wellington **The General Demosthenes and His Use of Military Surprise** Joseph Roisman, 1993 The Athenian general Demosthenes who fought in the Peloponnesian war used surprise in all his military operations. Chiefly because of this reason he has sometimes been labeled as an original thinker if not a misunderstood genius. This study asks whether Demosthenes deserved the accolades that have characterized much of the modern studies of the general and his age. The investigation identifies what factors were responsible for Demosthenes' successes and failures and draws attention to the hitherto unnoticed contributors to the general's victories. The study points to Demosthenes' inclination to take great risks, his uncompromising belief in the effectiveness of surprise in war, and his readiness to ignore objective difficulties in pursuing his goals. In addition, Demosthenes' campaigns indicate a narrow perception of military problems, a tendency to give up rather easily when things were not going according to plan, and an inability to lead an orderly retreat. *Churchill, Master and Commander* Anthony Tucker-Jones, 2021-11-25 Masterful research, impeccable detail, with a beautifully flowing narrative of which Churchill himself would have been proud. Professor Peter Caddick Adams: From his earliest days Winston Churchill was an extreme risk taker, and he carried this into adulthood. Today he is widely hailed as Britain's greatest wartime leader and politician. Deep down, though, he was foremost a warlord. Just like his ally Stalin and his arch enemies Hitler and Mussolini, Churchill could not help himself and insisted on personally directing the strategic conduct of World War II. For better or worse, he insisted on being political master and military commander. Again like his wartime contemporaries, he had a habit of not heeding the advice of his generals. The results of this were disasters in Norway, North Africa, Greece, and Crete during 1940-41. His fruitless Dodecanese campaign in 1943 also ended in defeat. Churchill's pig-headedness over supporting the Italian campaign in defiance of the Riviera landings culminated in him threatening to resign and bring down the British Government. Yet on occasions he got it just right: his refusal to surrender in 1940, the British miracle at Dunkirk, and victory in the Battle of Britain showed that he was a much-needed decisive leader. Nor did he shy away from difficult decisions such as the destruction of the French Fleet to prevent it falling into German hands and his subsequent war against Vichy France. In this fascinating new book, acclaimed historian Anthony Tucker-Jones explores the record of Winston Churchill as a military commander, assessing how the military experiences of his formative years shaped him for the difficult military decisions he took in office. This book assesses his choices in some of the most controversial and high-profile campaigns of World War II and how, in high office, his decision

making was both right and wrong The Art of War Tzu Sun, Anthony Tucker-Jones, 2019-04-04 A new illustrated edition of Sun Tzu's classic ancient Chinese meditation on military strategy and human psychology with a new commentary that highlight its continued relevance for modern readers Poetic and immensely readable The Art of War was written 2 500 years ago and the military manual is still relevant today A fascinating historical document that sheds light on ancient warfare it is also a profound meditation on human psychology interrogating the subjects of leadership self discipline and self awareness This new edition of the classic work is specially designed for modern readers It includes an insightful introduction to the historical and philosophical context and is accompanied by explanation and analysis of how Sun Tzu's lessons have been applied in some of the world's most famous battles Renowned strategists from Field Marshal Montgomery to General Schwarzkopf have cited the book as an inspiration The ancient text attributed to Sun Tzu is divided into 13 chapters that provide a logical and strategic approach to conflict and competition Each focuses on a different aspect of warfare including the importance of planning managing your forces decision making knowing your strengths and weaknesses the art of deception and understanding the power of information This edition featuring more than 28 evocative photographs offers a new perspective on a classic work and enables new generations to discover The Art of War and find new applications for the wisdom of Sun Tzu

Sex and War Malcolm Potts, Thomas Hayden, 2010-02-02 As news of war and terror dominates the headlines scientist Malcolm Potts and veteran journalist Thomas Hayden take a step back to explain it all In the spirit of Guns Germs and Steel Sex and War asks the basic questions Why is war so fundamental to our species And what can we do about it Malcolm Potts explores these questions from the frontlines as a witness to war torn countries around the world As a scientist and obstetrician Potts has worked with governments and aid organizations globally and in the trenches with women who have been raped and brutalized in the course of war Combining their own experience with scientific findings in primatology genetics and anthropology Potts and Hayden explain war's pivotal position in the human experience and how men in particular evolved under conditions that favored gang behavior rape and organized aggression Drawing on these new insights they propose a rational plan for making warfare less frequent and less brutal in the future Anyone interested in understanding human nature warfare and terrorism at their most fundamental levels will find Sex and War to be an illuminating work and one that might change the way they see the world

The China-Burma-India Campaign, 1931-1945 Eugene L. Rasor, 1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters

diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations In the Shadow of Isandlwana John

