Something In Common And Other Stories:

Something in Common and Other Stories Langston Hughes, 1973 *The Turn of the Screw and Other Stories* Henry James, 2008-04-17 A young inexperienced governess is charged with the care of Miles and Flora two small children abandoned by their uncle at his grand country house She sees the figure of an unknown man on the tower and his face at the window It is Peter Quint the master's dissolute valet and he has come for little Miles But Peter Quint is dead Like the other tales collected here Sir Edmund Orme Owen Wingrave and The Friends of the Friends The Turn of the Screw is to all immediate appearances a ghost story But are the appearances what they seem Is what appears to the governess a ghost or a hallucination Who else sees what she sees The reader may wonder whether the children are victims of corruption from beyond the grave or victims of the governess's infernal imagination which torments but also entrals her The Turn of the Screw is probably the most famous certainly the most eerily equivocal of all ghostly tales Is it a subtle self-conscious exploration of the haunted house of Victorian culture filled with echoes of sexual and social unease Or is it simply the most hopelessly evil story that we have ever read The texts are those of the New York Edition with a new Introduction and Notes ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **Within the Tides & Typhoon and Other Stories** Conrad J., Joseph Conrad was a Polish British writer regarded as one of the greatest novelists to write in the English language Written at various times under various influences these short stories are linked by Conrad's treatment of loyalty and betrayal Typhoon is the story of one unremarkable steamship captain pitted against a storm of incredible fury Captain MacWhirr has a reputation as a solid steadfast man who having just enough imagination to carry him through each successive day and no more cannot fully believe any storm would be a match for his powerful ship When the barometer and other clues begin to hint at trouble ahead he is only moderately concerned and unwilling to change course and lose precious time a decision that may prove more costly than he could ever have imagined The tone of other stories in the volume shifts from the pathos of *Because of the Dollars* to the gothic *The Inn of the Two Witches* and the grim humour of *The Partner* **Jump and Other Stories** Nadine Gordimer, 2012-03-15 In this collection of sixteen stories Gordimer brings unforgettable characters from every corner of society to life a child refugee fleeing civil war in Mozambique a black activist's deserted wife longing for better times a rich safari party indulging themselves while lionesses circle their lodge Jump is a vivid disturbing and rewarding portrait of life in South Africa under apartheid **The Exiles and Other Stories** Richard Harding Davis, 1916 **The Door in the Wall, and Other Stories** H. G. Wells, 2019-11-20 In *The Door in the Wall and Other Stories* H G Wells masterfully weaves a collection of short narratives that delve into the realms of speculative fiction and philosophical inquiry

The titular story explores the haunting allure of an imagined utopia a metaphorical garden representing the escape from the harsh realities of life Wells characteristic narrative style combines vivid imagery and thought provoking prose inviting readers to grapple with moral dilemmas and the nature of human desire Set against the backdrop of the early 20th century these stories reflect the anxieties and aspirations of a rapidly changing world exploring themes of time technology and existential yearning through imaginative yet accessible storytelling H G Wells often hailed as the father of science fiction was deeply influenced by the tumultuous sociopolitical landscape of his time particularly the rise of industrialization and the advent of modernity His own experiences with class struggle combined with a fervent interest in the possibilities of science and its ethical implications provided fertile ground for the exploration of human nature in his works Wells innovative approach to narrative structures and thematic depth positioned him as a pivotal figure in the literary modernist movement

The Door in the Wall and Other Stories is a must read for those interested in the intersections of fiction and philosophy Wells invites readers to consider profound questions about existence love and loss making this collection not merely a narrative experience but a catalyst for reflection Engaging and thought provoking this book will resonate with fans of both classic literature and contemporary discussions about the human condition

The Door in the Wall and Other Stories Herbert George Wells, 2005-01-01 The re publishing in paperback of a collection of short stories by the man often referred to as the father of modern science fiction H G Wells

Gallegher and Other Stories Richard Harding Davis, 2006-07 We had had so many office boys before Gallegher came among us that they had begun to lose the characteristics of individuals and became merged in a composite photograph of small boys to whom we applied the generic title of Here you or You boy We had had sleepy boys and lazy boys and bright smart boys who became so familiar on so short an acquaintance that we were forced to part with them to save our own self respect They generally graduated into district messenger boys and occasionally returned to us in blue coats with nickel plated buttons and patronized us

Lord Arthur Savile's Crime, And Other Stories Oscar Wilde, 2021-10-15 Lord Arthur Savile s Crime And Other Stories Oscar Wilde Lord Arthur Saviles Crime And Other Stories is a collection of short semi comic mystery stories that were written by Oscar Wilde and published in 1891 This story was first published in The Court and Society Review in late 1887 The main character Lord Arthur Savile is introduced by Lady Windermere to Mr Septimus R Podgers a chiromantist who reads his palm and tells him that it is his destiny to be a murderer Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder His first attempted murder victim is his elderly Aunt Clementina who suffers from heartburn Pretending it is medicine Lord Arthur gives her a capsule of poison

The Country of the Blind, and 32 Other Stories (The original unabridged edition) H. G. Wells, 2023-12-05 H G Wells s anthology The Country of the Blind and 32 Other Stories showcases the author s pioneering contributions to science fiction and speculative literature weaving narratives that challenge the boundaries of perception and reality Through a plethora of imaginative tales Wells explores themes of social evolution technological advancement and

human psychology often featuring characters who confront extraordinary circumstances that illuminate the quirks of human nature Stylistically Wells employs a blend of vivid prose and philosophical inquiry intriguing readers with not only engrossing plots but also profound moral questions rooted in the early 20th century context of rapid industrialization and societal change H G Wells often hailed as the father of science fiction was born in 1866 in England during a transformative era marked by scientific discovery and class struggles His background as a science teacher and his experiences with the Industrial Revolution deeply influenced his writing prompting him to engage critically with the promises and perils of modernity The juxtaposition of utopian and dystopian visions in his works reflects a profound concern for humanity's moral compass in the face of relentless progress This collection is an essential read for any lover of speculative fiction or those interested in the philosophical implications of technological change Wells's masterful storytelling invites readers to reflect on timeless questions about sight understanding and the human condition making it a thought provoking journey well worth embarking upon
