Take me to the Rivers Kate Lechnir,2023-10-16 Take Me to the Rivers Boating the Rivers of America from Wisconsin to Florida Boating down the Mississippi Ohio Cumberland Tennessee Tombigbee Rivers and Mobile Bay to the Florida Intracoastal in the fall of 2018 might be described in retrospect as a series of near misses The river conditions were extreme characterized by the worst fall flooding in recorded history And at the end of our trip the strongest category 5 hurricane ever to make landfall Hurricane Michael engulfed us within its eye Take Me to the Rivers chronicles my husband s and my fifteen hundred mile journey by boat to both remote and well traveled parts of some of the greatest rivers of America Setting out on a course to Punta Gorda Florida we began our river adventures on the Upper Mississippi River in La Crosse Wisconsin continuing all the way through St Louis Missouri We then found ourselves in the wild and ruthless wilderness of the Mississippi River up to the junction of the Ohio River We traveled up the Ohio to the Kentucky Lakes where we rested for several days and got a glimpse of the elegant and pampered side of river boating Continuing south we entered remote areas that had yet to be charted in GPS Traveling on the Tennessee Tombigbee Rivers through Mobile Bay we finally arrived on the Florida Intracoastal In October 2018 our trip was cut short abruptly and with finality in Panama City when Hurricane Michael destroyed our boat and our dreams of boating our way through retirement The book is written as a series of everyday short stories stories about the people we met and the rivers that tried to swallow us alive With its in depth descriptions it provides interesting insights for Quimby s Guide travelers as well as for those who have only been able to dream of boating from Wisconsin to Florida In addition the uniqueness of the river people we met on this journey and the extreme river and weather conditions we lived through will make this book appealing to an adventurous and curious audience Highlights that stand out in the author s mind include a 360 degree fascination with the Mississippi River bluffs the World War that was averted with an LST 325 Navy warship our only tourist trap destination in Hannibal Missouri the incredible spectacle of the St Louis Arch dining at Bobby s Fish Camp the winners and losers along the Kentucky Lakes the statue of the Mistaken Klansman floating bollard mastery techniques and Hurricane Michael in Panama City As much as I loved writing about these and other stories our close encounters with the people we met along the way are the lifeblood of the book It was a matter of life and death on the rivers in the fall of 2018 Many people shared their lives with us on this

journey many people helped to save our lives the lives of total strangers Beyond the Garden James B. Clay,2004-10-07
Shakespeare said All the worlds a stage all the men and women merely players We all have different scripts but we all search for the same thing From Macbeth we get an answer for what it is we search and nothing is but what is not My book Beyond the Garden takes a look at conventional fundamental religious thought which is prevalent today and especially in thoughts such as the gay issue I suggest that there is another view of life which includes all men and women as brothers and sisters and their sexual preferences Just as Martin Luther King and the eightys ladies sought to bring freedom to the oppressed so should the knights of today seek to bring freedom to all mankind The new frontier becomes an inescapable acceptance of all humanity because that is the issue of unreality prevalent today Each of us needs to learn that the one thing needful in this world of woe is understanding acceptance and lasting relationships This book offers a suggestion for those who want to find true freedom and oneness with his brothers and sisters and God While some of the more conventional religious books have mainstream thought Beyond the Garden differs in that it acknowledges other thought patterns to show the offal of our existence until we understand who we are By coming to this understanding we discover true freedom The story of the biblical Cain represents the story of Israel more than that it is the story of everyone in his God given freedom outside the garden without compassion The mark of Cain becomes the standard by which one lives in his freedom For me the mark represents an attempt to find true freedom which falls short of our goal as humans or as Erich Fromm would say Escape from Freedom To get beyond the garden is mans lot in life A more profound inspiration seems to compel us back to the garden where we will find our hearts desire Herein the quest begins In other words we search for the truth beyond what is not **Catalog of Copyright Entries** Library of Congress. The Future River a commentary in several voices on among other things the river's likely return to a place of prominence in prairie lives not as a transportation route but this time as a source of crucial fresh water Each author has a concise biography setting their remarks in the context of their time and their works What emerges is a portrait of this vital lifeline the terrain and the culture that grew and is growing on its shores to be appreciated by anyone who travels on along or merely to the great river
