

-Albert Einstein

Albert Einstein

is a well-known scientist and extraordinary genius personality known by almost all of us all over the world due to his great inventions and contributions towards science

He quoted that success is a failure in progress and someone who has never failed cannot truly be a successful person. During childhood, he suffered from continuous failures. He was not even able to speak fluently till the age of nine years following which he has been expelled from the school. Furthermore, his admission to Zurich Polytechnic School was also not considered. But, leading to the ways of success consistently, he proved himself as a renowned gem in the ocean of science and technology and finally won the Nobel Prize for Physics in 1921.
