*Strains of Discord*, 1958      *Strains of Discord*, 1958      **Strains of discord: studies in literary openness...** Robert Martin Adams,      **Strains of Discord** Robert M. Adams, 1971      **Critical Assumptions** Kenneth Knowles Ruthven, 1984-09-06 This book is an historical survey of some important theories of literary criticism which is designed to introduce more advanced students of English and other European literature to the nature and origin of these theories and ultimately to help them clarify their own attitudes to literature Professor Ruthven's approach is to bring together and analyse examples of the way in which major writers and critics have dealt with the critical issues raised by different kinds of writing He emphasizes throughout the variety of critical stances taken at different times in response to the challenge posed by highly original works and he draws on a large number of instances from all the major periods of English literature The examination of the historical material presented here should encourage students of English as well as other modern European literatures to recognise and re appraise their own critical assumptions      **Recovering Integrity** Stuart Rosenbaum, 2015-08-13 The world of moral theory finds no place for the idea of integrity The natural intellectual home of the idea of integrity is the American pragmatist tradition Pragmatism makes possible an account of integrity that enables it to become philosophically central in thinking about morality The idea of integrity enables what Dewey called a working theory of morality Other intellectual traditions including those most prominent in the academic world of moral philosophy ignore integrity because of its imprecision and its inability to deliver precise answers to questions about what is right or wrong good or bad Recovering Integrity Moral Thought in American Pragmatism explains how integrity can and should become central in philosophical thought about morality Only within the intellectual tradition of American pragmatism may integrity achieve the intellectual stature it deserves as the central idea in ordinary moral thought The ideas of morally diverse communities are unified to a remarkable extent when seen through the moral lens of integrity Diverse communities having diverse ways of life share similar understandings of morality these similarities are important for understanding what morality fundamentally is in the human world Philosophical efforts to explain the nature of morality or the nature of right action or the nature of the good founder on their ignorance of moral diversity in the real worlds of human history and culture      **Perverse Mind** Barbara Voglino, 1999 The fact is nothing in O'Neill's forty five theatrical endeavors of varying merit prior to 1939 suggests the unmistakable touch of genius which radiates from his last plays *A Touch of the Poet* 1939 *The Iceman Cometh* 1940 *Long Day's Journey into Night* 1941 *Hughie* 1942 and *A Moon for the Misbegotten* 1943 **BOOK JACKET** At least one valid explanation for this phenomenon is the greatly improved endings of the late plays **BOOK JACKET**      Anna R Kannan, 2017-06-13 **AN ILLUMINATING ACCOUNT OF THE DMK AND ITS CHARISMATIC FOUNDER** In 1967 C N Annadurai became the chief minister of Madras state when his party the DMK swept to power for the first time In this definitive biography R Kannan traces the growth of Annadurai from a young protégé of the radical thinker Periyar E V Ramasamy into a revered leader known

as Anna or elder brother Kannan draws on Anna's considerable body of writing and the memoirs of other leaders and authors in Tamil to candidly examine Anna's complex relationship with Periyar and his disillusionment with the corruption he witnessed when in power. Featuring luminaries like Rajagopalachari and Kamaraj K. Karunanidhi and MGR among many others, Anna offers a warm and rounded portrait of a man who showed the way for the democratic expression of regional aspirations within a united India.

**Roman Constructions** Don Fowler, 2000-01-13 *Roman Constructions* is a collection of studies in Latin literature and literary theory. The twelve pieces touch on many of the concerns of contemporary criticism and offer a provocative view of the role of classical scholarship in the contemporary world.

**Cloud Rifts: Or, Looking, for the Sunshine** George Valentine Reichel, 1898

**The Sociology of Health, Healing, and Illness** Gregory L. Weiss, Denise Copelton, 2020-08-11 With thorough coverage of inequality in health care access and practice, this leading textbook has been widely acclaimed by teachers as the most accessible of any available. It introduces and integrates recent research in medical sociology and emphasizes the importance of race, class, gender, and sexuality throughout. This new edition leads students through the complexities of the evolving Affordable Care Act. It significantly expands coverage of medical technology, end-of-life issues, and alternative and complementary health care topics that students typically debate in the classroom. While the COVID-19 pandemic emerged after this edition of the text was originally submitted, material has been added in Chapters 3, 10, and 13 about it. Many new text boxes and enhancements in pedagogy grace this new edition, which is essential in the fast-changing area of health care. New to this edition: More text boxes relating the social aspects of medicine to students' lives. Expanded coverage leading students through the complex impacts of the ACA and health care reform. Greater emphasis on sexual minority health and LGBTQ persons' experiences in the health care system. Expanded coverage of medical technology, end-of-life issues, and alternative and complementary health care. Health and the Internet sections are updated and renovated to create more interactive student assignments. New end-of-chapter lists of terms with key terms as flash cards on the companion website. An updated instructor's guide with test bank.

**Patrick White's Fiction** Carolyn Bliss, 1986-08-18 This study examines all eleven novels of Patrick White, the great Australian writer and Nobel Prize winner. It begins from the observation that major characters in his novels undergo a necessary redemptive or facilitating failure. This failure paradoxically enables their success within the context of what White has called the overreaching grandeur which circumscribes human existence. Evolution of this theme is traced through forty years of White's fiction, from his first novel *Happy Valley* (1939) to his most recent work *The Twyborn Affair* (1979). Comprehensive in its scope, this book is informed by a thorough knowledge of White's poetry, plays, short stories, and autobiography, as well as his novels. It is also unique in stressing that White's world view derives from a distinctly Australian experience. It thus links him to a country in which he is deeply rooted and to a heritage he continued to affirm.

**The Complete Works of C. H. Spurgeon, Volume 3** Spurgeon, Charles, 2015-02-23 Volume 3 Sermons 107 164

Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach everyone in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Littell's Living Age** Eliakim

Littell, Robert S.
