Bragg,2010-02-04 TREASURY MANAGEMENT The Practitioner s Guide Treasury Management The Practitioner s Guide describes all aspects of the treasury function This comprehensive book includes chapters covering the treasury department cash transfer methods cash forecasting cash concentration working capital management debt management equity management investment management foreign exchange risk management interest risk management clearing and settlement systems and treasury systems If you are a treasurer CFO cash manager or controller Treasury Management The Practitioner s Guide allows you to quickly grasp the real world of treasury management and the many practical and strategic issues faced by treasurers and financial professionals today Sentient Strategy Alan Weiss,2023-03-23 No pre pandemic strategy is effective anymore None Not for organizations large or small for profit or non profit domestic or global Claims of a return to normal or the new normal are ridiculous What we re facing is really a new reality and that reality is the need for agile strategic decisions and pragmatic views of the future That means that strategy formulation can be reduced to a few days and the view of the future can only be 12 18 months This is the antithesis of Peter Drucker s approach to strategy but his highly effective approach was developed at GM three quarters of a century ago It s time to move on Alan Weiss has developed an original and completely new approach to strategy which thus far has certified over 100 people globally delivering this approach to scores of firms of all types in four countries More than two dozen firms are using this approach Sentient Strategy is based on two modern dimensions awareness of the environment in which the organization exists and has influence and consciousness of the impact of actions being considered The old SWOT strengths weaknesses opportunities threats approaches are currently equivalent to riding down the freeway on a horse We must drop the hubris that has led us to believe we can see years ahead and anticipate what s coming No one predicted the Internet No one predicted the latest pandemic It s time to turn volatility and disruption on their heads and use them as offensive weapons in the marketplace instead of trying to protect ourselves from them Imagine a strategy that an organization can formulate in just a day or so revisit easily and frequently and design a series of shorter term viable futures Sentient means perceptive and self aware It doesn t mean one size fits all from a cookie cutter firm s approach to strategy Alan Weiss equips the reader to consider using this approach independently These are new times a new reality a no normal™ hence it s ridiculous to use old approaches to strategy There s a clear reason why Sears didn t morph into Amazon and why Hertz surrendered its number one spot to Enterprise Handbook of Sustainable Concrete and Industrial Waste Management Francesco Colangelo,Raffaele

Cioffi,Ilenia Farina,2021-12-01 The Handbook of Sustainable Concrete and Industrial Waste Management summarizes key research trends in recycling and reusing concrete and industrial waste to reduce their environmental impact This volume also includes important contributions in collaboration with the CRI TEST Innovation Lab Naples Acerra Part one discusses eco friendly innovative cement and concrete and reviews key substitute materials Part two analyzes the use of industrial waste as aggregates and the mechanical properties of concrete containing waste materials Part three discusses differences between innovative binders focusing on alkali activated and geopolymer concrete Part four provides a thorough overview of the life cycle assessment LCA of concrete containing industrial wastes and the impacts related to the logistics of wastes the production of the concrete and the management of industrial wastes By providing research examples case studies and practical strategies this book is a state of the art reference for researchers working in construction materials civil or structural engineering and engineers working in the industry Offers a systematic and comprehensive source of information on the latest developments in sustainable concrete Analyzes different types of sustainable concrete and innovative binders from chemical physical and mechanical points of view Includes real case studies showing application of the LCA methodology
