## **Strange Elation Hart House The First Eighty Years:**

*A Strange Elation* David Kilgour, 1999      **The University of Toronto** Martin L. Friedland, 2013-01-01 Anyone who attended the University or who is interested in the growth of Canada's intellectual heritage will enjoy this compelling and magisterial history      **University of Toronto: An Architectural Tour (The Campus Guide) 2nd Edition** Larry Wayne Richards, 2019-04-02 University of Toronto The Campus Guide second edition portrays the dramatic growth and development of Canada's largest university while it showcases some of the finest architecture and landscapes in eleven curated walking tours Founded in 1850 and built in a pastoral setting outside the city limits the renowned university now has more than 90 000 students at three distinguished campuses the downtown Toronto St George campus the University of Toronto Mississauga and the University of Toronto Scarborough Extraordinary new photographs and beautifully illustrated maps bring to life the university's historical evolution from the nineteenth century to the present University of Toronto is the newest addition in the acclaimed Campus Guide series of leading colleges and universities in North America      *University of Toronto ,      Historical Identities* E. Lisa Panayotidis, Paul Stortz, 2006-12-15 As intellectual engines of the university professors hold considerable authority and play an important role in society By nature of their occupation they are agents of intellectual culture in Canada *Historical Identities* is a new collection of essays examining the history of the professoriate in Canada Framing the volume with the question What was it like to be a professor editors Paul Stortz and E Lisa Panayotidis along with an esteemed group of Canadian historians strive to uncover and analyze variables and contexts such as background education economics politics gender and ethnicity in the lives of academics throughout Canada's history The contributors take an in depth approach to topics such as academic freedom professors and the state faculty development discipline construction and academic cultures religion biography gender and faculty wives images of professors and background and childhood experiences Including the best and most recent critical research in the field of the social history of higher education and professors *Historical Identities* examines fundamental and challenging topics issues and arguments on the role and nature of intellectualism in Canada      **The Force of Culture** Karen Finlay, 2004-12-15 A misunderstood and sometimes maligned figure Vincent Massey was one of Canada's most influential cultural policy makers and art patrons Best known as Canada's first native born Governor General he chaired the landmark Royal Commission on National Development in the Arts Letters and Sciences that led to the creation of the Canada Council *The Force of Culture* examines Massey's notion of culture its conflicted roots in late nineteenth century and early twentieth century Canadian Protestant thought and Massey's transformation into a champion of culture as a bastion of Canadian sovereignty Karen Finlay's study goes beyond existing literature by examining the role of Massey's Methodist upbringing in instilling an education gospel as the bedrock of culture and the foundation of a national citizenry The study also reassesses Massey's reputation as a supporter of the fine arts Steeped in Methodism his attitudes towards the arts were ambiguous He never adopted a purely art for art's sake

