Take Comfort Encouraging Words From Second Corinthians:

Take Comfort Bob Russell,1991 Second Corinthians William R. Baker,1999 **Second Corinthians (Paideia: Commentaries on the New Testament)** Raymond F. Collins,2013-06-15 In this addition to the well received Paideia series a respected senior New Testament scholar examines cultural context and theological meaning in Second Corinthians Paideia commentaries explore how New Testament texts form Christian readers by attending to the ancient narrative and rhetorical strategies the text employs showing how the text shapes theological convictions and moral habits commenting on the final canonical form of each New Testament book focusing on the cultural literary and theological settings of the text making judicious use of maps photos and sidebars in a reader friendly format Students pastors and other readers will appreciate the historical literary and theological insight offered in this practical commentary **First, Second Corinthians** Robert E. Picirilli,1987 The Structure of Second Corinthians Kei Hiramatsu,2023-09-07 Hiramatsu Kei examines the literary structure of 2 Corinthians and how it can illuminate understanding of this Pauline letter and its theological message He explores the theoretical foundations of Inductive Bible Study as an approach which focuses on the meaning of biblical texts in their final form by incorporating insights from multifarious methodologies Based on the final form of the letter and its compositional unity he prioritizes the literary context as consequential evidence for interpretation Hiramatsu argues that there are two major components of the literary structure the division of the letter and the identification of major structural relationships within and between the divided parts Thus he proposes that 2 Corinthians consists of seven major segments which coherently develop Paul s discourse pertaining to ministry and discusses the implications regarding his theology of theocentric ministry and that of weakness that arise from a literary investigation Hiramatsu demonstrates that an inductive and integrative approach not only presents a more suitable and helpful literary structure for 2 Corinthians but also illustrates the relevance of such study when seeking to gain understanding of the theological implications of the letter **Second Corinthians** Linda L. Belleville,1996-05-28 In this passage by passage commentary on 2 Corinthians Linda Belleville shows how Paul s response to the commercial and hedonistic hotbed of Corinth can serve as model for all disciples who are confronted with a culture of individualism and materialism Meaning and Truth in Second Corinthians Frances M. Young,David F. Ford,2008-02-01 This new and refreshing approach to 2 Corinthians shows how exegesis of the New Testament writing can issue in theology that is relevant to today Beginning with an account of the essential thrust of the text the authors argue for the unity of the letter setting it against both its Jewish and Hellenistic backgrounds and examining questions of meaning and reference in the interpretation of particular passages They then consider how the text can be illuminated by the modern study of hermeneutics as well as by new sociological approaches The whole study reaches its climax with an assessment of Paul s authority then and now and the importance of what he says about God To conclude the authors provide their own vivid and compelling translation of Paul s words inviting a complete rereading of the letter in the

light of all that has gone before Be Encouraged Warren W. Wiersbe,1984-06 Examines 2 Corinthians and discusses its applications for modern life *Second Corinthians* William M. Ramsay,2012-07-01 This accessible Bible study will help to explain some of the more challenging aspects of Second Corinthians especially by focusing on what is delightful and inspiring about the biblical book In Second Corinthians we find promises of a glorious life after death interesting and thought provoking figures of speech describing followers of Christ powerful stewardship messages an amazing example of humility and proper respect and much more By the end of this study it will be easy to see why the folk at Corinth so loved and revered Paul that they collected this letter and others to save for future generations Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study

Life-study of Second Corinthians Witness Lee,2023-09-26 In this life study Witness Lee opens up Paul s second Epistle to the Corinthians a book on the new covenant ministry and its ministers The first Epistle to the Corinthians was the apostle s argument an argument that defeated and subdued the distracted and confused Corinthians Now the second Epistle brought them back into the experience of Christ who was the subject of his argument in the first Epistle Hence the second Epistle is more experiential more subjective and deeper than the first In the first Christ the Spirit with our spirit the church and the gifts are covered as the major subjects In the second Christ the Spirit with our spirit and the church are developed further but the gifts are not even mentioned The gifts are replaced in this book by the ministry which is constituted with and produced and formed by the experiences of the riches of Christ gained through sufferings consuming pressures and the killing work of the cross This Epistle gives us a pattern an example of how the killing of the cross works how Christ is wrought into our being and how we become the expression of Christ These processes constitute the ministers of Christ and produce the ministry for God s new covenant
