neglected constituent of modern culture Nicholas Daly Magic Simon During suggests has helped shape modern culture Devoted to this deceptively simple proposition During s superlative work written over the course of a decade gets at the aesthetic questions at the very heart of the study of culture How can the most ordinary arts and by magic During means not the supernatural but the special effects and conjurings of magic shows affect people Modern Enchantments takes us deeply into the history and workings of modern secular magic from the legerdemain of Isaac Fawkes in 1720 to the return of real magic in nineteenth century spiritualism to the role of magic in the emergence of the cinema Through the course of this history During shows how magic performances have drawn together heterogeneous audiences contributed to the molding of cultural hierarchies and extended cultural technologies and media at key moments sometimes introducing spectators into rationality and helping to disseminate skepticism and publicize scientific innovation In a more revealing argument still Modern Enchantments shows that magic entertainments have increased the sway of fictions in our culture and helped define modern society s image of itself Praise for ModernEnchantment During documents the extent to which magic and magical thinking have pervaded and continue to pervade secular life the author examines 19th and 20th century theatrical magic and commercial conjuring with great sensitivity to the social and cultural context in the Western world Equally fascinating is the analysis of magic and early film R Sugarman Choice A richly informed warmly argued addition to the growing number of books in which writers worry at the pervasive blurring of distinctions between act and appearance organic consciousness and artificial intelligence imagination and empirical experience illusion and thought reality TV and real life dreams and money Marina Warner Financial Times During moves confidently across three centuries of magic and covers aspects of a few more besides The sheer wealth of historical detail he provides is impressive but no less impressive is the subtlety of his argumentation and the suggestiveness of his claims This extremely significant piece of work will appeal to literary critics historians and not least devotees of magic Nicholas Daly author of Modernism Romance and the Fin de Si cle Popular Fiction and British Culture 1880 1914 Classical Music & Cool Composers Gr. 6-8 Marci Haines,2003-01-01 Did you know that when he was a child Mozart fainted whenever he heard a brass instrument Did you know that Bach fathered twenty children The interesting and intriguing world of classical music and its most famous composers comes alive in our lesson We provide detailed biographies of five famous composers including Bach Mozart Beethoven Chopin and Tchaikovsky in a structured information based way We include ideal content for any middle school s music class who loves to play classical music and for a teacher who wants to expose their students to different composers and styles Our Music lesson provides a teacher and student section with a variety of reading passages activities crossword word search and answer key to create a well rounded lesson plan **World Music** Terry E.
