But how can one climb the heights of trusting in G-d? This book is the answer to the person who quests to deepen his relationship with his Creator. Organized according to the parashos of Bereishis through Yisro, the author weaves the words of our Sages, both classic and contemporary, along with astounding stories and vignettes to form a practical, comprehensive view of bitachon. Topics covered include: How much effort should a person invest in earning a livelihood? Why so many trials in life? How do you pay the rent when you have no money? Elonei Mamre, Nicholas de Lange, Elena Narinskaya, Sybil Sheridan, 2022-09-26 How can finite minds approach an infinite and ultimately unknowable God? Is it true that Christianity is a religion of love and Judaism a religion of law? Can a Jew accept the Orthodox Christian veneration of holy images? How much do Jews and Orthodox Christians have in common when they worship God? What can be done about Christian prayers that Jews find offensive? How much responsibility do Christians carry for antisemitism? These and other questions are addressed in this book, which is intended as a major contribution to encounters between Judaism and Orthodox Christianity. In seventeen chapters, expert theologians and historians examine central issues of common concern relating to theology and worship, as well as to the vexed historical question of anti-Semitism. The focus is on dialogue and deepened knowledge, as the contributors dispel widely held misconceptions and identify a good deal of common ground. **The Legacy of Maran Rav Aharon Kotler** Yitzchok Dershowitz, 2005 Rav
