Taipei People Pai Hsienyung, 2017-12-15 Literary critics such as C T Hsia called Pai Hsienyung a rare talent who according to another critic has absorbed the diverse techniques of contemporary Western literature to temper and modernize his writing however the characters he writes about remain Chinese people and the stories he tells remain Chinese tales Widely acclaimed as a classic of contemporary fiction *Taipei People* has been frequently compared to James Joyce's *Dubliners* Henry Miller considers Pai Hsienyung a master of portraiture The collection of fourteen stories from this reprint edition has already been translated to great acclaim into French German Italian Dutch Hebrew Japanese and Korean 繁體 2000 Pai Hsienyung is among the most important writers in contemporary Chinese and world literature His masterpiece *Taipei People* is a classic of Taiwanese modernism with an intensity of vision comparable to James Joyce's *Dubliners* it follows the individual struggles of the people of Taipei with a mix of compassion nostalgia mourning and tenacious clarity Fifty years after its publication the collection continues to move readers around the world Stories from this collection have been translated into French German Italian Dutch Hebrew Japanese and Korean **Taipei People** Pai Hsien-yung, 2026-05-07 The night was deepening steps grew more urgent one by one the shadows went searching exploring yearning This is Taipei a city of echoes of lost souls of fading faces not yet forgotten On the eve of her retirement a taxi dancer recalls the gentle boy she met in her youth and never saw again the short nights they spent together would stay with her forever after A man identifies the body of a servant found caught at the rocky shoreline he had never even made it out to sea As the stars dim in the night sky a group of lost men gather around a lotus pond in the darkening park waiting for life to begin A masterwork of Chinese modernism *Taipei People* is a series of portraits each one dark and wistful revealing the lives and losses of those who fled to Taipei after the 1949 Communist takeover of China These are stories for anyone who has left home for anyone who has grown up and grown away for anyone who has ever said goodbye and for all those who were not able to *GOOD EYE* 2020-03-10 GOOD EYE 300 5 WebApp 12 1 300 12 20 LGBT WebApp WebApp INFO 12 100 GOOD EYE 300 5 6 ebApp 12 12 GOOD EYE 12 webapp google maps 12 google maps **The Columbia Sourcebook of Literary Taiwan** Sung-sheng Yvonne Chang, Michelle Yeh, Ming-ju Fan, 2014-09-02 This sourcebook contains more than 160 documents and writings that reflect the development of Taiwanese literature from the early modern period to the twenty first century Selections include seminal essays in literary debates polemics and other landmark events interviews diaries and letters by major authors critical and retrospective essays by influential writers editors and scholars transcripts of historical speeches and conferences literary society manifestos and inaugural journal prefaces and governmental policy pronouncements that have significantly influenced Taiwanese literature These texts illuminate Asia's experience with modernization colonialism and postcolonialism the character of Taiwan's Cold War and post Cold War cultural production gender and environmental issues indigenous movements and the changes and challenges of the digital revolution Taiwan's