Laband,Ian,2023-10-12 Lord Chelmsford is not a bad man He is industrious and conscientious so far as his lights guide him But nature has refused to him the qualities of a great captain He has suffered much and is entitled to certain commiseration Thomas Gibson Bowles Vanity Fair General Lord Chelmsford s military career took him around the world he served in the Crimean War the Indian Mutiny and the Abyssinian Expedition before commanding the British invasion of the Zulu Kingdom in South Africa In January 1879 disaster struck when Chelmsford divided his forces at Isandlwana in the face of the enemy and the Zulu overwhelmed his camp killing more than 1 300 of its defenders Such a defeat was almost unprecedented in a Victorian colonial campaign Despite Chelmsford s later victories at Gingindlovu and Ulundi he was humiliatingly relieved of his command His responsibility for Isandlwana dogged him for the rest of his days and he would forever be associated with this historic defeat In this comprehensive new biography Anglo Zulu War specialist John Laband explores the personal character and military career of Lord Chelmsford providing a well rounded well balanced and well informed picture of this complex military figure

Arab and Israeli Terrorism Kameel B. Nasr,2007-05-07 Historically terrorism has generally failed as a means to reach a political objective Most often terrorist incidents have brought fear to the civilian sector but only served to harden the attitudes of governments Despite this indiscriminate anticivilian violence steadily increased in the last half century particularly in the Middle East This work provides an historical overview of terrorism in the region focusing on specific guerrilla actions The hijackings of the 1960s the Black September attack during the 1972 Munich Olympics and the rise of Abu Nidal are all covered thoroughly as are many other groups and incidents in the Middle East The ineffectiveness of counter terrorism showing how it often precipitates the rise of small terrorist cliques is also covered Particular attention is given to Israel s response to terrorism and the effect of terrorism on the country s development and national psyche

War Planning 1914 Richard F. Hamilton,Holger H. Herwig,2010 This collection of essays by international experts in military history reassesses the war plans of 1914 in a broad diplomatic military and political setting **America's New Empire**

Richard F. Hamilton,2017-07-05 In this volume Hamilton deals with some of the antecedents and the outcome of the Spanish American war specifically the acquisition of an American empire It critiques the progressive view of those events questioning the notion that businessmen and compliant politicians aggressively sought new markets particularly those of Asia Hamilton shows that United States exports continued to go predominantly to the major European nations The progressive tradition has focused on empire specifically on the Philippines depicted as a stepping stone to the China market Hamilton shows that the Asian market remained minuscule in the following decades and that other historical works have neglected the most important change in the nation s trade pattern the growth of the Canada market which two decades after the 1898 war

became the United States largest foreign market The book begins with a review and criticism of the basic assumptions of the progressive framework These are first that the nation is ruled by big business political leaders being compliant co workers Second that those businessmen are zealous profit seekers And third that they are well informed rational decision makers A further underlying assumption is that the economy was not functioning well in the 1890s and that a need for new markets was recognized as an urgent necessity so that big business accordingly demanded world power and empire Each of these assumptions pivotal elements in the dominant progressive tradition in historical writing is challenged with an alternative viewpoint presented Hamilton presents a different more complex view of the events following the Spanish American War The class dominance theory is not supported The alternative argued here elitism proves appropriate and more useful This review and assessment of arguments about American expansion in the 1890s adds much to the literature of the period

Overconfidence and War Dominic D. P. Johnson, 2009-07-01 Johnson argues that states are no more rational than people who are susceptible to exaggerated ideas of their virtue of the scope of their control and of the future By looking at such positive illusions in evolutionary biology psychology and politics of international conflict this book offers compelling insights into why states wage war Tokens of Power Ann Hironaka, 2017-03-06 War presents a curious paradox Interstate war is arguably the most carefully planned endeavor by states yet military history is filled with disasters and blunders of monumental proportions These anomalies happen because most military history presumes that states are pursuing optimal strategies in a competitive environment This book offers an alternative narrative in which the pillars of military planning evaluations of power strategy and interests are theorized as social constructions rather than simple material realities States may be fighting wars primarily to gain or maintain power yet in any given historical era such pursuits serve only to propel competition they do not ensure military success in subsequent generations Allowing states to embark on hapless military ventures is fraught with risks while the rewards are few Early Modern English Lives Ronald Bedford, Lloyd Davis, Philippa Kelly, 2016-12-05 How did early modern English people write about themselves and how do we listen to their voices four centuries later The authors of *Early Modern English Lives* *Autobiography and Self Representation 1500-1660* argue that identity is depicted through complex subtle and often contradictory social interactions and literary forms Diaries letters daily spiritual reckonings household journals travel journals accounts of warfare incidental meditations on the nature of time death and self reflection as well as life stories themselves these are just some of the texts that allow us to address the social and historical conditions that influenced early modern self writing The texts explored in *Early Modern English Lives* do not automatically speak to our familiar patterns of introspection and self inquiry Often formal highly metaphorical and emotionally restrained they are very different in both tone and purpose from the autobiographies that crowd bookshelves today Does the lack of emotional description suggest that complex emotions themselves in all the depth and variety that we now understand and expect of them are a relatively modern phenomenon This is one of the questions addressed by *Early*

