Strange Place To Sing:

How Can I Worship You If I Can't Trust You Lamont McLaurin, 2020-07-25 Every human on the planet earth shares one common thread and that is the desire to Worship something Whether it is the God of the Bible the Koran or be it the sun moon stars ocean universe statues energy ancestors or the like that particular entity must be held accountable for human suffering and make logical sense out of life How Can I Worship You If I Can't Trust You is a compilation of 30 short chapters They read as a courtroom drama with theologian Lamont McLaurin indicting the GOD of the universe in a multi count indictment in front of a jury pool of 12 atheists and an agnostic Judge This manuscript confronts the Creator of heaven and earth with a litany of daunting questions that appear to be of blasphemous nature that religious leaders and most humans dare to inquire of God The results of this 21st Century Percocet will astonish the average reader **Invisible Tears** Mary Ann Harrington-Duhart, 2012-05-01 Enjoy the brilliance of the true to life poetry of this generation's most gifted spiritual writer This eleventh book that she has written will take you on a heartfelt journey through a metaphoric strange land of life Many will be able to relate as the genius of the writing shows you how deep faith and love of God can help even the most difficult of times The poetic styles are done to perfection and some have been created by the author herself A complete glossary of poetic forms used is included in the book This book is truly a compliment to any poetry collection **Zoologist**, 1900 **A Year with Andrew White** Andrew White, 2019-10-17 52 readings each with a scripture passage and prayer from one of our most loved and respected Christian leaders and speakers Each reading contains a story often startling and arresting from Andrew's astonishingly eventful ministry blended with his reflections on life and faith English Folk Songs Ralph Vaughan Williams, 2009-04-02 This collection is filled with songs that tell of the pleasures and pains of love the patterns of the countryside and the lives of ordinary people Here are unfaithful soldiers ghostly lovers whalers on stormy seas cuckolds and tricksters By turns funny plain speaking and melancholic these songs evoke a lost world and with their melodies provided record a vital musical tradition Generations of inhabitants have helped shape the English countryside but it has profoundly shaped us too It has provoked a huge variety of responses from artists writers musicians and people who live and work on the land as well as those who are travelling through it English Journeys celebrates this long tradition with a series of twenty books on all aspects of the countryside from stargazing pie and country churches to man's relationship with nature and songs celebrating the patterns of the countryside as well as ghosts and love struck soldiers Some Strange Corners of Our Country Charles Fletcher Lummis, 1892 Lummis's prose portraits of the Grand Canyon Petrified Forest Montezuma Castle and other sites reflect the author's knowledge of Southwest anthropology and history **Primitive Piety: A Journey from Suburban Mediocrity to Passionate Christianity** Ian Stackhouse, 2012-10-01 In Primitive Piety Ian Stackhouse takes us on a journey away from the safe world of suburban piety with its stress on moderation and politeness and into the extreme and paradoxical world of biblical faith As someone who has pastored churches in suburbia for the last twenty years the

author is convinced that so much that passes off as Christian faith falls short of the radicalism or primitivism that we see in the pages of scripture a primitivism that includes honest lament dogged prayer raw emotions and heart felt desire In a culture in which there is every danger that we all look the same and speak the same Stackhouse argues for a more gritty kind of faith one that celebrates the oddity of the gospel the eccentricity of the saints and the utter uniqueness of each and every church
