Sharply criticizing the use of the independent contractor model that is the cornerstone of Uber and the gig economy Hodges argues that the explosion of for hire vehicles in Manhattan reversed decades of environmental anti congestion efforts He calls for a return to the careful regulations that governed taxicabs for decades and provided a modest yet secure living for cabbies Whether or not you ve ever hailed a cab on Broadway Taxi provides a fascinating perspective on New York s most colorful emissaries **Taxi Confidential** Amy Braunschweiger,2009-09 An outrageous encounter in a cab is a rite of passage in New York City Trap two or more strangers in a careening yellow sedan and add an unexpected variable say a well armed transvestite hooker the urgent need for a restroom or a stabbing victim and the story that emerges is sure to be worth telling In Taxi Confidential cabbies ranging from a lead footed pothead to a philosophizing immigrant sage grapple with what chance tosses their way Author Amy Braunschweiger uncovers the best taxi stories from the 1970s through present day and takes the reader on a 100 mile per hour ride through Gotham s darkest alleys roughest neighborhoods and hidden sweet spots Wisconsin Taxicab Systems Inventory ,1986
