Story Of Atlantis And The Lost Lemuria:

The story of Atlantis William Scott-Elliot, 2017-12-27 The destruction of Atlantis was accomplished by a series of catastrophes varying in character from great cataclysms in which whole territories and populations perished to comparatively unimportant landslips such as occur on our own coasts to day When the destruction was once inaugurated by the first great catastrophe there was no intermission in the minor landslips which continued slowly but steadily to eat away the continent Four of the great catastrophes stand out above the rest in magnitude The first took place in the Miocene age about 800 000 years ago The second which was of minor importance occurred about 200 000 years ago The third about 80 000 years ago was a very great one It destroyed all that remained of the Atlantean continent with the exception of the island to which Plato gave the name of Poseidonis which in its turn was submerged in the fourth and final great catastrophe of 9564 B C Now the testimony of the oldest writers and of modern scientific research alike bear witness to the existence of an ancient continent occupying the site of the lost Atlantis Before proceeding to the consideration of the subject itself it is proposed cursorily to glance at the generally known sources which supply corroborative evidence These may be grouped into the five following classes First the testimony of the deep sea surroundings Second the distribution of fauna and flora Third the similarity of language and of ethnological type Fourth the similarity of religious belief ritual and architecture Fifth the testimony of ancient writers of early race traditions and of archaic flood legends

The Story of Atlantis and the Lost Lemuria W. Elliot, 2013-06-16 Plato told the story of Atlantis around 360 B C The founders of Atlantis he said were half god and half human They created a utopian civilization and became a great naval power Their home was made up of concentric islands separated by wide moats and linked by a canal that penetrated to the center The lush islands contained gold silver and other precious metals and supported an abundance of rare exotic wildlife There was a great capital city on the central island There are many theories about where Atlantis was in the Mediterranean off the coast of Spain even under what is now Antarctica The legend of Atlantis is a story about a moral spiritual people who lived in a highly advanced utopian civilization But they became greedy petty and morally bankrupt and the gods became angry because the people had lost their way and turned to immoral pursuits Orser says As punishment he says the gods sent one terrible night of fire and earthquakes that caused Atlantis to sink into the sea

The Story of Atlantis and the Lost Lemuria W. Elliot-Scott, 2013-10 This is a new release of the original 1925 edition

The Story of Atlantis and the Lost Lemuria W. Scott-Elliot, 2014-04-24 A theosophist and believer of the Occult W Scott Elliot gives us a description of the history and structure of Atlantis and Lemuria along with what he considers evidence of this The Story of Atlantis is prefaced by famed occultist Alfred Percy Sinnett There is no limit really to the resources of astral clairvoyance in investigations concerning the past history of the earth whether we are concerned with the events that have befallen the human race in prehistoric epochs or with the growth of the planet itself through geological periods which antedated the advent of man or with more recent events current narrations of which have