Modern English Lives The authors bring to our attention the kinds of rhetorical and generic features of early modern self representation that can help us to appreciate people living four hundred years ago as the complicated composite figures they were people whose expression of identity involved an elaborate interplay of roles and discourses and for whom the notion of privacy itself was a wholly different phenomenon **The Oxford Handbook of British and Irish War Poetry** Tim Kendall, 2007-02-22 The Handbook ranges widely and in depth across 20th century war poetry incorporating detailed discussions of some of the key poets of the period It is an essential resource for scholars of particular poets and for those interested in wider debates Contributors include some of the most important international poetry critics of our time

British Naval History Since 1815 Eugene L. Rasor, 1990 A historiographical and bibliographical survey of the published literature of the naval and maritime history of Great Britain in modern times An annotation in narrative form includes evaluation and critical assessments integration of the various interpretations theses approaches and methodologies into the overall literature and suggestions for further research The bibliographical listing includes selected secondary materials official publications dissertations and important articles in Western languages published since 1960 Annotation copyrighted by Book News Inc Portland OR **On The Psychology Of Military Incompetence** M Dixon, Norman F Dixon, 2011-09-30 This unique and penetrating book surveys 100 years of military inefficiency from the Crimean War through the Boer conflict to the disastrous campaigns of the First World War and the calamities of the Second It examines the social psychology of military organizations provides case studies of individual commanders and identifies an alarming pattern in the causes of military disaster Absorbing and original this is the definitive history of military failures *Historia de la incompetencia militar* Geoffrey Regan, 2001-04-07 Son muchos los libros que celebran las victorias de los genios militares y muy pocos los que se ocupan de la pl tora de est pidos guerreros que vistiendo los uniformes de todas las naciones y al frente de ej rcitos flotas y fuerzas a reas han enviado a centenares de miles de hombres a morir innecesariamente por culpa de su incompetencia En este libro el historiador militar Geoffrey Regan traza el estremecedor cuadro de un fen meno recurrente a lo largo de la historia y disecciona los diversos aspectos de la ineptitud marcial falta de preparaci n de los altos mandos exceso de confianza errores de intendencia escasa informaci n o inherencia de pol ticos ambiciosos que han causado p rdidas humanas y materiales sin cuento Desde la expedici n brit nica a C diz hasta la guerra de Suez pasando por los desastres de las Lomas de San Juan o de Annual este libro nos ofrece la otra cara de un estamento injustamente ensalzado en todas las historias patrias **A Traveller's History of Russia and the USSR** Peter Neville, 1997 The Traveller s History series is designed for travellers who want more historical background on the country they are visiting than can be found in a tour guide Each volume offers a complete and authoritative history of the country from the earliest times up to the present A Gazetteer cross referenced to the main text pin points the historical importance of sights and towns Illustrated with maps and line drawings this literate and lively series makes ideal before you go reading and is just as handy tucked into suitcase or

backpack A Traveller s History of Russia gives a comprehensive survey of that country s past from the earliest times up to the era of perestroika and the end of the Soviet Union its devolution into 15 separate republics the tragedy of the Chechen War right through to the present The British Library General Catalogue of Printed Books, 1986 to 1987 British Library,1988

Someone Had Blundereda Historical Survey Of Military Incompetence Introduction

In today's digital age, the availability of Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Someone Had Blundereda Historical Survey Of Military Incompetence versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Someone Had Blundereda Historical Survey Of Military Incompetence books and manuals for download and embark on your journey of knowledge?

FAQs About Someone Had Blundereda Historical Survey Of Military Incompetence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Someone Had Blundereda Historical Survey Of Military Incompetence is one of the best book in our library for free trial. We provide copy of Someone Had Blundereda Historical Survey Of Military Incompetence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Someone Had Blundereda Historical Survey Of Military Incompetence. Where to download Someone Had Blundereda Historical Survey Of Military Incompetence online for free? Are you looking for Someone Had Blundereda Historical Survey Of Military Incompetence PDF? This is definitely going to save you time and cash in something you should think about.
