Strange Kicks And Bounces Funny Whimsical:

Bong the Bouncing Elephant and His Fantastic Friends Wayne Teall, 2012 I have always wanted to write a book ever since I can remember but one day I was listening to a programme on Radio 5 which I don't normally listen to Sir Terry Pratchett the famous author was on there saying how everyone has something in them but if they can't write it down or if they can't type try and get it down somehow After a while a couple of days after listening to the programme I was asked to go and clear up something at work and funnily enough there were two dictaphones I thought this was a bit spooky so I decided to use one of the dictaphones and start my book It wasn't easy it was difficult at first to talk into a tape recorder and put down your feelings and thoughts on there This book was done purely through my imagination the characters are purely my thoughts and I see how everything was when I was a kid at school how we were brought up and how the school is broken down into different elements at school where you have some friends there some friends there not so many friends there no friends there and you went around in a group all your life This book is about Bong how he meets his friends how he falls out with friends and how he has some great friends and they always will be this is what the book is all about friends The biggest thing about the book is honour and respect to your friends and family The characters in the book are also caricatures of themselves which is self explanatory *Lippincott's Monthly Magazine*, 1874

Playing for Kicks Kate Donovan, 2016-01-26 Sean Decker takes pride in his reputation as the best kicker in the league His other reputation for falling in love with every girl he meets is more of an urban legend Sure he likes women but he just wants to meet a nice one and settle down especially since his latest hookup has gone all kinds of wrong If he can just extricate himself from that suffocating mess he swears to learn from it And when he meets the blend of fresh air and independence that is Tess Colby he knows she's the one to help him Tess has no interest in being Sean's latest conquest Not only has she heard the rumors but she's focused on making the jump from bartender to sportswriter In exchange for an interview she's willing to give him the same in depth advice she always gives brokenhearted guys across the bar But date him No way Sean claims he doesn't want to date Just hang out Although for some reason his definition of hanging out includes kissing It's fun but Tess knows she needs to stay strong Not just for her own sake but maybe for the kicker's too
