Take God's Word For It A Bible Study For Laymen:

Reading God's Word Today George Martin, 2009-12-01 With persuasive instruction and personal examples George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer In the most extensive revision yet of his best selling classic *Reading Scripture as the Word of God* this edition brings God's Word to life for beginners through seasoned veterans of Bible study How can I get more out of reading Scripture What can I do to understand Scripture more clearly How can I hear what God is saying to me through Scripture How should I apply the messages of the Bible to my life Thus the Bible becomes a window to God so He can speak to our hearts as well as our heads The book begins with practical suggestions for reading Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures

The Best Way to Learn and Teach God's Word David Hawkins, 2021-04-12 An effective method for learning God's Word is to use a systematic strategy that involves seven consecutive steps A good way to remember the order in which these seven steps should be taken is by referring to the acrostic PRIME AT When you PRIME AT God's Word you are preparing to better understand and use God's Word The seven steps outlined in the acrostic are Pray Read Interpret Meditate Explore Apply and Teach You should Pray that the Holy Spirit will guide your learning of God's Word Read different versions of the Bible Interpret scripture in your own words Meditate on the meaning and purpose of the scripture Explore commentaries study guides and other biblical references Apply God's Word to your life Teach others what you have learned An effective way to teach God's Word is to engage people in active learning This is best done by designing a pedagogical method that addresses the following questions What do you want people to be able to do when they have finished the lesson What will they need to know in order to do what should be done How can you facilitate their learning How do you assess learning Establishing a set of learning outcomes is required to answer the first question To answer the second question one must identify the body of knowledge that must be acquired to accomplish the learning outcomes This requires identifying a set of learning objectives that must be achieved The best way to facilitate learning is to provide guided learning materials that address both learning outcomes and learning objectives and ask probing questions And finally some type of quiz or test needs to be developed in order to properly assess learning
