teacher centred practices despite reporting that they favoured student centred teaching practices The study also observed professional learning towards student centred pedagogical aspects in a single teacher case with mentorship support indicating that student centred pedagogies may be promoted within the constraints of the existing dominant teaching practice

Second Language Learning Motivation in a European Context: The Case of Hungary Kata

Csizer, 2021-01-04 This book provides an overview of second language L2 motivation research in a specific European context Hungary which has proved to offer an important laboratory for such research as a number of major political changes over the past 30 years have created a changing background for L2 learning in an increasingly globalized world The book provides an overview of theoretical research on L2 motivation together with detailed information on large scale L2 motivation studies in Hungary Further it presents a meta analysis of the most important investigations and qualitative data on teachers views regarding success in L2 learning In turn the interdisciplinary nature of L2 motivation is taken into account and relevant antecedent constructs to L2 motivation are investigated Lastly the book outlines possible future directions for L2 motivation research

Handbook of Research on Teachers of Color and Indigenous Teachers Conra D. Gist, Travis J. Bristol, 2022-10-15

Teachers of Color and Indigenous Teachers are underrepresented in public schools across the United States of America with Black Indigenous and People of Color making up roughly 37% of the adult population and 50% of children but just 19% of the teaching force Yet research over decades has indicated their positive impact on student learning and social and emotional development particularly for Students of Color and Indigenous Students A first of its kind the Handbook of Research on Teachers of Color and Indigenous Teachers addresses key issues and obstacles to ethnoracial diversity across the life course of teachers careers such as recruitment and retention professional development and the role of minority serving institutions Including chapters from leading researchers and policy makers the Handbook is designed to be an important resource to help bridge the gap between scholars practitioners and policy makers In doing so this research will serve as a launching pad for discussion and change at this critical moment in our country s history The volume s goal is to drive conversations around the issue of ethnoracial teacher diversity and to provide concrete practices for policy makers and practitioners to enable them to make evidence based decisions for supporting an ethnoracially diverse educator workforce now and in the future
