Take My Ex Husband Please But Not Too Far:

Ex-husband, Please Stay Hong Doufan, 2020-02-22 Her marriage was to stay by herself in a large empty house Her marriage lasted from hope until despair Her marriage was a monthly routine of the 8th If it s a lie then just lie for the rest of your life okay At least this way they could continue all the way to the end of their lives No Sex Please, I'm Menopausal! Stevie Turner, 2018-11-27 After going through the menopause Lyn finds that she no longer wants sex This is unfortunate as her husband Neil still does When he discards her after 35 years of marriage like an old worn out shoe Lyn moves to Cornwall to start a new life However new friends are hard to find and she feels lonely On the spur of the moment she decides to join an online dating site MatchUlike just for companionship Amongst the peculiar people she meets is Peter shy and conscious that his gentleman s operation has rendered him an unattractive prospect in the marriage stakes Lyn makes a friend of Peter but when Neil gets to hear about the friendship he realises too late that there is more to a relationship than just sex and he suddenly starts to appear back on the scene and wants to turn her life upside down all over again Nowhere Too Far Kevin B Bingham, 2021-09-27 Over fifty years ago Dr Fred Carlson told the world that the possibility existed the Earth could be impacted by a pair of asteroids sometime in the future which may cause the complete destruction of all life on Earth His warning was disputed and soon forgotten by all except a small group of people called the Watchers Now that the time was drawing near a plan to save humanity was developed As crazy and impossible as it sounded there was no other way World renowned female archaeologist Andrea Markes finds that she has become the target of a very popular televangelist Jonah Grimes She has no idea why he chose her as an object of evil but it would seem he is intent on destroying her She can t let that happen When she learns of the possible destruction of Earth she is offered a way out How far is she willing to go to save her daughter and herself In all of this God has his own plan Real Moments Barbara De Angelis, 2013-01-09 To many of us the experiences that we grew up taking for granted leave become distant dreams in our adult lives marriages that last a lifetime safe neighborhoods to call home the certainty that our children will have a better life than we did and most of all lots of time to spend as we wish living for the moment Instead we find our time and energy spent recovering from the past or protecting ourselves from the future The result is a desperate sometimes dangerous and often unsuccessful search for meaning in our lives In *Real Moments* Barbara De Angelis defines happiness not as an acquisition but as a skill the skill of capturing every moment and living it completely With insight wisdom and vision she teaches us how to rediscover real moments with our mates and our children with our work and our play in sex and intimacy and real moments with ourselves It is an examination of our relationship with the process of living itself offering inspiration as well as practical tools for creating more of one of the most precious moments of all moments of true meaning in our lives **Blind Ambition** Ever Lee Hairston, 2015-06-30 As a child Ever Lee Hairston faced one disappointment after the other A product of share cropping parents and raised on one of the biggest plantations in the South Ever allowed those disappointments to diminish her self

confidence and sully her self esteem Not to mention that for years the young Ever hid a terrible secret which she hadn't told anyone not her family her friends her teachers and as she got older even her employers Ever Lee didn't want to accept that she was slowly losing her eyesight As darkness began to envelop her and inspired by the words of Dr Martin Luther King Jr Ever eventually decided to stop feeling sorry for herself and face her fears Through two turbulent marriages a host of setbacks and a life that was getting harder and harder to manage Ever encountered defeats but was determined not to be defeated Now decades after she lost her eyesight her powerful story is one of inspiration and ambition and helping others realize their lives have purpose as they reach their full potential in spite of any obstacles in their paths *Contaminated Drywall* United States. The Saga of Doubtful Sound Alwyn Dow, 2012-11-14 I suppose it is inevitable that a jazz musician would want to blow his own trumpet but I truly believe that this novel contains such a detailed insight into the drama that unfolds that it could not have possibly been written by someone else The story is about social politics in America and beyond during the twentieth century as seen through the lives of a family of jazz musicians Their work takes them into areas where racism and bigotry abound not only in the States but abroad too but The music goes round and around despite their misgivings Their recordings provide the pictures on an otherwise blank canvas for without them there would be only hear say Their story is taken up by two reporters who finally get to the bottom of a racist conspiracy on the other side of the world It follows that a knowledge and empathy with the past is all important in a story such as this I'm an historian and retired teacher of politics as well as being a part time jazz musician and I have just concluded a radio show called Jazz Dreams I've come across racism in many different guises and in many corners of the Globe during my lifetime and I know how insidious it can be In this story I have tried to explain how important it is that individuals take personal responsibility and confront it That takes courage and the book is about this also A recent visit to New Zealand including Milford Sound and Doubtful Sound gave me the idea for a perfect hiding place Bond meets Lord of the Rings perhaps

