fun ideas for children's storytime fill this book. The author, a long-time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays, all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Libraries, bookstores, preschools, and parents alike can use this book to offer themed storytimes that include discussion, literature, art, music, movement, and food. Options are provided for each storytime so the ideas can be used year after year.

Outstanding Library Service to Children Rosanne Cerny, Penny Markey, Amanda Williams, 2006-07-17 This book is a companion to *Competencies for librarians serving children in public libraries* 1999. **Storytimes for Children** Stephanie G. Bauman, 2010-11-10 This text presents a compilation of the best of ideas from a group of library science graduate students providing creative and engaging programs geared especially for children ages 0-12. What are the concepts, activities, and topics that will hold the attention of today's children? And what are the best ways to provide a valuable learning experience while they're having fun and being entertained? Many of the most original, creative, and wildly effective ideas in storytime are contained in *Storytimes for Children*, a collection of fresh and vibrant programs created to be relevant, interesting, and fun for today's youngest generations. This collection of themed storytimes includes suggestions for opening and closing sessions, crafts, and activities, songs, poems, fingerplays, and movements, as well as the accompanying literature. Several of the included storytimes comprise a series of programs allowing for related activities that build upon each other. The text is organized into six chapters, each prefaced by an introduction that clarifies the strengths of the programs within. Each chapter covers a highly targeted age range to give practitioners the ability to easily choose the most appropriate storytimes for any given audience.

Crash Course in Storytime Fundamentals Penny Peck, 2015-01-26 This manual is a one-stop shop on how to present storytimes to suit different audiences, including bilingual learners, special needs children, and those in a variety of settings such as Head Start, preschools, and day care situations. This beginner's guide to storytelling traces the developmental stages of very young children, illustrating how to present storytime for babies, toddlers, and preschoolers, as well as in family settings, to be most effective. Author Penny Peck will teach you the fundamentals of reading with the intent of capturing children's imaginations, showing you how to incorporate music, play, and hands-on activities into your routine. She offers expert advice on how to choose the best picture books and provides lists of books for addressing particular literacy needs. A perfect primer for those new to the task, this guide illustrates how to make this activity a favorite of children and provides tips for progressing in the role of storyteller, with ideas for engaging your audience and enhancing enjoyment. Beginning with the basics of performing a library storytime, each subsequent chapter builds on that knowledge, offering ways to infuse technology, special needs adaptations, and music into the story. The revised edition addresses such current topics as iPads, apps, usage, online options, and dance programs.

Partnering with Parents Mary Schreiber, 2019-04-01 Caregiver involvement is key to a child s reading success story and libraries are in the perfect position to provide the guidance needed for parents and caregivers to embrace their role as their children s first and most enduring teachers Libraries offer many programs and services for children but sometimes caregivers are left out of the equation especially once children start school Nevertheless parents and caregivers are an integral part of literacy development and libraries are a great place for them to witness modeling practices and participate in engaging family programs that encourage early literacy

Mary Schreiber combines personal experience and professional research with the programming expertise of youth librarians from across the country in this guide for libraries looking to make an even greater impact on the level of literacy attained by the children they serve. In *Partnering with Parents*, readers will find a wealth of information on how to talk to caregivers about the different stages of a child's reading life, what books to recommend to excite both caregivers and children about reading, and ways to encourage parent and caregiver participation in library programming with additional information on working with and providing programming for diverse families. Whether you are a veteran in the profession or brand new to working with families, you will find something in this book that will help you to make your library a more integral part of the education community.

Artsy Toddler Storytimes Carol Garnett Hopkins, 2013-05-23 For toddlers, every storytime can be a new adventure while art activities are important for developing impulse control, hand-eye coordination, and fine motor dexterity in the hands. Hopkins' new book fuses them together. Designed for children ages 1 to 3 years old, the book's 52 storytimes promote pre-reading skills such as print motivation, vocabulary, and narrative skills. Based on themes familiar to children including bears, bugs, springtime, clothing, and hats, flowers, and gardens, weather, music, pets, transportation, pirates, and many more, each storytime includes a list of books, action songs or rhymes along with their words, a flannelboard experience, plus instruction for two to three art activities. This complete toddler storytime resource also includes an introduction which discusses the differences between art activities and craft activities, a toddler's ability in creating art, and why children this age should be exposed to art activities. Advice for using different art mediums such as food, plus important safety considerations. Pointers on conducting playful yet educational storytimes. Tips for finding inexpensive art materials with a list of recommended supplies to keep on hand. More than 100 drawings, all easy to reproduce and modify. Weblinks to Artsy Helper Sheets, downloadable supplements complete with phrases, tips, and tricks that inform parents and caregivers about the benefits of doing art activities with toddlers. Pick up Hopkins' book and you'll be ready to conduct a storytime within moments.

Serving Teen Parents Ellin Klor, Sarah Nordhausen, 2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development, implementation, and evaluation. Teen parents and their children represent an underserved, high-need population in many communities. Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources, developing specific programs, and serving as a safe public learning environment. *Serving Teen Parents: From Literacy to Life Skills* helps library staff support teen parents as their children's first teachers, positively affecting two generations at once. The authors explain how to successfully communicate with this group and build upon their competencies and strengths. They offer best practices, professional anecdotes, and step-by-step direction on connecting with teen parents, collaborating with community partners, locating funding options, and implementing successful programs. This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians.
