Taiwan Mainline Versus Independent Church Growth:

Taiwan: Mainline Versus Independent Church Growth Allen J. Swanson, 1970 **Taiwan** Allen J. Swanson, 1970

The Charismatic Movement in Taiwan from 1945 to 1995 Judith C.P. Lin, 2020-07-10 This book presents a comprehensive account of the historical development of the Charismatic Movement in Taiwan placing it within the context of Taiwan's religious and political history. Judith C. P. Lin unearths invaluable sources of the Japan Apostolic Mission, the Full Gospel Business Men's Fellowship International Formosa Chapter, and Jean Stone Willans' short stay in Taiwan in 1968. Lin describes and analyzes how the efforts of 1970s charismatic missionaries in Taiwan, including Pearl Young, Nicholas Krushnisky, Donald Dale Allen, J. Swanson, and Ross Paterson, shaped the theological convictions of later Taiwanese charismatic leaders. She also explores significant developments in the Taiwanese Church which contributed to the gradual and widespread recognition of the Charismatic Movement in Taiwan from 1980 to 1995. Lin offers a thorough treatment of history, reconfigures historiography from a Taiwanese perspective, and challenges the academic circle to take seriously the Taiwanese consciousness when engaging Taiwan's history. *Exploring Church Growth* Wilbert R. Shenk, 2010-08-01 During the past twenty years, the phenomenon of church growth, especially as it has been known under the dynamic leadership of Donald McGavran and the School of World Mission, Fuller Theological Seminary, has resulted in an impressive array of books, articles, reports, and theses. While freely acknowledging their debt to the church growth school, the contributors to this volume wish to explore further the premises, principles, and goals of church growth. Firmly convinced that church growth is more than empirical data and effective methods, and that there is nothing approaching a complete book of church growth, they aim not simply to offer definitive answers but rather to open up fresh lines of inquiry, historical, experiential, methodological, and theological. Thus, while interacting with previous studies, the authors view their work as a constructive contribution to the search for a more adequate understanding of church growth patterns. Contributors to this volume include Alfred C. Krass, Harvie M. Conn, Orlando E. Costas, John H. Yoder, Harry R. Boer, and C. Ren Padilla. The Protestant Community on Modern Taiwan Murray A. Rubinstein, 1991 Understanding Church Growth Donald A. McGavran, 1990-07-12 Author Donald A. McGavran is considered a founder of the Church Growth Movement in America. In this 3rd edition of his standard work, McGavran analyzes the causes, methods, and strategies for successful church growth both in America and abroad.

Church Growth Bulletin Vol 2 McGavran, Dona, 1977-05 **The Challenge of Church Growth** Wilbert R.

Shenk, 2001-02-12 Religion in Modern Taiwan Philip Clart, Charles B. Jones, 2003-09-30 Religion in Modern Taiwan takes a new look at Taiwan's current religious traditions and their fortunes during the twentieth century. Beginning with the cession of Taiwan to Japan in 1895 and the currents of modernization that accompanied it, the essays move on to explore the developments that have taken place as Buddhists, Daoists, Christians, non-Han aborigines, and others have confronted, resisted, and adapted to, even thrived in, the many upheavals of the modern period. An overview of Taiwan's current religious scene is

followed by a comprehensive look at the state of religion in the country prior to the end of World War II and the return of Taiwan to Chinese sovereignty The remaining essays probe aspects of change within individual religious traditions The final chapter analyzes changes that took place in the scholarly study and interpretation of religion in Taiwan during the course of the twentieth century Religion in Modern Taiwan will be read with interest by students and scholars of Chinese religion religion in Taiwan the modern history of Taiwan and by those concerned with issues of religion and modernization Contributors Chang Hsun Philip Clart Shiun wey Huang Christian Jochim Charles B Jones Paul Katz Andr Lalibert Lee Fong mao Randall Nadeau Julian Pas Barbara Reed Murray A Rubinstein *Planting Churches Cross-Culturally* David J. Hesselgrave,2000-05-01 A practical approach to church planting that uses cultural and experiential data to facilitate the founding of new churches in unreached areas of the world