Seventeenth Century ,1846 **Pocket Bear** Katherine Applegate,2025-09-09 Meet Pocket created as a good luck charm for soldiers going into battle whose bravery and loyalty lives on long after the war From Katherine Applegate 1 New York Times bestselling author of *Odder* and *The One and Only Ivan* Thimble born from tip to toe Pocket Bear remembers every moment of his becoming the glimmering needle the silken thread the tender hands as each careful stitch brought him closer to himself Born during the throes of WWI he was designed to fit into the pocket of a soldier s jacket eyes sewn a bit higher than normal so that he always gazed upward That way glancing at his pocket a soldier would see an endearing token of love from someone back home and hopefully a good luck charm Now over a century later Pocket serves as unofficial mayor of Second Chances Home for the Tossed and Treasured where stuffed toy animals are refurbished and given a fresh opportunity to be loved He and his best feline friend Zephyrina known far and wide as The Cat Burglar have seen it all and then some An unforgettable tale of bravery loyalty and kindness Pocket reminds us all that love comes in many forms sometimes filled with fluff and that second chances are always possible Don t miss more heartwarming books by Katherine Applegate *Odder* Wishtree Crenshaw Willodeen *Head Wound* Judith Cutler,2018-10-18 While Jane waits for renovations to be completed on her new permanent home she remains in temporary accommodation under the watchful eye of her landlord Brian Dawes chair of the governors at Wrayford School Her work life is dominated by preparations for the all important school play but behind the scenes the threat of major cuts to the school s budget puts a strain on morale Alongside these concerns are her landlord s deteriorating health and the odd behaviour of her neighbours both mysteries she could do without As events unravel and with her students welfare at the forefront of her mind can Jane unravel the curiosities in which she finds herself tangled Comical Vacations Book 2 Maureen Reil,2017-01-21 Comical Vacations 2 Three Book Bundle Contents The Finch Family Holiday 3 It is that time of year again folks yes summer is here so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach Sounds idyllic sounds relaxing and sounds like a lot of fun in the sun so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people winding her up from start to finish As extra members of the clan are joining them for the ten day humorous adventure sparks could fly if someone lit a match to ignite the tension sexual or otherwise There are days out to look forward to in Cornwall where the Finch family discover new things try out new stuff and resort to old tricks when needed Will Kitty s cousin get the better of her on this comical vacation Will Kitty Finch be involved in any holiday romances or just watching from the sidelines as per usual Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one So come along and catch up with the funny Finches as they show you what having a British family holiday is about The Finch Family Holiday 4 This year s Finch family holiday finds them flying off to France for ten days in the rural French countryside Only Kitty Finch seems to spend her vacation time searching for something whether it is a home for a pet a handbag or a holiday romance Not to mention the mystery man and his yellow socks that bring trouble her

way All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better As the Finch family comes across plenty of people to share their time with including German neighbours English expats and even a French farmer to name a few One of the men Kitty meets is special enough to take her fancy for a French fling so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun Whether it comes to randy rabbits randy monkeys or randy men it is all part of the experience The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed Kitty Finch does not so she does her best to get out of the annual family holiday but no her parents are having none of it so she is going to Turkey whether she likes it or not Since they will probably kidnap her if she does not comply and come willingly while she never imagined part of that sentence actually coming true on this trip Anyway they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up Not that she wants to appear ungrateful about going on a five day all inclusive package holiday in the sun during the school half term in October it is just that she will be face to face with her ex husband who she hasn't seen since the wedding fiasco and the less said about that the better Despite not feeling up to a holiday with the family it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she not gone there and some aspects of it she even enjoys As this is what a British family holidaying abroad gets up to when left to their own devices Only do not expect this laugh out loud saga to end there because the funny Finches will be back for yet more shenanigans in the next book Bad Sex Good Love Cornell Richards, 2016-05-11 Stephany Williams is a gorgeous thirty year old lab technician from South Philadelphia After quitting her job she marries the supposedly man of her dreams James Pain Hes a handsome wealthy black luxury condo owner and treats her like a queen But James sex performance is the absolute worst and hes unteachable While still being married Stephany accidentally reconnects with a former lover who is hideously ugly and struggling financially This rodent by the name of Roy teaches a better sex class for males and is the best lover shes ever had Throughout this scorching page turner Roy is charming and has a vice grip on Stephanys heart along with her other body parts James finds out about the affair but wants to stay married but Stephany makes no haste to rekindle She offers a devastating proposal for James to first take Roys better sex class if he wants to continue being married to her Wow Stephany is thoroughly advised by her two female friends Janet a widow who was married for three decades and Marcy a fire mouthed midage bachelorette with some pretty interesting views Does James lower his ego in order to continue fighting for the love of his life Or is Stephanys request insanely unreasonable **Internal Revenue Service's Methods** United States.
