angle of one who has been there and done that In other words I have been an ESL EIL student and an ESL EIL professor I still learn new things about English grammar on a daily basis There are so many rules out there but it is fun to continue to learn One should never stop learning period I have been teaching ESL EIL for over three decades I have always sympathized with my students as I have seen them struggle to gain command of the English language My background as an ESL EIL student and as an ESL EIL teacher hopefully has helped my students a great deal I have also learned a lot from my students Therefore this book is a compilation of what I have learned throughout the years first as a little girl as an ESL EIL student and now as an ESL EIL professor
