War They had a rough baptism of fire in southern Tunisia in February 1943 training equipment and leadership failed in many instances to meet the requirements of the battlefield but the US Army was quick to learn and revise army doctrines particularly with respect to the use of armor The successful campaign created thousands of seasoned soldiers of all ranks whose experience would prove decisive in subsequent campaigns The next test was only two months away the invasion of Sicily In addition Operation Torch brought the French army back into the war Most important of all the Allies had seized the initiative in the West
