

The background of the cover features a stack of old, worn books with leather and cloth covers. A black and white photograph is placed on top of the books, showing a landscape with a body of water and a distant shore. The text is overlaid on a dark, semi-transparent rectangular area in the upper half of the image.

Excerpt from *A Son of the Middle Border*: We did not overtake the soldier; that is evident for my next vision is that of a blue-coated figure leaning upon the fence, studying with intent gaze our empty cottage. I cannot even now precisely divine why he stood thus, sadly contemplating his silent home, but so it was. His knapsack lay at his feet, his musket was propped against a post on whose top a cat was dreaming unmindful of the warrior and his folded hands. A son of the Middle Border Hamlin Garland, 1966 **A Daughter of the Middle Border** Hamlin Garland, 2014-05-02
WITH the publication of his *A Daughter of the Middle Border*, Hamlin Garland completed his record of the vanished Middle West, which began with *A Son of the Middle Border* that appeared a few years earlier. The two books form an interesting and unique contribution to literature that is distinctly American, each complete in itself yet supplementing

the other in a cycle of pioneering incident As Hildegarde Hawthorne remarks in her review The better portions of the book are always those that have to do with the home in Wisconsin the home established for his mother in West Salem some thirty years after the family had left the little village to go pioneering across the western plains and to struggle with the elements on one farm after another the indomitable father leading them on with success always just beyond It is he who is the Son of the Middle Border and the first book centers around him this one cannot be said to be to the same degree concerned with Garland's mother though she is the Daughter of the title The book is largely autobiographical the reviewer points out presenting much that has to do with the author's developing career his friends among writers and artists his marriage his life in Chicago and in Boston and New York But always his interests are called back to West Salem where he had settled his mother in a comfortable home though the father went on pioneering His father spent the winters with her But when the spring came the call of the broad plains of South Dakota where he still owned a thousand acres and more was too much for the old pioneer who at sixty odd could still broadcast all day long There is says Hildegarde Hawthorne probably no other man in the country who could have produced such a study of American life or done it more simply and effectively These two volumes should be part of the mental equipment of every American for they will help to an understanding of the country and its people to an appreciation of what is owed to those men and women who won the lands of the West and died in harness leaving sons and daughters to hold fast the American tradition against the disintegration threatened by a foreign invasion grown to staggering proportions Here is the America not given to the chase of the dollar the America of ideals and devotion which we are at times subject to doubt or to forget but none the less an America founded four square on a mighty plan Mr Garland has done a good work in helping his readers to realize this precious America **Hamlin Garland , A Daughter of the Middle Border** Hamlin Garland,1921 **A Son of the Middle Border (1917) Novel by Hamlin Garland (World's Classics)** Hamlin Garland,2016-02-20 Being a Nebraska farm boy I grew up on a middle border between Midwest and West many decades after Garland Yet I found much that was familiar in his memoir of rural life during the period of Western expansion 1865 1900 By the 1940s not that much had changed Farm work was more mechanized and gas powered tractors had taken the place of horses Improved roads and automobiles had shortened distances But farm work was still hard often grueling labor at the mercy of the elements There was dust manure and mud and whether bumper years or drought and crop failures farm life was isolated and lonely **Hamlin Garland, a Son of the Middle Border** Charles Edward Bull,1939 **Hamlin Garland, a Son of the Middle Border ,1926**