doctrine but came to understand that the arts without being moralizing could serve a moral and cultural purpose the expression and affirmation of national character and sovereignty As well as charting Massey s evolving attitudes towards culture and the arts Finlay attempts to redress the common charges of sexism elitism and anglophonism levelled against him Finlay stresses Massey s contradictory views on issues relating to gender race and class outweighed by the ongoing legacy of his belief in Canadian cultural diversity Above all Massey valorized the principles of excellence and diversity as twin antidotes to the anathema of conformity and cultural homogenization The tenet Massey sought to honour pertaining deeply to the collective and moral nature of humanism in Canada Finlay argues was community without uniformity The Force of Culture shows that Massey was in certain respects a democratizer and even a populist who believed that difference need not divide Electronic Format Disclaimer Images removed at the request of the rights holder *Historical Distillates* Adrian G. Brook,W. A. E. McBryde,2007-03-24 *Historical Distillates* examines the history of the Chemistry Department at the University of Toronto describing important events and triumphs through the years *Restoring the Spirit* Judith Friedland,2011-08-24 Tracing the influence of popular political and social movements of the time including the Mental Hygiene Arts and Crafts and Settlement House movements Judith Friedland tells the stories of pioneering women in the field and describes how they established professional associations workshops and educational programs She highlights the help they received from male physicians which gave them access to those with decision making power and examines their work in both rural and urban environments with those from different economic and ethnic backgrounds An informative look at the origins of a field that now has over thirteen thousand practitioners in Canada *Restoring the Spirit* is also the compelling story of the rise of working women and their crucial contributions to the history of health care **Fairly Equal** Linda Silver Dranoff,2017-04-13 An eyewitness account of the revolution in women s rights under the law Lawyer activist and former Chatelaine legal columnist Linda Silver Dranoff details her own trailblazing journey from a traditional 1950s childhood to the battlegrounds of the courts of law and the halls of power where she and a generation of women lawyers supporting a larger feminist movement championed the rights of Canadian women and families Through a combination of memoir and social history Dranoff brings to life the struggles around family law pay and employment equity violence against women abortion rights childcare pension rights political engagement public policy and access to legal justice From backroom battles to public and private protest the stories are inspiring *Fairly Equal* reminds us of the importance of remaining vigilant about our rights Knowing what Dranoff s generation of women lawyers and activists achieved and how easily it can be taken away we are encouraged in sisterhood and solidarity to ensure that the many hard won gains of the feminist movement are maintained and expanded for the women who follow Notes to the University of Toronto Martin L. Friedland,2002-12-15 Two histories of the University of Toronto have been published one in 1906 and one in 1927 Since the latter volume appeared no comprehensive history of the University has been published Given the size of the University and the complexity of the task

this is not entirely surprising But after sixty six years this gap in the intellectual history of Canada has been filled and we are delighted to announce publication in March of 2002 of Martin Friedland s new history of one of Canada s most important educational and cultural institutions The author of several books on legal history Professor Friedland brings to this task an accomplished eye and ear and a status as a long time member of the University community Professor Friedland s text is accompanied by over 200 maps drawings and photographs Published to coincide with the University s 175th anniversary The University of Toronto A History tells the story of the university in the context of the history of the nation of which it is a part weaving the stories of the people who have been a part of this institution people who make up a who s who in the history of Canada Anyone who attended the University or who is interested in the growth of Canada s intellectual heritage will enjoy this compelling and magisterial history     Tending the Student Body Catherine Gidney,2015-01-01 Tending the Student Body examines the development of health programs at Canadian universities and the transformation of their goals over the first half of the twentieth century from fostering moral character to promoting individualism self realization and mental health     **'Critical Support' for Sport** Bruce Kidd,2017-07-05 During more than forty years Bruce Kidd has combined careers as an internationally ranked athlete coach sports administrator professor and dean with critical scholarly and popular writing about sport often on the issues in which he has been directly involved Frequently called the conscience of Canadian sport he defines his perspective as that of critical support while he can be savage about the inequalities and abuses of power in contemporary sport he seeks to reform sports so that many more people can enjoy their potential benefits This book provides a sampling of Professor Kidds scholarly writing The issue begins with Kidds reflection on the ways in which sport is constituted by society and a lifetime of simultaneous scholarship and intervention The rest of the issue is organized around three themes the Canadian sport system the Olympic Movement and his recovery projects historical writing that brought long forgotten earlier initiatives and episodes back into public understanding In each case Kidd provides a brief introduction of 1000 1500 words that sets the context for the original article and provides an update on the subject matter This book was previously published as a special issue of Sport in Society     **Ontario History** ,2001     **Making Theatre** Sherrill Grace,2008 The story of Pollock s life from her family roots in New Brunswick through her pioneering years as a Canadian playwright     A Strange Elation David Kilgour,1999     **Oxford Dictionary of National Biography: Belle-Blackman** British Academy,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002     *Boletin Internacional de Bibliografia Sobre Educacion* ,2002     **American Book Publishing Record** ,2001     **The Indiana Farmer** ,1916     Princeton Alumni Weekly ,1981
