**The Story of a Blue Bird** Tomek Bogacki,1998-04-10 Curiosity overcomes fear A little blue bird is afraid to learn to fly but is still very curious about the world beyond his nest Mama mama what is out there he asks Nothing his mother replies Now go to sleep But the little bird can t stop thinking about what his mother said What is this nothing Finally curiosity draws the little bird from his nest into the wonders of the great outside world and he learns to fly When he returns his family asks him What happened Nothing replies the little blue bird happily With his characteristically expressive and richly textured illustrations Tomek Bogacki whose fables for the very young have been likened to those of Leo Lionni shows how a little bird in his search for nothing finds everything

**OF THE BLUE BIRD (CLASSIC REPRINT).** CLARA DE. CHATELAIN,2022 **The Bluebird Story** Dr. Don J. Harris,2013-01-21 Dr Don Harris grew up in the swamps of South Louisiana surrounded by wildlife As a child his typical pets included snakes squirrels raccoons rats bats birds alligators and armadillos It s not surprising that as an adult he became a veterinarian whose entire career has been dedicated to the care of exotic animals The Bluebird Story evolved from Dr Harris telling his toddler son Adam stories about the animals of his childhood While the story captures a bit of the animals seasonal activities what it really reveals is the truth behind the principle that giving and acts of kindness toward our fellow creatures brings about infinite blessings that could never be obtained otherwise A Bluebird's Tale Charles R. Preston,2019-09-24 After breakfast one day a curious blue bird gets some rest on the limb of a mighty great oak the cornerstone of the woodland in which the bluebird lives The bluebird flies all around the oak trying to decipher its story From what he can see the tree has persisted through many tests and trials At bluebird story hour the little explorer tells the tale of the great oak how it lived through huge gales and lightning storms yet still stands to provide shelter for woodland creatures The other young bluebirds

are stunned because they had not considered the difficult life of a tree and are awed by its persistence Inspired by both A A Milne and E H Shepard s illustrations A Bluebird s Tale is the story of a tree as seen through the eyes of a curious bluebird Young readers will learn to be attentive to their natural surroundings and they can read natural occurrences through marks in the landscape They will also learn to be kind to trees and woodlands which play an important role in the environment
