Something Wild:

New York Magazine, 1986-11-17 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

Urban Noir James J. Ward, Cynthia J. Miller, 2017-09-06 Film noir has always been associated with urban landscapes and no two cities have been represented more prominently in these films than New York and Los Angeles. In noir and neo noir films since the 1940s both cities are ominous locales where ruthless ambition, destructive impulses, and dashed hopes are played out against backdrops indifferent to human dramas. In *Urban Noir*, New York and Los Angeles in shadow and light, James J. Ward and Cynthia J. Miller have brought together essays by an international group of scholars that examine the dark appeal of these two cities. The essays in this volume explore aspects of the noir and neo noir cityscape that have been relatively unexamined, including the role of sound and movement through space, the distinctive character of certain neighborhoods and locales, and the importance of individual moments in time. Among the films discussed in this book are classic noirs *Double Indemnity* (1944), *He Walked by Night* (1948), and *Criss Cross* (1949), as well as neo noirs such as *Cotton Comes to Harlem* (1970), *Klute* (1971), *Taxi Driver* (1976), *Eyes of Laura Mars* (1978), *Cruising* (1980), *Alphabet City* (1984), *Devil in a Blue Dress* (1995), *Drive* (2011), *Rampart* (2011), and *Nightcrawler* (2014). Uniting these essays is a thematic orientation toward darkness, whether interpreted in atmospheric and architectural terms, in social and psychological terms, or in terms of disruptive change, economic dislocation, and real or perceived existential threats. Offering multiple new perspectives on a wide range of films, *Urban Noir* will be of interest to scholars of film, media, politics, sociology, history, and popular culture.

The New York Times Guide to the Best 1,000 Movies Ever Made Peter M. Nichols, 2004-02-21 From the film critics of *The New York Times* come these uncut original reviews of the most popular and influential movies ever made, from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz*, from timeless classics like *Casablanca* and *Notorious* to beloved foreign films by Truffaut and Kurosawa, Fellini and Almodóvar. The reviews, eloquent, incisive, and intuitive, reflect Hollywood history at its best, must-have reading for movie lovers or students. In addition, this essential volume includes full cast and production credits for every movie, the 10 Best lists for every year from 1931 to the present, an index of films by genre, and an index of foreign films by country of origin. This edition is thoroughly updated to include all the important movies of the past several years, as well as a new introduction by *A* *Times* film critic A. O. Scott.

There's No Going Back David M. Stewart, 2025-07-29 Jonathan Demme, one of the most influential and dynamic directors of the twentieth century, was a fearless and radical filmmaker, screenwriter, and producer, a compassionate artist, advocate, and humanist who was compelled to tell the stories of marginalized communities. His intense passion and appreciation of music, culture, and art were

interwoven throughout his life and extraordinary body of work *There's No Going Back* is the first complete biography of an auteur whose remarkable and versatile career encompassed acclaimed narratives documentaries and films spanning nearly five decades Best known for *Melvin and Howard* 1980 *The Silence of the Lambs* 1991 *Philadelphia* 1993 and *Beloved* 1998 Demme was an Oscar winning filmmaker with a recognizable style and voice He often used that voice to champion women's rights and amplify social and environmental justice issues Demme was also well regarded for the loyalty devotion and collegiality shown to the actors camera crew and technical staff he employed in his projects Cinephile and journalist David M Stewart affirms that Demme was more than just a quirky filmmaker or a product of 1970s New Hollywood he was ceaseless and earnest in his approach to capturing humanity in all its complexities Drawing from interviews with Demme's collaborators and colleagues Stewart presents the many facets of the filmmaker's life as seen through the eyes of those who were in his warm eclectic orbit *There's No Going Back* is a compelling and fitting tribute to the brilliance and breadth of the man behind the camera

Saving the Chimpanzee Katherine Eason,2026-01-01 The chimpanzee is a highly intelligent and fascinating creature However this awe inspiring animal is endangered Find out how scientists and conservationists around the world are working to help the chimp and ensure its survival Discover what kids on a mission are doing and how readers everywhere can make it their mission to save the chimp This book reveals the many threats chimps face from hunting to climate change and disease It also highlights other animals that live alongside chimps and explains why they re endangered Readers will uncover how scientists and conservationists study chimps and use their findings to better protect them An inspirational section at the end of the book shows readers what they can do to develop their passion for conservation and chimp protection and how they could build a future career in conservation too Saving the Chimpanzee will inspire every child to make it their mission to help this supersmart animal New York Magazine ,1986-11-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Bad Reputation Dave Thompson,2011-08-01 Bad Reputation is the unexpurgated story of Joan Jett the single most exciting rocker of the American 1980s one of the biggest selling acts of the age and one of punk rock s most valued elder statespeeps Through its pages a welter of exclusive interviews and observations paint what might well be the last great tale of rock hedonism but one that comes with a twist in its tail The rockers are women the groupies are guys It could have been the plot line for a movie or even a sitcom but the Runaways Jett s first band made it happen and Jett made it last The first serious female rocker of the 1980s Jett became the template for everyone that followed But unlike so many of her peers and counterparts she never lost her credibility never sold out and never gave up And she has backed her reputation up with genuine star power following the chart topping I Love Rock n Roll one of the most played 80s anthems of all time with Crimson and Clover Do You Wanna Touch Me and I Hate Myself for Loving You before the decade ended And while the 1990s saw Jett purposefully step away from the spotlight she remained and remains America s number one Queen of Noise *Boudica's Odyssey in Early Modern England* Samantha Frénée-Hutchins,2016-04-15 This diachronic study of Boudica serves as a sourcebook of references to Boudica in the early modern period and gives an overview of the ways in

