Strangers And Pilgrims The Last Italian Migration:

Strangers and Pilgrims Ann Cornelisen, 1981 *La Merica* Michael La Sorte, 2010-06-04 Why would a man tie up a cheap suitcase with grass rope leave his family and his paesani in Italy to risk his life and meager possessions among the dock thieves of Naples and Genoa to suffer the congestion and stench of steerage accommodations aboard ship to endure the assembly line processing of Ellis Island to wander almost incommunicado through a city of sneering strangers speaking an unknown tongue to perform ten to twelve hours of heavy manual labor a day for wages of perhaps 1.65 most of which he probably owed to the company store before he got it Why were there not just a few such men but droves of them coming to the United States in the late nineteenth and early twentieth century How did they survive and some of them prosper How did they surmount the language barrier Why did some stay some go home and some bounce back and forth repeatedly across the Atlantic Michael La Sorte examines these questions and more in this lively study of Italian immigration prior to World War I In exploring for answers he draws upon the commentary of recent scholars as well as the statistical documents of the day But most importantly he has searched out individual stories in the published and unpublished diaries letters and autobiographies of immigrants who lived the greenhorn grignoni experience In their own language the men bring to life the teeming tenements of New York's Mulberry Street the exploitative labor recruiting practices of Boston's North Square and the harsh squalor of work camp life along the country's expanding railroad lines What emerges is a powerful moving alternately funny and appalling picture of their everyday lives Through detailed narration La Sorte traces the men's lives from their native villages across the Atlantic through the ports of entry to their first immigrant jobs He describes their views of Italy America and each other the cultural and linguistic adjustments that they were compelled to make and their motives for either Americanizing or repatriating themselves His chapter on Italglish a hybrid language developed by the greenhorns will echo in the ears of Italian Americans as the sound of their parents and grandparents voices

New Italian Migrations to the United States Laura E Ruberto, Joseph Sciorra, 2017-03-22 Italian immigration from 1945 to the present is an American phenomenon too little explored in our historical studies Until now In this new collection Laura E Ruberto and Joseph Sciorra edit essays by an elite roster of scholars in Italian American studies These interdisciplinary works focus on leading edge topics that range from politics of the McCarran-Walter Act and its effects on women to the ways Italian Americans mobilized against immigration restrictions Other essays unwrap the inner workings of multi-ethnic power brokers in a Queens community portray the complex transformation of identity in Boston's North End and trace the development of Italian American youth culture and how new arrivals fit into it Finally Donna Gabaccia pens an afterword on the importance of this seventy-year period in U.S. migration history Contributors Ottorino Cappelli Donna Gabaccia Stefano Luconi Maddalena Marinari James S. Pasto Rodrigo Praino Laura E Ruberto Joseph Sciorra Donald Tricarico and Elizabeth Zandoni

Almost All Aliens Paul Spickard, 2009-05-07 *Almost All Aliens* offers a unique reinterpretation of immigration in the history of the

United States Leaving behind the traditional melting pot model of immigrant assimilation Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands *Almost All Aliens* provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the *Almost All Aliens* companion website at www.routledge.com/textbooks/almostallaliens *Not To The Manor Born* Donna Clementoni, 2006 Author Donna Clementoni mining the resources of history and hearsay pens a portrait of her Italian American relatives in poetic tribute to their immigration to America in search of a better life for their families Their trials and tribulations are recounted in charming and colorful verse as they assimilate into their new land move into its neighborhoods fight in its wars and pursue the American Dream They were not to the manor born Intrinsically they understood that there are those who lord over the land and those who labor Immigrants from the Mezzogiorno Italy's poorest region south of Rome belonged to this less fortunate fraternity These amazing pioneers out of sheer desperation or fearless determination charted the course for all their descendants to follow *Bibliographie Internationale de Sociologie* 1980 ,1982 Each Bibliography lists and annotates the most important works published during the year They are arranged by topic and indexed by author subject and geographic location **Vocational Education for Immigrant and Minority Youth** Peggy Reubens, 1983 Research report on vocational education to prepare immigrant and minority group youth for transition from school to work in the USA discusses teaching methods including individual training and reinforcement of learning additional teacher training to overcome language barriers and racial discrimination family and community involvement to facilitate social integration suggests basic skills acquisition through work experience apprenticeship and on the job training vocational counselling and cooperative vocational education Bibliography **Sophisticated Rebels** Henry Stuart Hughes, 1988 Examines two decades of European dissent discusses the influence of the 1968 invasion of Czechoslovakia and assesses the role of dissenters in the modern world **Constitutional Democracy** Walter F. Murphy, 2007 Publisher Description *Italy in Mind* Alice Leccese Powers, 2010-07-07 Comprised of short stories novel excerpts essays poetry journals and letters this work will delight anyone who loves Italy or great travel writing Pieces include Barbara Grizzuti Harrison marveling at baroque Sicilian confections Mary McCarthy celebrating Venice's threadbare dignity and Henry James's Isabel Archer succumbing to the treacherous antiquities of Florence From the Trade Paperback edition *International Handbook of Child Care Policies and Programs* Moncrieff Cochran, 1993-04-22 This reference offers a comprehensive overview of public policies and programs related to child care in Africa Asia Latin America Oceania Europe and North America Individual chapters profile policies and programs in 29 countries Each chapter contains a description of existing policies and programs presented against a particular

historical cultural and ideological backdrop The chapters are arranged in alphabetical order to facilitate use as a reference and each includes a list of works for further reading The volume begins with an introductory essay that overviews recent trends and developments around the world The chapters that follow discuss the background and history of child care demographic characteristics of the country profiled the socioeconomic context of child care and the extent and nature of government intervention A final chapter synthesizes the information presented and makes crossnational comparisons of policies and programs Appendices provide demographic data and describe maternity and parental leave policies A general bibliography concludes the work making it a useful and current reference tool

Constitutional Politics Sotirios A. Barber, Robert P. George, 2021-03-09 What does it mean to have a constitution Scholars and students associated with Walter Murphy at Princeton University have long asked this question in their exploration of constitutional politics and judicial behavior These scholars concerned with the making maintenance and deliberate change of the Constitution have made unique and significant contributions to our understanding of American constitutional law by going against the norm of court centered and litigation minded research Beginning in the late 1970s this new wave of academics explored questions ranging from the nature of creating the U S Constitution to the philosophy behind amending it In this collection Sotirios A Barber and Robert P George bring together fourteen essays by members of this Princeton group some of the most distinguished scholars in the field These works consider the meaning of having a constitution the implications of particular choices in the design of constitutions and the meaning of judicial supremacy in the interpretation of the Constitution The overarching ambition of this collection is to awaken a constitutionalist consciousness in its readers to view themselves as potential makers and changers of constitutions as opposed to mere subjects of existing arrangements In addition to the editors the contributors are Walter F Murphy John E Finn Christopher L Eisgruber James E Fleming Jeffrey K Tulis Suzette Hemberger Stephen Macedo Sanford Levinson H N Hirsch Wayne D Moore Keith E Whittington and Mark E Brandon

Echo Joseph Pivato, 2003 This collection of essays explores the literature of Italian immigrants in Canada and their children by focusing on the central role that themes of migration hold in their work Addressing topics such as the oral roots of Canadian immigrant writing the changing place of women in works of the Italian diaspora and the persistent difficulties of translation this work provides an international perspective on some of the most pressing questions in the study of literature today In addition to Canadian works the work of immigrant writers from Australia and other countries is also considered producing nuanced observations of cultural differences and affinities