been distorted by careless or perverse historians The memory of Nature is infallibly accurate and inexhaustibly minute A time will come as certainly as the precession of the equinoxes when the literary method of historical research will be laid aside as out of date in the case of all original work People among us who are capable of exercising astral clairvoyance in full perfection but have not yet been called away to higher functions in connexion with the promotion of human progress of which ordinary humanity at present knows even less than an Indian ryot knows of cabinet councils are still very few Those who know what the few can do and through what processes of training and self discipline they have passed in pursuit of interior ideals of which when attained astral clairvoyance is but an individual circumstance are many but still a small minority as compared with the modern cultivated world But as time goes on and within a measurable future some of us have reason to feel sure that the numbers of those who are competent to exercise astral clairvoyance will increase sufficiently to extend the circle of those who are aware of their capacities till it comes to embrace all the intelligence and culture of civilised mankind only a few generations hence from the Preface This collection of two important works provides an in depth analysis of both Atlantis and Lemuria The destruction of Atlantis was accomplished by a series of catastrophes varying in character from great cataclysms in which whole territories and populations perished to comparatively unimportant landslips such as occur on our own coasts today It was the Toltec race who developed the highest civilization and organized the most powerful empire of any of the Atlantean peoples It must be remembered that humanity was still for the most part possessed of psychic attributes and by this time the most advanced had undergone the necessary training in the occult schools and had attained various stages of initiations some even reaching to Adeptship This was the golden age of the Toltec race The government was just and beneficent the arts and sciences were cultivated indeed the workers in these fields guided as they were by occult knowledge achieved tremendous results religious belief and ritual was still comparatively pure in fact the civilization of Atlantis had by this time reached its height Also included is The Lost Lemuria Although the lost continent of Atlantis has so far received scant recognition from the world of science the general consensus of opinion has for long pointed to the existence at some prehistoric time of a vast southern continent to which the name of Lemuria has been assigned The Story of Atlantis W Scott-Elliot,2020-08-02 What was the real City of Atlantis A fantasy A real place Both The Greek philosopher Plato c 429 347 BCE describes the City of Atlantis in his two Socratic dialogues called Timaeus and Critias The story of Atlantis with its extraordinary wealthy and advanced civilization which was swept into the sea to be lost for ever has been one of the western world s favorite legends a tantalizing blend of fantasy and mystery W Scott Elliot was a great theosophist and offered us a geographical historical and ethnological sketch of this fabulously city He also described in this book The Lost Lemuria Although there is no proof yet proving once and for all that Atlantis is a tale or truth there does seem to be quite a lot of compelling evidence for the latter We guess only time and open minded archeologists scientists will tell

Legends of Atlantis and Lost Lemuria W. Scott-Elliot,1925-01-01 In this book inhabitants of Atlantis and Lemuria come

alive their hopes and fears their achievements and sins The submerged continents are described in graphic detail their location history flora and fauna human inhabitants customs science religion and contact with advanced teachers The information comes from the writings of Plato from the esoteric tradition as set forth in The Secret Doctrine of H P Blavatsky and from the clairvoyant writings of C W Leadbeater one of the most remarkable sensitives of modern times The result is a modern expression of a timeless myth in which everyone now living has a role Color maps are included in the book *The Story of Atlantis [and] The Lost Lemuria* William Scott-Elliott, 1954 *The Story of Atlantis ; & the Lost Lemuria* W. Scott-Elliott,2017-04-28 After the demise of Lemuria new races emerged on Atlantis from the surviving ape like creatures This led to the Atlantean races beginning with the black skinned Rmoahal and leading to the copper coloured Tlavatli who were ancestor worshippers and then the Toltecs who had advanced technology including airships The Toltecs were succeeded by First Turanians and then Original Semites These later produced further sub races the Akkadians and Mongolians A group of Akkadians migrated to Britain 100 000 years ago where they built Stonehenge The crudity of the design in contrast to Atlantean architecture is explained by the fact that the rude simplicity of Stonehenge was intended as a protest against the extravagant ornament and over decoration of the existing temples in Atlantis where the debased worship of their own images was being carried on by the inhabitants Scott Elliot also claimed that Atlantis split into two linked islands one called Daitya and the other Ruta Eventually only a remnant of Ruta remained called Poseidonis before that too disappeared **Story of Atlantis and the Lost Lemuria** ,2016 *The Story of Atlantis* William Scott Elliott,2023-07-18 In this groundbreaking work William Scott Elliot presents a comprehensive account of the lost continent of Atlantis Drawing on ancient texts and occult sources Scott Elliot maps out the history culture and spiritual legacy of this legendary civilization A must read for anyone interested in history mythology or the occult This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Story of Atlantis and the Lost Lemuria* W. Downloading Story Of Atlantis And The Lost Lemuria provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Story Of Atlantis And The Lost Lemuria has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Story Of Atlantis And The Lost Lemuria. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Story Of Atlantis And The Lost Lemuria. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Story Of Atlantis And The Lost Lemuria, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Story Of Atlantis And The Lost Lemuria has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
