mementoes from her own past all of which point to a secret life more exotic than anything Vivian has been able to pull off

Puzzling together bits and pieces Vivian learns that her mother was at one time a burlesque performer named Celia Dare who rubbed shoulders with the flashiest celebrities of the sixties Vivian becomes determined to uncover the true story of her mother's life Chasing rumours Vivian sets off down the Pacific coast and soon finds out that truth is a slippery snake With only a few of her mother's letters some guarded anecdotes from Josie's former confidant and a slew of books about the sixties Vivian begins to re-create her mother's life placing her at the heart of some of the biggest events and scenes of the era From the protests and beat coffeehouses of Haight Ashbury to the frenzied nightlife of Rat Pack Vegas from the political soirées of New York to mob meetings in glitzy Miami hotels Celia Dare saw and did it all Yet the glamour hid an ugly underbelly and as Vivian peels away the layers of the past she begins to uncover her own emotional truths as well Cease to Blush drives the bumpy road from the burlesque stages of Rat Pack Vegas to the bedroom Internet porn business exploring just how far women have really come In Vivian Livingston has created the perfect character through which to explore what it means to be an independent woman today with Celia Josie it's clear that things weren't so cut and dry in her day either Though Celia's story is told vividly here its accuracy is impossible to gauge and the ghosts are not talking But maybe this is Celia's gift to Vivian the ability of the past not only to illuminate the future but to re-imagine it
