Towne, 1924 **Image Politics in the Middle East** Lina Khatib, 2012-10-22 Politics in the Middle East is now seen and the image is playing a central part in processes of political struggle This is the first book in the literature to engage directly with these changing ways of communicating politics in the region and particularly with the politics of the image its power as a political tool Lina Khatib presents a cross country examination of emerging trends in the use of visuals in political struggles in the Middle East from the Cedar Revolution in Lebanon to the Green Movement in Iran to the Arab Spring in Egypt Syria and Libya She demonstrates how states activists artists and people on the street are making use of television the social media and mobile phones as well as non electronic forms including posters cartoons billboards and graffiti to convey and mediate political messages She also draws attention to politics as a visual performance by leaders and citizens alike With a particular focus on the visual dynamics of the Arab Spring and based on case studies on the visual dimension of political protest as well as of political campaigning and image management by political parties and political leaders Image Politics in the Middle East shows how visual expression is at the heart of political struggle in the Middle East today It is a hard hitting enjoyable groundbreaking book challenging the traditional ways in which politics in the Middle East is conceived of and analysed Pictures from Syria Syria. political affairs as well as students of International Relations Political Science and the Middle East notably Syria and Jordan and policymakers in the region

Syria's Secret Library Mike Thomson, 2019-08-20 The remarkable story of a small makeshift library in the town of Daraya and the people who found hope and humanity in its books during a four year siege Daraya lies on the fringe of Damascus just southwest of the Syrian capital Yet for four years it lived in another world Besieged by government forces early in the Syrian Civil War its people were deprived of food bombarded by heavy artillery and under the constant fire of snipers But deep beneath this scene of frightening devastation lay a hidden library While the streets above echoed with shelling and rifle fire the secret world below was a haven of books Long rows of well thumbed volumes lined almost every wall bloated editions with grand leather covers pocket sized guides to Syrian poetry and no nonsense reference books all arranged in well ordered lines But this precious horde was not bought from publishers or loaned by other libraries they were the books salvaged and scavenged at great personal risk from the doomed city above The story of this extraordinary place and the people who found purpose and refuge in it is one of hope human resilience and above all the timeless universal love of literature and the compassion and wisdom it fosters

Performance in a Militarized Culture Sara Brady, Lindsey Mantoan, 2017-09-13 The long cultural moment that arose in the wake of 9 11 and the conflict in the Middle East has fostered a global wave of surveillance and counterinsurgency Performance in a Militarized Culture explores the ways in which we experience this new status quo Addressing the most commonplace of everyday interactions from mobile phone calls to traffic cameras this edited collection considers How militarization appropriates and deploys performance techniques How performing arts practices can confront militarization The long and complex history of militarization How the war on terror has transformed into a values system that prioritizes the military The ways in which performance can be used to secure and maintain power across social strata Performance in a Militarized Culture draws on performances from North Central and South America Europe the Middle East and Asia to chronicle a range of experience from those who live under a daily threat of terrorism to others who live with a distant imagined fear of such danger
