Something More Than Night:

Something More Than Night Kim Newman, 2021-11-02 With his signature wit the award winning author of *Anno Dracula* Kim Newman reimagines the lives of Raymond Chandler and Boris Karloff in this daring and horrifying tale If more mysteries were written like this I'd read more mysteries Grady Hendrix author of *The Final Girl Support Group* Hollywood the late 1930s Raymond Chandler writes detective stories for pulp magazines and drinks more than he should Boris Karloff plays monsters in the movies Together they investigate mysterious matters in a town run by human and inhuman monsters Joh Devlin an investigator for the DA's office who scores high on insubordination enlists the pair to work a case that threatens to expose Hollywood's most horrific secrets Together they will find out more than they should about the way this town works And about each other And oh yes monsters aren't just for the movies

Something More Than Night Peter Wolfe, 1985 Raymond Chandler's eminence as a mystery writer is unchallenged Somerset Maugham and George Grella both rate him above Dashiell Hammett Eric Partridge deems him a serious artist and a very considerable novelist while praising him as one of the finest novelists of his time Peter Wolfe examines the many sides of Chandler and his work his apparent will to self destruct his obsession with beautiful women and his apparent brush with homosexuality and casts much new and needed light on this major American author

Something More Than Night Ian Tregillis, 2013-12-03 Ian Tregillis's *Something More Than Night* is a Dashiell Hammett and Raymond Chandler inspired murder mystery set in Thomas Aquinas's vision of Heaven It's a noir detective story starring fallen angels the heavenly choir nightclub stigmatics a priest with a dirty secret a femme fatale and the Voice of God Somebody has murdered the angel Gabriel Worse the Jericho Trumpet has gone missing putting Heaven on the brink of a truly cosmic crisis But the twisty plot that unfolds from the murder investigation leads to something much bigger a con job one billion years in the making Because this is no mere murder A small band of angels has decided to break out of heaven but they need a human patsy to make their plan work Much of the story is told from the point of view of Bayliss a cynical fallen angel who has modeled himself on Philip Marlowe The yarn he spins follows the progression of a Marlowe novel the mysterious dame who needs his help getting grilled by the bulls finding a stiff getting slipped a mickey Angels and gunsels dames with eyes like fire and a grand maguffin *Something More Than Night* is a murder mystery for the cosmos A Kirkus Reviews Best Fiction Book of 2013 At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

The Cinematic City David B. Clarke, 1997 *The Cinematic City* offers an innovative and thought provoking insight into cityscape and screenscape and their inter connection Illustrated throughout with movie stills a diverse selection of films from *Bladerunner* to *Little Caesar* genres cities and historical periods are examined by leading names in the field The key dimensions of film and urban theory are introduced before detailed analysis of the various cinematic forms which relate most significantly to the city From early cinema and documentary film to film noir New Wave and postmodern cinema the contributors provide a wealth of empirical material and illustration whilst drawing on

the theoretical insights of contemporary feminism Benjamin Baudrillard Foucault Lacan and others The Cinematic City shows how the city has been undeniably shaped by the cinematic form and how cinema owes much of its nature to the historical development of urban space Engaging with current theoretical debates this is a book that is set to change the way in which we think about both the nature of the city and film Contributors Giuliana Bruno Iain Chambers Marcus Doel David Clarke Anthony Easthope Elisabeth Mahoney Will Straw Stephen Ward John Gold James Hay Rob Lapsley Frank Krutnik **More Than Night** James Naremore,2008-01-14 Supplies the first study of film noir that achieves the sort of intellectual seriousness depth of research degree of critical insight and level of writing that this group of films deserves Tom Gunning Modernism and Modernity **Something More Than Night** Ian Tregillis,2013-12-03 A Dashiell Hammett and Raymond Chandler inspired murder mystery set in Thomas Aquinas's vision of Heaven a noir detective story starring fallen angels the heavenly choir nightclub stigmatics a priest with a dirty secret a femme fatale and the Voice of God **Cinema and Language Loss** Tijana Mamula,2013 Cinema and Language Loss provides the first sustained exploration of the relationship between linguistic displacement and visuality in the filmic realm examining in depth both its formal expressions and theoretical implications Combining insights from psychoanalysis philosophy and film theory the author argues that the move from one linguistic environment to another profoundly destabilizes the subject's relation to both language and reality resulting in the search for a substitute for language in vision itself a reversal as it were of speaking into seeing The dynamics of this shift are particularly evident in the works of many displaced filmmakers which often manifest a conflicted interaction between language and vision and through this question the signifying potential and the perceptual ambiguities of cinema itself In tracing the encounter between cinema and language loss across a wide range of films from Billy Wilder's Sunset Boulevard to Chantal Akerman's News from Home to Michael Haneke's Cach Mamula reevaluates the role of displacement in postwar Western film and makes an original contribution to film theory and philosophy based on a reconsideration of the place of language in our experience and understanding of cinema **A Darkness More Than Night** Michael Connelly,2001-01-23 LAPD Detective Harry Bosch crosses paths with FBI profiler Terry McCaleb while investigating the murder of a Hollywood actress Harry Bosch is up to his neck in a case that has transfixed all of celebrity mad Los Angeles a movie director is charged with murdering an actress during sex and then staging her death to make it look like a suicide Bosch is both the arresting officer and the star witness in a trial that has brought the Hollywood media pack out in full throated frenzy Meanwhile Terry McCaleb is enjoying an idyllic retirement on Catalina Island when a visit from an old colleague brings his former world rushing back It's a murder the unreadable kind of murder he specialized in solving back in his FBI days The investigation has stalled and the sheriff's office is asking McCaleb to take a quick look at the murder book to see if he turns up something they've missed McCaleb's first reading of the crime scene leads him to look for a methodical killer with a taste for rituals and revenge As his quick look accelerates into a full sprint investigation the two crimes his

murdered loner and Bosch's movie director begin to overlap strangely With one unsettling revelation after another they merge becoming one impossible terrifying case involving almost inconceivable calculation McCaleb believes he has unmasked the most frightening killer ever to cross his sights But his investigation tangles with Bosch's lines and the two men find themselves at odds in the most dangerous investigation of their lives *Tentacles Longer Than Night* Eugene Thacker, 2015-04-24 Our contemporary horror stories are written in a world where there seems little faith lost hope and no salvation All that remains is the fragmentary and occasionally lyrical testimony of the human being struggling to confront its lack of reason for being in the vast cosmos This is the terrain of the horror genre Eugene Thacker explores this situation in *Tentacles Longer Than Night* Extending the ideas presented in his book *In The Dust of This Planet* Thacker considers the relationship between philosophy and the horror genre But instead of taking fiction as the mere illustration of ideas Thacker reads horror stories as if they themselves were works of philosophy driven by a speculative urge to question human knowledge and the human centric view of the world ultimately leading to the limit of the human thought undermining itself in thought *Tentacles Longer Than Night* is the third volume of the *Horror of Philosophy* trilogy together with the first volume *In The Dust of This Planet* and the second volume *Starry Speculative Corpse* *Appleton's Magazine* ,1908 *Kappa Alpha Theta* ,1926 **The Gift of Sleep, by Bolton Hall ...** Bolton Hall,1911 *Ainslee's* ,1904 **The Contemporary Review** ,1918 *The Dial* ,1910 **The National Magazine** ,1897 **More Not at Night** Christine Campbell Thomson,1928 Shakespeare's A Midsummer Night's Dream William Shakespeare,1895 **Environment and Planning** ,2005 **Harper's New Monthly Magazine** ,1875