complex history with Dutch Spanish and Japanese colonization strategic geopolitical position vis vis China Japan and the United States and status as a hub for the East bound circulation of technological and popular culture trends make the nation an excellent case study for a richer understanding of East Asian and modern global relations Old Stories Retold Andrew G. Stuckey,2010-04-30 Old Stories Retold explores the ways modern Chinese narratives dramatize and embody the historical sense that links them to the past and to the Chinese literary tradition Largely guided by Walter Benjamin s discussions of history G Andrew Stuckey looks at the ways Chinese narrative engages a historical process that pieces together fragments of the past into new configurations to better serve present needs By examining intertextual connections between separate texts Stuckey seeks to discover traces of an original whether it be thought of as the past history or tradition when it has been rewritten in modern and contemporary Chinese fiction Old Stories Retold shows how the articulation of the past into new historical configurations disrupts accepted understandings of the past and as such can be intentionally pitted against modernist historical knowledge to resist the modernist ends that this knowledge is mobilized to achieve **The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982** Roderick MacFarquhar,John K. Fairbank,Denis Crispin Twitchett,1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao s thoughts and how they related to China s government The most comprehensive account of this turbulent period in Chinese history **The Bloomsbury Handbook of Modern Chinese Literature in Translation** Cosima Bruno,Lucas Klein,Chris Song,2023-10-19 Offering the first systematic overview of modern and contemporary Chinese literature from a translation studies perspective this handbook provides students researchers and teachers with a context in which to read and appreciate the effects of linguistic and cultural transfer in Chinese literary works Translation matters It always has of course but more so when we want to reap the benefits of intercultural communication In many universities Chinese literature in English translation is taught as if it had been written in English As a result students submit what they read to their own cultural expectations they do not read in translation and do not attend to the protocols of knowing engagements and contestations that bind literature and society to each other The Bloomsbury Handbook of Modern Chinese Literature in Translation squarely addresses this pedagogical lack Organised in a tripartite structure around considerations of textual social and large scale spatial and historical circumstances its thirty plus essays each deal with a theme of translation studies as emerged from the translation of one or more Chinese literary works In doing so it offers new tools for reading and appreciating modern and contemporary Chinese literature in the global context of its translation offering in depth studies about eminent Chinese authors and their literary masterpieces in translation The first of its kind this book is essential reading for anyone studying or researching Chinese literature in translation **The Handbook of Communication in Cross-cultural Perspective** Donal Carbaugh,2016-08-19 This handbook brings together 26 ethnographic research reports from around the world about communication The studies explore

13 languages from 17 countries across 6 continents Together the studies examine through cultural analyses communication practices in cross cultural perspective In doing so and as a global community of scholars the studies explore the diversity in ways communication is understood around the world examine specific cultural traditions in the study of communication and thus inform readers about the range of ways communication is understood around the world Some of the communication practices explored include complaining hate speech irreverence respect and uses of the mobile phone The focus of the handbook however is dual in that it brings into view both communication as an academic discipline and its use to unveil culturally situated practices By attending to communication in these ways as a discipline and a specific practice the handbook is focused on and will be an authoritative resource for understanding communication in cross cultural perspective Designed at the nexus of various intellectual traditions such as the ethnography of communication linguistic ethnography and cultural approaches to discourse the handbook employs then a general approach which when used understands communication in its particular cultural scenes and communities

Identity Politics and Popular Culture in Taiwan

Hsin-I Sydney Yueh, 2016-12-07 In the past two decades a uniform representation of cutified femininity prevails in the Taiwanese media evidenced by the shift of Taiwan s popular cultural taste from a Chinese centered tradition to a mixed absorption from neighboring cultural capitals in the global market This book argues that the native term *sajiao* is the key to understand the phenomenon Originally referring to a set of persuasive tactics through imitating a spoiled child s gestures and ways of speaking to get attention or material goods *sajiao* is commonly understood to be women s weapon to manipulate men in the Mandarin speaking communities By re interpreting *sajiao* as a feminine tactic or the tactic of the weak the book aims to propose a feminine framework in exploring identity politics in the following three aspects the rising obsession with the immature female image in Taiwan s popular culture the adoption of the feminine communication style in native speakers everyday language and interactions and the competing discourses between dominant subordinate central peripheral global local and Chinese Taiwanese in shaping the identity politics in current Taiwanese society The micro analysis of everyday language politics leads the reader to examine layers of discourse about gender identity and communication and finally to inquire how to situate or categorize Taiwan in area studies The feminine framework is a useful theoretical tool that not only deconstructs everyday communication practice but also provides a bottom up alternative angle in analyzing Taiwan s role in political economic and cultural flows in East Asia The massive imports of popular cultural products in the late 80s mainly from Japan fermented the *kawaii* Japanese cute type of femininity in regulating everyday communication and the perception of gender roles in Taiwan The popularity of the baby like female image is concurrent with the simmering debate on Taiwanese identity Taiwan offers a unique perspective for observing identity politics because it still holds an undetermined status in the international community The collective uncertainty about the island s future and the diminishing voice in the international society become the backdrop for the growth of defining interpreting and appropriating *sajiao* elements in the

popular culture This book offers an in depth examination of the interplay among local historical contexts cross border capitalist exchange and everyday communication that shapes the dialogism of Taiwanese identity
