## **Something Else Yearbook 1974:**

*Something Else Yearbook*, 1974      **Something Else Press** Peter Frank, 1983 Recounts the history of the Something Else Press a small publishing house founded by Richard Higgins in 1964 that was devoted to producing artists books integral artworks designed for publication and distribution in traditional book formats Describes the circumstances and details of each item published by the Something Else Press      *Sound Art* Thom Holmes, 2022-04-27 Sound Art offers the first comprehensive introduction to sound art written for undergraduate students Bridging and blending aspects of the visual and sonic arts modern sound art first emerged in the early 20th century and has grown into a thriving and varied field In 13 thematic chapters this book enables students to clearly grasp both the concepts behind this unique area of art and its history and practice Each chapter begins with an exploration of key ideas and theories followed by an in depth discussion of selected relevant works both classic and current Drawing on a broad diverse range of examples and firmly interdisciplinary this book will be essential reading for anyone studying or teaching the theory history appreciation or practice of sound art      Critical Vices Nicholas Zurbrugg, Warren Burt, 2005-07-15 First published in 2000 Routledge is an imprint of Taylor Francis an informa company      *Drugs and the "Beats"* John Long, 2005 In this fascinating and informative exploration of the relationship between drugs and literature the reader will discover the lives and writings of three celebrated beat writers Jack Kerouac Allen Ginsberg and William S Burroughs In examining the drugs they used and the consequent effects on how they lived what they wrote about and how they wrote the author offers an intriguing study of the role of drugs in the creative process No literary movement had ever explored such a variety of drugs heroin morphine alcohol amphetamines marijuana LSD etc with such such intensity as these three iconic writers As precursors to and models for a whole generation of flower children they had a profound impact not only in literature but on the whole of society      *Detroit: I Do Mind Dying* Marvin Surkin, Dan Georgakas, 2022-02-17 Detroit I Do Mind Dying tracks the extraordinary development of the Dodge Revolutionary Union Movement and the League of Revolutionary Black Workers as they became two of the landmark political organizations of the 1960s and 1970s It is widely heralded as one the most important books on the black liberation movement Marvin Surkin received his PhD in political science from New York University and is a specialist in comparative urban politics and social change He worked at the center of the League of Revolutionary Black Workers in Detroit Dan Georgakas is a writer historian and activist with a long time interest in social movements He is the author of *My Detroit Growing up Greek and American in Motor City*      **Sound Art Revisited** Alan Licht, 2019-08-22 The first edition of Sound Art Revisited published as Sound Art Beyond Music Between Categories served as a groundbreaking work toward defining this emerging field and this fully updated volume significantly expands the story to include current research since the book s initial release Viewed through a lens of music and art histories rather than philosophical theory it covers dozens of artists and works not found in any other book on the subject Locating sound art s roots across the centuries from spatialized church music to the

technological developments of radio sound recording and the telephone the book traces the evolution of sound installations and sound sculpture the rise of sound art exhibitions and galleries and finally looks at the critical cross pollination that marks some of the most important and challenging art with and about sound being produced today Action Art John Gray,1993-05-30 This comprehensive international bibliography is the first to attempt documentation of this diverse field covering the history of Artist s Performance It focuses on its early twentieth century antecedents in such movements as Futurism Dada Russian Constructivism and the Bauhaus as well as its peak period in the 1950s 1960s and 1970s with such developments as Gutai Fluxus Viennese Actionism Situationism and Guerrilla Art Action Major emphasis is also given to sources on 115 individual performance artists and groups More than 3700 entries document print and media materials dating from 1914 to 1992 Organized for maximum accessibility the sources are also extensively cross referenced and are indexed by artist subject title and author Three appendices identify reference works libraries and archives and addenda material not found in the book text and two others list artists by country and by group or collective Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1975 **Organized Miracles** James Tull Richardson,Mary White Stewart,Robert B. Simmonds, Excellent study which moves back and forth between theory and empirical observations It looks at religious groups from several different theoretical positions as well as raises a number of significant issues about the conduct of eld research Russell R Dynes American Sociological Association *Man, a Geomorphological Agent* D. Nir,1983-07-31 **Allocation of Energy Sources to the Travel and Tourism Industry** United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Subcommittee on Merchant Marine and Tourism,1979 **Alcohol-impaired Driver Act** United States. Congress. Senate. Committee on Commerce, Science, and Transportation. Committee on Commerce, Science, and Transportation,1980 **Monthly Catalog of United States Government Publications** ,1977-07 **Criminal Justice in Hong Kong** Carol Jones,Jon Vagg,2017-09-29 Containing a wealth of archival material and statistical data on crime and criminal justice Criminal Justice in Hong Kong presents a detailed evaluation of Hong Kong s criminal justice system both past and present Exploring the justice system and the perceptions of popular culture this book demonstrates how the current criminal justice system has been influenced and shaped over time by Hong Kong s historical position between East and West Jones and Vagg s examination of the justice system not only takes into account geographical changes like the erection of the border with communist China in 1950 but also insists that any deep understanding of the current system requires a dialogue with the rich and complex narratives of Hong Kong s history It explores a range of questions including How were Hong Kong s criminal justice institutions and practices formed What has been its experience of law and order How has Hong Kong s status as between East and West affected its social political and legal institutions Careful and detailed this analysis of one of the most

