Arriving on scene somewhere in middle America, newly hired on as the press representative for Governor Caxton Wheeler's presidential campaign, Fletch is unsure of what exactly he's supposed to be doing there. Luckily, the man who called him up for the job is his old war buddy, Walsh, Wheeler's aide and son to the governor. But just as Walsh is filling him in on the need to know informational tidbits, a woman is found dead outside the very hotel they occupy, and she's not the first or the last. Struggling to corral the increasingly pushy press, keep the votes coming in, and do his own sleuthing, Fletch is up against the clock to solve this mystery before the killer strikes again. **The British Journal of Aesthetics**, 1994.
