Story Of Jesus According To St Luke:

The Story of Jesus According to L Kim Paffenroth, 1997-08-01 Using stylistic formal and thematic criteria Paffenroth reconstructs a pre Lukan source L for much of the unique material in Luke 3 19 This source portrays Jesus primarily as a healer and teller of parables a portrayal very different from that of the suffering Son of Man in Mark the aphoristic teacher of Wisdom in Q or the depiction of Jesus as universal saviour that Luke himself prefers This source is quite primitive probably earlier than Mark perhaps as early as Q to which it is quite similar in form if not content *The Story of Jesus According to St. Luke*, 1949 **Luke (Understanding the Bible Commentary Series)** Craig A. Evans, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **The Pen and the Scalpel** William Collins, 2013 Did Jesus come to save only the Jews That was the question that Luke is determined to answer and answer it he will Luke a local physician and beloved townsman is drawn into the growing movement of first century Christians in Antioch by an unpleasant first encounter with a disagreeable and xenophobic Saul of Tarsus Through a childhood friend Luke learned the news of what had happened to a young rabbi from Nazareth thus becoming the catalyst for Luke s journey of faith After completing his medical education at the Alexandrian School of Medicine Luke s second encounter with Saul now calling himself Paul will change his life forever As physician to the Apostle who is called by the Lord to take the Gospel to the Gentiles Luke begins to discover the answer to his troubling question Did Jesus die only for the Jews Encouraged by Jesus s mother to write down Jesus s story Luke journeys with the missionaries to the cities of Asia Minor and then Greece itself It is the martyrdom of his old friend that convinces Luke that the Lord was calling him to take his place With his son now studying in Alexandria like his father before him Luke carries the good news into the one province Paul had not been able to go and settles down in the town of Bithniya as physician and bishop where his faith will be put to the ultimate test *The Pen and the Scalpel* tells the story of one of the most prolific writers of the New Testament In this unforgettable journey author William Collins reveals Luke s passion and determination to journey with Paul and ultimately discover the truth of Jesus s teachings *The Christmas Story*, 2002 An illustrated story of the birth of Jesus as told in the Book of Luke [The History of Our Blessed Lord and Saviour Jesus Christ](#) Several eminent divines, 1784 **Luke's Stories of Jesus** David Lee, 1999-11-01 The current interest in reading the Gospels as narratives has reclaimed aspects of these texts that historical critical approaches failed to respect The richness of these newer readings can however disguise their limitations as literary critical exercises Developing Hans Frei s concern for theological reading David Lee reworks the

narratology of the Dutch literary theorist Mieke Bal to produce a theological narrative reading practice that formally respects the text as scripture while leaving open the possible meanings that readers may construct for themselves in the act of reading Lee demonstrates his approach through readings of the Narrator and the characters Jesus and the Demons as aspects of a composite Lukan narrative Christology