economically successful politically stable and safe yet frequently misrepresented cities is a valuable addition to the bookshelves of all undergraduate and postgraduate students studying Asian law      **Monthly Catalogue, United States Public Documents** ,1977-07      Between Resistance and Martyrdom Detlef Garbe,2008 Privatization the transfer of responsibility for public services from the public to the private sector currently evokes intense interest from policy makers To its advocates privatization conjures up visions of a lean streamlined public sector reliant upon the private marketplace for the delivery of public services To opponents it conjures up visions of a beleaguered government bureaucracy ceding vital public services to unreliable entrepreneurs At best privatization can reduce the costs of government and introduce new possibilities for the better delivery of services At worst it may undermine equity quality and accountability In Privatization and Its Alternatives distinguished scholars from several social science disciplines evaluate privatization efforts in the United States and abroad and at different levels of government federal state and local They look primarily at three important policy areas education housing and law enforcement that sharply illustrate the dilemmas facing policy makers as the debate about privatization shifts from the delivery of hard services such as refuse collection to human services Contributors have very different perspectives some are enthusiastic about privatization others are very skeptical indeed None of these papers has been published elsewhere the volume developed from a 1987 conference on privatization sponsored by the La Follette Institute of Public Affairs at the University of Wisconsin Madison A particular strength of this collection lies in its consideration of alternative forms of service delivery The privatization of public housing for instance may involve subsidies to the poor vouchers tenant management a hybrid form of privatization or outright sale How and how well have such policies worked Examples from other countries may prove especially enlightening the English sale of public housing to tenants is one of the largest asset sales in the entire privatization movement Australia has experimented with public subsidies to private schools and Japan has experimented with the privatization of law enforcement and corrections These issues are the subject of lively public debate in the United States today and are discussed at length in this volume Thus Privatization and Its Alternatives speaks not only to scholars of public policy but also to a wide range of practitioner who must decide whether or how to privatize      The New Economics Of The Less Developed Countries Nake Kamrany,2019-07-11 After a quarter century of experimentation with economic development in the poorer countries the disarray and in some cases the calamitous results are so obvious that a fresh look at and reexamination of traditional assumptions methodologies theories and policies is needed The contributors to this volume explore with supporting theoretical frameworks and empirical evidence the new perceptions concerning the development of the poor countries providing clear and sophisticated treatments of North South bargaining commodity power indexation the theory of power and the international distribution of rights and resources and the effectiveness of international organizations as vehicles for conflict resolution The authors discuss the position and prospects of the non oil producing less developed countries focusing on measurements of the quality of life in

these countries growth and income distribution policies and the effectiveness of public expenditures to enhance social welfare

**The NFL in the 1970s** Joe Zagorski, 2016-07-08 The 1970 merger between the American Football League and the National Football League laid the foundation for a stronger brand of gridiron competition providing a new level of excitement for fans This book examines each year of the NFL s pivotal decade in detail covering the great names great rivalries and great games as well as the key changes in both strategy and rules Along the way the author explains how pro football developed into a near religious American tradition