which her story was processed and exploited by the different players of the times who wanted to give credence and support to their own belief systems The author examines the different apparatus of state ideology which processed the social religious and political representations of Boudica for public absorption and helped form the popular myth we have of Boudica today By exploring images of the Briton warrior queen across two reigns which witnessed an act of political union and a move from English female rule under Elizabeth I to British Scottish masculine rule under James VI I the author conducts a critical cartography of the ways in which gender colonialism and nationalism crystallised around this crucial historical figure Concentrating on the original transmission and reception of the ancient texts the author analyses the historical works of Hector Boece Raphael Holinshed and William Camden as well as the canonical literary figures of Edmund Spenser William Shakespeare and John Fletcher She also looks at aspects of other primary sources not covered in previous scholarship such as Humphrey Llwyd s Breuiary of Britayne 1573 Petruccio Ubaldini s Le Vite delle donne illustri del regno d Inghilterra e del regno di Scotia 1588 and Edmund Bolton s Nero Caesar 1624 Furthermore she incorporates archaeological research relating to Boudica

rambunctiousness salty humor and poetic imagination Independent on Sunday UK **Rape-Revenge Films** Alexandra Heller-Nicholas,2014-11-21 Often considered the lowest depth to which the cinema can plummet the rape revenge film has been dismissed as exploitative and sensational catering to a demented demographic Only on such rare occasions as Ingmar Bergman s The Virgin Spring John Boorman s Deliverance and Quentin Tarantino s Death Proof has the rape revenge movie transcended what is commonly assumed to be its intrinsically exploitative nature and moved into the mainstream This critical overview reassesses that viewpoint by exploring a variety of themes as well as the elements that this type of film has in common The author discusses an array of films directed by noteworthy directors from several countries demonstrating that diverse and often contradictory treatments of sexual violence can exist simultaneously

Camels Are Easy, Comedy's Hard Roy Blount,2013-12-10 DIVDIVAn eclectic collection from Roy Blount Jr master of American humor writing divDIV I ll tell you what kind of book I believe in one that makes people say at first sight what the first person who ever saw a camel must have said What in the world is that And then after a while Yet it seems to fit together some way divDIV In this laugh a minute assortment of essays travel writing poems and even the occasional crossword puzzle Roy Blount Jr covers sixty four different subjects all unified by his trademark humor Tan is a personal essay about Blount s lifelong battle with sometimes for and sometimes against that elusive summer glow Wild Fish

Ripped My Flesh chronicles his misadventures navigating the Amazon River And Lit Demystified Quickly is a tongue in cheek poem about larger than life literary figures such as James Joyce William Faulkner and Walt Whitman divDIV Camels Are Easy Comedy s Hard is a classic compendium of the wisecracks and wisdom for which Blount is renowned divDIV div div New York in Cinematic Imagination Vojislava Filipcevic Cordes,2020-06-11 New York in Cinematic Imagination is an interdisciplinary study into urbanism and cinematic representations of the American metropolis in the twentieth century It contextualizes spatial transformations and discourse about New York during the Great Depression and the Second World War examining both imaginary narratives and documentary images of the city in film The book argues that alternating endorsements and critiques of the 1920s machine age city are replaced in films of the 1930s and 1940s by a new critical theory of agitated urban modernity articulated against the backdrop of turbulent economic and social settings and the initial practices of urban renewal in the post war period Written for postgraduates and researchers in the fields of film history and urban studies with 40 black and white illustrations to work alongside the text this book is an engaging study into cinematic representations of New York City *In Far Off and Distant Times* Daniel B. Thomas,2021-08-31 In Far Off and Distant Times is a collection of material written by Daniel B Thomas before his death while recovering from open heart surgery His collection of writing illustrates his exceptional talent Although he never complained about his ailments they were pronounced and perhaps more serious than he realized It was often then Danny s intention to write material that would challenge the reader in ways that made people question their own biases This book s first section begins with the most developed and prominent piece in the collection Turn to Stone a Statue s Eye a novella which speaks to the reality of human greed and condemns selfishness The next section includes short stories that often touch on more complex and challenging themes To conclude the collection ends with a compilation of poems and songs Danny hoped to turn to music The themes vary in much of his poetry Psience Fiction Damien Broderick,2018-05-12 Science fiction has often been considered the literature of futuristic technology fantastic warfare among the stars or ruinous apocalypses on Earth The last century however saw through John W Campbell the introduction of psience fiction which explores such themes of mental powers as telepathy precognition of the future teleportation etc and symbolic machines that react to such forces The author surveys this long ignored literary shift through a series of influential novels and short stories published between the 1930s and the present This discussion is framed by the sudden surge of interest in parapsychology and its absorption not only into the SF genre but also into the real world through military experiments such as the Star Gate Program

Something Wild Introduction

In today's digital age, the availability of Something Wild books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Something Wild books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Something Wild books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Something Wild versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Something Wild books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Something Wild books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Something Wild books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Something Wild books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Something Wild books and manuals for download and embark on your journey of knowledge?
