Strachan Of Costa Rica Missionary Insights And Strategies:

Strachan of Costa Rica W. Dayton Roberts,1971 **An Evangelical Saga** Justice Anderson,2005-08 Taking Up the Mantle J. Daniel Salinas,2017-01-14 In Taking Up the Mantle Dr Daniel Salinas helps the reader understand the development of Latin American evangelical theological thought over the past hundred years Salinas challenges new generations to pick up the task of contextually living out the biblical message learning from the example of the godly men and women that came before them History is full of faithful servants who read their Bibles and their surroundings to communicate the message for the church and the world and this double listening as John Stott referred to it is required today From the Panama Congress of 1916 to the end of the millennium this book introduces us to figures from the Latin American church and encourages us to continue their legacy today Mission Theology: 1948-1975 Years of Worldwide Creative Tension Rodger Bassham,2002-08-19 This volume seeks to be both fair and comprehensive Its critical insights do not prevent the endorsement of an ecumenical latitude consistent with our biblical faith It was written for those who are determined to listen and learn from all whom God has manifestly received and called to holistic mission in today s world Arthur Glasser Professor Fuller Theological Seminary Bassham s comprehensive study of developments in mission theology between 1948 and 1975 is the most thorough and reliable work available on the subject The book is invaluable for an understanding of the crucial issues in world mission during this turbulent period Gerald Anderson Director Overseas Ministries Study Center Bassham has written what ought to become the standard textbook for those seeking to acquire a comprehensive long range perspective on developments in missiology in recent decades Delightfully clear and simple without being simplistic the book shows the remarkable convergence of the main streams of missiological thinking Al Krass Editor The Other Side **From Jerusalem to Irian Jaya** Ruth A. Tucker,2011-01-04 This is history at its best From Jerusalem to Irian Jaya is readable informative gripping and above all honest From Jerusalem to Irian Jaya helps readers understand the life and role of a missionary through real life examples of missionaries throughout history We see these men and women as fallible and human in their failures as well as their successes These great leaders of missions are presented as real people and not super saints This second edition covers all 2 000 years of mission history with a special emphasis on the modern era including chapters focused on the Muslim world Third World missions and a comparison of missions in Korea and Japan It also contains both a general and an illustration index where readers can easily locate particular missionaries stories or incidents New design graphics photographs and maps help make this a compelling book From Jerusalem to Irian Jaya is as informative and intriguing as it is inspiring an invaluable resource for missionaries mission agencies students and all who are concerned about the spreading of the gospel throughout the world **Encyclopedia of Christianity in the United States** George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and

culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation
