Provides help in preparation for the TAAS test in Mathematics **Resources in Education** ,1998 **El-Hi Textbooks & Serials in Print, 2000** ,2000 Journal of Developmental Education ,2008 Books In Print 2004-2005 Ed Bowker
Staff,Staff Bowker, Ed,2004 **Valley Interfaith and School Reform** Dennis Shirley,2010-01-01 Can public schools still educate America s children particularly in poor and working class communities Many advocates of school reform have called for dismantling public education in favor of market based models of reform such as privatization and vouchers By contrast this pathfinding book explores how community organizing and activism in support of public schools in one of America s most economically disadvantaged regions the Rio Grande Valley of South Texas has engendered impressive academic results Dennis Shirley focuses the book around case studies of three schools that have benefited from the reform efforts of a community group called Valley Interfaith which works to develop community leadership and boost academic achievement He follows the remarkable efforts of teachers parents school administrators clergy and community activists to take charge of their schools and their communities and describes the effects of these efforts on students school performance and testing results Uniting gritty realism based on extensive field observations with inspiring vignettes of educators and parents creating genuine improvement in their schools and communities this book demonstrates that public schools can be vital laboratories of democracy in which students and their parents learn the arts of civic engagement and the skills necessary for participating in our rapidly changing world It persuasively argues that the American tradition of neighborhood schools can still serve as a bedrock of community engagement and academic achievement *Taas Master Student Practice Book* Lori Mammen,1996-07 *Subject Guide to Books in Print* ,1993 Children's Books in Print, 2007 ,2006
