Table Tennis Blacks Picture Sports:

Black's Picture Sports Table Tennis Jill Hammersley-Parker, 1985 **Blacks at the Net** Sundiata Djata, 2008-05-01

While much has been written about black triumphs in boxing baseball and other sports little has been said of similar accomplishments in tennis In this final volume of his ambitious and thorough examination of black achievement in international tennis Djata comprehensively fills that gap Exploring the discrimination that kept blacks out of pro tennis for decades he examines the role that this traditionally white sport played in the black community and provides keen insights into the politics of professional sports and the challenges faced by today's black players Drawing on original and published interviews life writings and newspaper articles Djata offers an in depth look at black participation in tennis in Europe Africa Australia and the Caribbean The author investigates how black African players broke through the color barrier of the South African apartheid using sport to gain international sympathy in the face of oppressive discrimination Djata's wide ranging history includes Aboriginal Australians and a chronicle of Yannick Noah's racial identity in the eyes of the French and the world

BBC Sport in Black and White Richard Haynes, 2016-11-17 This book provides the first detailed account of the formative decades of BBC televised sport when it launched its flagship programmes Sportsview Grandstand and Match of the Day Based on extensive archival research in the BBC's written archives and interviews with leading producers editors and commentators of the period it provides a behind the scenes narrative history of this major institution of British cultural life In 2016 the BBC celebrated the fiftieth anniversary of its television coverage of England's World Cup victory Their coverage produced one of the most oft played moments in the history of television Kenneth Wolstenholme's famous line Some people are on the pitch they think it's all over it is now as Geoff Hurst scored England's fourth goal securing England's 4-2 victory It was a landmark in English football as well as a watershed in the BBC's highly professionalised approach to televised sport How the BBC reached this peak of television expertise and who was behind their success in developing the techniques of televised sport is the focus of this book
