K. Hodge,2023-02-03 During the peak of the COVID 19 pandemic there seemed to be turmoil and chaos everywhere I looked We were surrounded by illness death loss of jobs business closures political debacles and just for fun a couple of hurricanes and tornadoes Life was quite chaotic I began writing words of encouragement for myself and soon began sharing them on my blog page Each morning I would settle in at my huge kitchen table or out on my back deck and I prayed Give me a word Lord Every day God gave me a topical word and from that a devotional flowed from my keyboard The words were truly God inspired My sister and my husband challenged me to continue writing for 365 days and I accepted the challenge I thought I would run out of words but oh no not this wordy girl God designed this old girl and He gave me the gift of gab Through daily Bible reading research and writing of these devotionals I have grown closer in my walk with Christ and my good good God

calmed the chaos in my heart day after day I pray that you too will find solace in these words May you find calm in the chaos of life

Soul Woundedness Paul Houston Blankenship-Lai, 2024-11-05 A profound exploration into the spiritual beliefs and practices of Seattle's unhoused youth Soul Woundedness is an intimate piercing book about everyday life for young adults living on the streets of Seattle Based on over five years of research and as a participant observer Paul Houston Blankenship-Lai presents the personal experiences of street kids highlighting how their spiritual beliefs and practices offer them comfort a sense of community and a feeling of belonging amidst their struggles They also demonstrate how spirituality on the streets can alienate people from themselves and the world The stories Blankenship-Lai tells here are about how social wounds go soul-deep and how seemingly antireligious spiritual practices fashioned in an almost unlivable local world help people create a life still worth living By paying deep sustained attention to what spirituality is like on the streets and what difference it makes Blankenship-Lai uncovers an important overlooked dimension in the experience and
